ENEL AVVIA LA PUBBLICAZIONE PERIODICA DI UN REPORT TRIMESTRALE CON I DATI OPERATIVI DEL GRUPPO

- Il Quarterly Bulletin, la cui prima edizione contiene i dati operativi del secondo trimestre 2016, illustrerà con cadenza trimestrale i principali dati consolidati di Gruppo su capacità installata, generazione e distribuzione di energia elettrica, vendite di energia elettrica e gas, relativi al periodo in esame
- Il documento, pubblicato in anticipo rispetto alla divulgazione dei dati economicofinanziari di periodo, si pone l'obiettivo di rafforzare la comunicazione del Gruppo nei confronti della comunità finanziaria. in linea con le best practice dei mercati più evoluti

Roma, 21 luglio 2016 – Enel S.p.A. ("Enel") ha pubblicato oggi, in allegato al presente comunicato, il primo "Quarterly bulletin" ("Report") relativo al secondo trimestre (e al primo semestre) 2016, documento periodico con cadenza trimestrale che illustra i principali dati operativi del Gruppo nel periodo di riferimento, in termini di capacità installata, generazione e distribuzione di energia elettrica, vendite di energia elettrica e gas, nelle diverse aree geografiche di presenza del Gruppo. Il Report riassume anche i principali dati economici, finanziari e patrimoniali del Gruppo già pubblicati e relativi al primo trimestre 2016. Il documento contiene, inoltre, un raffronto dei dati operativi e finanziari sopra indicati con quelli del corrispondente periodo del precedente esercizio.

Il Report ospita una sezione interamente dedicata al posizionamento di Enel nei principali indici di sostenibilità. Vengono infine riepilogati i giudizi sul merito di credito assegnati alle principali società quotate del Gruppo da parte delle più accreditate agenzie di rating.

Il documento, che sarà pubblicato in anticipo rispetto all'approvazione da parte del Consiglio di Amministrazione di Enel e alla divulgazione dei dati economico-finanziari contenuti nei vari documenti contabili periodici, si pone l'obiettivo di rafforzare ulteriormente la trasparenza del Gruppo nei confronti della comunità finanziaria, in linea con le *best practice* dei mercati più evoluti.

Il Report, allegato al presente comunicato stampa è a disposizione del pubblico presso la sede sociale, sul sito internet di Enel (www.enel.com, sezione Investor Relations), e – unitamente al presente comunicato – presso il meccanismo di stoccaggio autorizzato denominato "NIS-Storage" (www.emarketstorage.com).

Tutti i comunicati stampa di Enel sono disponibili anche in versione Smartphone e Tablet. Puoi scaricare la App Enel Corporate su Apple Store e Google Play

Disclaimer

This document contains certain forward-looking statements that reflect the Company's management's current views with respect to future events and financial and operational performance of the Company and its subsidiaries. These forward-looking statements are based on Enel S.p.A.'s current expectations and projections about future events. Because these forward-looking statements are subject to risks and uncertainties, actual future results or performance may differ materially from those expressed in or implied by these statements due to any number of different factors, many of which are beyond the ability of Enel S.p.A. to control or estimate precisely, including changes in the regulatory environment, future market developments, fluctuations in the price and availability of fuel and other risks. You are cautioned not to place undue reliance on the forward-looking statements contained herein, which are made only as of the date of this presentation. Enel S.p.A. does not undertake any obligation to publicly release any updates or revisions to any forward-looking statements to reflect events or circumstances after the date of this presentation. The information contained in this presentation does not purport to be comprehensive and has not been independently verified by any independent third party.

This presentation does not constitute a recommendation regarding the securities of the Company. This presentation does not contain an offer to sell or a solicitation of any offer to buy any securities issued by Enel S.p.A. or any of its subsidiaries.

Pursuant to art. 154-bis, paragraph 2, of the Italian Unified Financial Act of February 24, 1998, the executive in charge of preparing the corporate accounting documents at Enel, Alberto De Paoli, declares that the accounting information contained herein correspond to document results, books and accounting records.
