

Be: awarded a multi-year European competition in the Big Data area, amounting to 7 €/mln with Cassa Depositi e Prestiti

Rome, 17 October 2016

Be Think, Solve, Execute S.p.A. ("Be" in short), has been awarded, as Parent Company of a Temporary Grouping of Enterprises, a multi-year European competition for the provision of IT services in the period 2016 - 2019 with Cassa Depositi e Prestiti S.p.A. (CDP). The contract, whose total value is Eur 7.4 million - more than Euro 4.8 mln to be delivered over the next 36 months - is about to launch highly innovative projects with a Big Data approach. The contract also includes all the evolutionary activities in the digital innovation context, on CDP platforms.

"In the areas of Digital and Big Data we have now significant skills - says Prof. Vittorio Carlei, leader of the Advanced Analytics practise of Be - and we are honored and proud to help a customer as Cassa Depositi e Prestiti in its process of value creation. The management of large volumes of data with sophisticated methods of "machine learning", the redesign and robotization of functional components of complex solutions are just some of the areas on which we are going to strongly invest in the coming months."
