1. SHARES

1.1 Annual fee

Annual fees are paid in advance, cover the period 1st January - 31st December for all companies listed as of the 31st December of the previous year. The fees are not refundable (including on a pro-rata basis) if the Securities are removed during the year, with the exception of Issuers whose Securities are removed from all Euronext Markets in the first month of the relevant year.

The fee includes also the provision to issuers of following services:

- Assistance in compliance with regulatory obligations, also through systems ensuring the effective relationship management with the issuer, with particular reference to the management of price sensitive information;
- Assistance and support in the technical management of operations of:
 - merger / spin-off
 - conversion
 - listing of separate lines
 - dividend payment
 - split / reverse split
 - free allotment
 - financial instruments duration extension¹

¹ Provided that, in the event of an extension of the term of warrants, an additional fee determined in accordance with Section 2.1 below shall be charged for each additional year of listing.

Euronext Milan, Euronext MIV Milan and Euronext Growth Milan

	Fee for every 1,000,000 Euro of capitalisation ²	Cap	Floor
All companies (except companies indicated below)	<ul style="list-style-type: none"> Up to € 1bn of capitalisation: €54.60 Above € 1bn of capitalisation (for additional billion): €50.40 	€ 430,000	<ul style="list-style-type: none"> Euronext Milan: € 24,000 Euronext MIV Milan: € 19,300 Euronext Growth Milan: € 19,300 Euronext Growth Milan Professional Segment: € 19,300
Companies in dual or multiple listing with reference market in a listing venue different from Borsa Italiana³	<ul style="list-style-type: none"> Euronext Milan: € 24,000 Euronext MIV Milan: € 19,300 Euronext Growth Milan: € 19,300 Euronext Growth Milan – Professional Segment: € 19,300 		
Securities suspended indefinitely from trading at	<ul style="list-style-type: none"> Euronext Milan: € 24,000 Euronext MIV Milan: € 19,300 		

² Unless expressly indicated otherwise, the capitalization used for determining annual fees is calculated on the basis of an average market capitalization of the last three months of the previous year. This calculation only includes days with at least one trade.

³ The annual fee for companies in dual or multiple listing is defined according to the market of listing in which the company's shares are most traded (*reference market*).

For the purpose of applying this Pricelist:

- Borsa Italiana becomes the reference market, if during the reference period the daily average number of shares traded on the Borsa Italiana markets was higher than the daily average number of shares traded in each of the other listing venues where the company is admitted to listing.
- Borsa Italiana ceases to be the reference market, if during the reference period the daily average number of shares traded on the Borsa Italiana's markets was lower than the daily average number of shares traded in at least one of the other listing venues where the company is admitted to listing.

The annual fee applied to the companies in dual or multiple listing that have Borsa Italiana as the reference market will be the one applied to "All Companies".

- If during the reference period the daily average number of shares traded on Borsa Italiana markets was less than 55% of the total daily average traded in all the listing venues in which the company is admitted to listing, the cap will be reduced to € 61,300, otherwise the € 430,000 will be applied.
- The reference period to determine if Borsa Italiana is the reference market of a company listed on Euronext Milan, Euronext MIV Milan and Euronext Growth Milan, as well as its daily average number of shares traded, is the period starting from and including the first trading day of November two years before the period covered by the annual fees, to and including, the last trading day of November the year before the period covered by the annual fees.

	Fee for every 1,000,000 Euro of capitalisation ²	Cap	Floor
the end of the year preceding the invoicing	<ul style="list-style-type: none"> Euronext Growth Milan: € 19,300 Euronext Growth Milan – Professional Segment⁴ : € 8,000 		
STAR annual fee	€2,500 ⁵		

For newly admitted classes of shares, annual fees for the current year will be invoiced pro-rata temporis, starting from the first day of trading⁶, with the exception of companies transferring between stock markets managed by Borsa Italiana.

⁴ The € 8,000 annual fees is charged to companies which are admitted onto Euronext Growth Milan – Professional Segment, and which are at the same time suspended from trading. Once admitted to trading, any company which is indefinitely suspended from trading is charged pro-rata, according to Euronext Growth Milan fees.

⁵ An annual fee will be applied to Companies belonging to STAR segment. In the year of Initial Admission, a pro-rata Annual Fee is payable by Issuers at the time of the Initial Admission. The pro-rata Annual Fee shall be equal to the number of days (calculated by adding the days from the date of Initial Admission up to and including 31 December of the year of the Initial Admission) divided by 365, then multiplied by the relevant fee.

⁶ For newly listed class(s) of shares, the capitalization used is calculated on the basis of the offering price. In case of companies which are not making a public offering for listing or admission purposes, the fees will be calculated on the basis of the closing price of the first day of trading.
