

What if the stock exchange was the solution to finance your innovative business?

Why Tech companies choose the stock exchange?

- ✓ Finance your growth in strategic areas (R&D, international expansion, external growth...)
- ✓ Increase your company visibility
- ✓ Strengthen your company's credibility with all your stakeholders
- ✓ Enhance your ambitions and long-term goals
- ✓ Broaden your funding options once listed through rapid access to the capital markets

European Tech flagships listed on Euronext

Our initiatives to help you reach the future you deserve

PRE-IPO PROGRAMME

TechShare

A free pre-IPO educational programme to help you familiarise yourself with capital markets, while being a networking enabler, connecting you with Tech entrepreneurs and market professionals throughout the year.
