

PRESS RELEASE

Rozzano (MI), 17 July 2014

Biancamano: awarded a contract in Province of Genova The contract is worth around Euro 3.9 million.

Biancamano Spa, a company listed on the Star segment of Borsa Italiana, and leading private operator in Italian Waste Management industry, through its subsidiary company Aimeri Ambiente Srl, was awarded the call of tender announced by the Municipality of Camogli in Province of Genova.

The tender relates services of collection and transportation of Solid Urban Waste and the recycling area management in the municipal territory for a total of about 5.500 inhabitants. The contract will last for 5 years for a total amount of Euro 3.9 million (VAT excluded).

*“We are really pleased – states **Giovanni Battista Pizzimbone**, Chairman of Biancamano Spa – about this contract’s award in a geographical area, Liguria region, where **Biancamano, which this year is celebrating its 10th anniversary**, operates historically successfully. This award is in line with Group’s commercial strategies and underlines the Biancamano’s ability in offering a very appreciated and high quality service”.*

Biancamano is the main Italian private operator in Waste Management sector, leader in the Urban Cleaning integrated Services. The Group, through its subsidiary company Aimeri Ambiente, is specialized in planning, managing and controlling the complete cycle of the environmental operating services: from the collection and transportation of Municipal Waste, to the separate collection, to the streets sweeping and washing, and to the realization and management of the ecological platforms, on behalf of local public organizations and private operators. The Group furthermore manages disposal and storage plants. With about 2,000 employees, 3,000 vehicles and a GPS advanced control system, the Group is present throughout the national territory.
