STATEMENT OF THE MANAGER IN CHARGE

Pursuant to article 154-bis of the Italian Consolidated Finance Act., the manager responsible for drafting the corporate documents, Alessandra De Andreis, declares that the disclosure contained in this press release corresponds to the documentary results, books and accounting entries.

Biancamano is the main Italian private operator in Waste Management sector, leader in the Urban Cleaning integrated Services. The Group, through its subsidiary company Aimeri Ambiente, is specialized in planning, managing and controlling the complete cycle of the environmental operating services: from the collection and transportation of Municipal Waste, to the separate collection, to the streets sweeping and washing, and to the realization and management of the ecological platforms, on behalf of local public organizations and private operators. The Group furthermore manages disposal and storage plants. With about 2,000 employees, 3,000 vehicles and a GPS advanced control system, the Group is present throughout the national territory.

This press release is an English translation of the original Italian document.

This Press Release is available on the website: www.gruppobiancamano.it under the section Investor Relations – Press Releases.
