SALINI WINS A NEW CONTRACT IN POLAND WORTH €135 MILLION

Milan, 1 December 2014 - Salini Impregilo has won a €135 million contract to design and build a 14.4 km section of the S3 Expressway in western Poland close to the city of Wroclaw (Breslavia).

The works, which will last for 30 months, include three junctions : Kazmierzow, Polowice and Lubin Polnoc.

It is the group's fourth award in Poland this year, amounting to a total of €574 million.

The contract is the latest confirmation of the group's strong commercial capability to secure orders. It also further consolidates its presence in Poland's infrastructure sector, where the group is building several road projects, the A1, S7, S8.

Works will be carried together with local partner Pribex.
