ENEL: UPDATE OF DISPOSAL PLAN

Rome, February 25th, 2015 – The Board of Directors of Enel S.p.A. chaired by Patrizia Grieco met today and examined updates of the plan announced on July 10th, 2014, for the disposal of the Group's shareholdings in Eastern Europe. In light also of the strategic priorities of the new industrial plan that will be presented to the financial community on March 19th, the Board agreed to suspend the disposal of distribution and retail assets in Romania and to continue disposals of generation assets in Slovakia.

All Enel press releases now have smartphone and tablet versions.
