ANIMA Holding: August 2021 net inflows

- **Net inflows (excl. Class I insurance): 528 million**
- **Total AuM month-end above €200 billion**

Milan, 6 September 2021

ANIMA Group recorded in August 2021 net inflows for €528 million (excluding Class I insurance), for a total in excess of €2.0 billion year to date.

At the end of August, total asset under management of ANIMA Group exceeded €200.8 billion, approximately €14 billion higher than the amount at the end of August 2020.

"August net flows were not affected by the usual seasonality linked to the reduction of commercial activity during the summer break, marking the second best monthly result of this year; the performance of our products, which are better in many asset classes than those of an already positive market, continue to support the rotation from the enormous amount of liquidity held in the current accounts of retail customers towards solutions able to deliver interesting risk adjusted returns", commented Alessandro Melzi d'Eril, CEO of ANIMA Holding.
