

PRESS RELEASE

**OFFER PRESENTED FOR THE FIRST ULTRA-BROADBAND TENDER CALL**

**Milan, October 17, 2016 Retelit S.p.A.** (MTA: LIT.MI) announces that e-via S.p.A. - a company entirely held by Retelit - today presented its offer, acting as representative within the scope of a Temporary Grouping of Companies (RTI), together with Eolo S.p.A. and EDS Infrastrutture S.p.A., in response to the Infratel Italia S.p.A. first call for the construction and management of a passive ultra-broadband infrastructure. The white areas involved in the tender are those in the regions Abruzzo and Molise, Emilia Romagna, Lombardy, Tuscany and Veneto.

The offer was presented only for Emilia Romagna, a region in which the three consortium members benefit from a long-standing presence and extensive knowledge.

**Retelit Group**

*Retelit is a major Italian provider of data and infrastructure services to the telecommunications market and has been listed on the Milan Stock Exchange since 2000, joining the STAR segment on September 26, 2016. The company's fibre optic infrastructure covers over 9,300 kilometres (equivalent to approx. 192,000 km of fiber-optic cables, of which 60,000 located in MAN), connecting 9 Urban Networks and 14 Data Centers across Italy. The Retelit network also extends beyond Italy through a pan-European ring with PoP's in Frankfurt and London. Retelit is member of AAE-1 (Africa-Asia-Europe-1), the submarine cable system connecting Europe to Asia through the Middle East, reaching 19 Countries, from Marseille to Hong Kong, owning a landing station in Bari. These valuable assets make Retelit a perfect technological partner for TLC and ICT operators and businesses, providing on demand a complete range of high-quality, reliable and safe solutions. Services range from ultra-broadband fibre optic internet connection to the Cloud and network and VPN services to colocation solutions, with over 16,000 square meters of equipped and secure fibre optic connected spaces, for the outsourcing of Data Center services and the satisfaction of disaster recovery and business continuity needs. Retelit's Carrier Ethernet services are in addition Metro Ethernet Forum (MEF) certified.*
