

Gefran S.p.A. preliminary consolidated results to 31 December 2016

Provaglio d'Iseo (BS), 09 February 2017 – The Board of Directors of GEFran S.p.A. met today under the chairmanship of Ennio Franceschetti at the Company's headquarters in Provaglio d'Iseo (BS).

On the agenda was the examination by the directors of the Group's preliminary consolidated results, reported below.

As stated in November, results exceeded targets: revenues reached EUR 119 million, compared to EUR 115.3 million in 2015.

EBITDA exceeded 9%: the positive trend in profit margins is a product of increased revenues, the group's 2016 restructuring programme and actions implemented to improve efficiency.

Net debt came out at around EUR 13 million, an improvement of approximately EUR 12 million compared with 31 December 2015, when it was EUR 24.9 million.

Approval of the draft financial statements and consolidated financial statements is set for 09 March 2017.
