

PRESS RELEASE

BFF S.p.A.'s ordinary and extraordinary Shareholders' Meeting

Milan, 2nd April 2020 – Today the Shareholders' Meeting of BFF S.p.A., the Parent Company of BFF Banking Group, has met in a single call and in both ordinary and extraordinary session (the “Meeting”), and has resolved as follows.

ORDINARY SESSION

- 1) Item 1 on the agenda: ***Financial Statements as of 31st December 2019. Reports by the Board of Directors, the Board of Statutory Auditors and the Independent Auditors. Related resolutions. Presentation of the Consolidated Financial Statements of Banca Farmafactoring banking Group as of 31st December 2019.*** The Meeting, having taken note of the reports of the Board of Directors, the Board of Statutory Auditors and the Independent Auditors, having examined the financial statements for the year ended as of 31st December 2019, and having taken note of the Group's consolidated financial statements, has approved the individual financial statements for the year ended ad of 31st December 2019 with a net profit for the year of Euro 65,225,749.
- 2) Item 2 on the agenda: ***Allocation of the net income of the fiscal year. Related resolutions.*** As indicated in the press release issued on 31st March 2020, during the meeting held on 30th March the Board of Directors of BFF resolved to comply with the recommendations of the European Central Bank (ECB) and Bank of Italy (addressed to all Italian banks) – issued after the call of the Shareholders' Meeting – and, therefore, to refrain from making any irrevocable commitments for dividend payments for the financial years 2019 and 2020. In execution of this Board resolution, therefore, the Chairman, Mr. Salvatore Messina, postponed the discussion and the vote on item 2 on the agenda, postponing the related proposal to a new shareholders' meeting which the Board has already committed to call, in compliance with the conditions indicated by the banking regulators, at a time that will ensure that the dividend distribution will take place after the reassessment of the COVID-19 emergency (i.e., on the basis of the current indications by the ECB, indicatively in October 2020).

During that meeting, therefore, the Board, in order to maintain both the current dividend policy and the possibility of distributing the 2019 Expected Cash Dividend for a total of Euro 70.9m (as per the 2019 consolidated financial results press release), has resolved to comply with the regulatory recommendation by adopting Option 1 indicated by the ECB. Consequently, the portion of the 2019 individual net profit intended for dividends (equal to Euro 12.4m) will not be included in the regulatory capital calculations.

- 3) Item 3 on the agenda: ***Appointment of a Director. Related resolutions.*** The Meeting, having examined the related explanatory Report of the Board of Directors, has resolved to confirm the appointment of the director already co-opted on 11th December 2019, Ms. Giorgia Rodigari, who will remain in office until the expiry of the current Board's term of office.
- 4) Item 4 on the agenda: ***Appointment of the independent auditors for the financial years 2021-2029 and determination of their fees. Related resolutions.*** The Meeting, having examined the related explanatory Report of the Board of Directors, and the recommendation formulated by the Board of Statutory Auditors in its role as Internal Control and Audit Committee ("ICAC"), has approved the proposal made by the ICAC to appoint KPMG S.p.A., whose offer, following the competitive process carried out by the Bank and the Selection Committee and validated by the ICAC, obtained the highest score, and was considered suitable for the assignment, as well as being in line with the requirements of the Bank and the Group.
- 5.1) Item 5.1 on the agenda: ***Annual report on remuneration policy and fees paid to the members of the strategic supervision, management and control bodies and to the staff of Banca Farmafactoring banking Group.*** The Meeting has resolved:

- 6) Item 6 on the agenda: ***Authorisation to purchase and dispose of treasury shares subject to the revocation, for the part not yet executed, of the authorisation resolved by the Shareholders' Meeting on 28th March 2019. Related resolutions.*** The Meeting, having examined the related explanatory Report of the Board of Directors, has resolved to revoke the previous authorisation for the portion not executed, and to authorise the Board of Directors to purchase BFF ordinary shares, in one or more tranches and for a term of 18 months starting from today, for the purposes mentioned in the aforesaid explanatory Report; the maximum number of shares to be purchased is equal to 8,323,880, representing 5% of the Bank's share capital (taking into account the treasury shares already in the portfolio).
