

PRESS RELEASE

MARZOCCHI POMPE JOINS THE "EUROPEAN MID CAP EVENT PARIS 2021"

Bologna, 20 October 2021 - Marzocchi Pompe S.p.A. (AIM:MARP), a leading company in the design, production and marketing of high-performance gear pumps and motors, will be taking part in the "European Mid Cap Event 2021", scheduled to take place in Paris on Thursday 21 and Friday 22 October 2021.

The event, organised by Euronext in partnership with leading financial institutions in Europe, including Integrae SIM, is dedicated to **mid cap European listed companies**. It aims to promote the best companies **to a wide audience of international institutional investors**. Now in its 21st edition, the European Mid Cap Event 2021 will be held in Paris, with one-to-one or smaller group meetings.

The meetings will be attended by the Management of Marzocchi Pompe who will present the financial results of the first half of 2021, as well as the business model and strategy of the Group.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe has stated: *"After the virtual meetings with Investors, which followed the publication of the excellent 2021 half-year results, the European Mid Cap Event in Paris finally in person represents another important moment of gathering with both Italian and international investors.*

The sales recovery, which began in the second half of 2020 and has strengthened this year, has allowed Marzocchi Pompe to quickly reposition itself at pre-Covid levels and to achieve an all-time high profitability (17.6% EBITDA margin in 1H 2021).

The Company's globally recognized strengths, such as quality, technology and capability to offer customized solutions with quick delivery, together with its great production flexibility, make us very positive about the future prospects of Marzocchi Pompe."

Marzocchi Pompe's Investor Presentation ("1H 2021 Results Presentation") is available in the "Investor Relations" section of the Company's website www.marzocchipompe.com

Marzocchi Pompe S.p.A.

Marzocchi Pompe is a leading company in the design, production and marketing of high performance gear pumps and motors, which are applied in various fields: industrial, mobile and automotive. It closed 2020 with approximately 34 million euros in sales revenue. Founded in 1949, it is controlled by the Marzocchi family, which holds the majority of the shares and is present in the company with Paolo Marzocchi, President, and his son Carlo, in the Technical Area. The CEO Gabriele Bonfiglioli and four other managers are also part of the shareholding structure. The production is entirely made in Italy in the two sites of Casalecchio di Reno (BO) and Zola Predosa (BO). Marzocchi Pompe is present in over 50 countries through an international distribution network.
