Organisational changes and appointments within Covivio's management

Tugdual Millet, current Chief Financial Officer of Covivio, has been appointed Chief Executive Officer of Covivio Hotels, alongside Elsa Tobelem, from now on Deputy CEO for Operations. This change in the organization of the Covivio hotels subsidiary follows the departure of Dominique Ozanne, who has chosen to pursue new professional projects. On this occasion, Paul Arkwright, current Director of Financial Control, Corporate Finance and Investor Relations at Covivio, becomes Group Chief Financial Officer. These appointments will be effective from 1 July.

Tugdual Millet, 43, a graduate of ESCP Europe, joined Covivio in 2004 and has served as Chief Financial Officer since 2010. He previously held various positions within the Group, notably in acquisitions and corporate development. He has contributed to Covivio's strategic developments for more than 10 years, notably the strong growth and more pronounced European focus of the portfolio, whose value increased from €13.8 billion at the end of 2010 to over €25 billion at the end of 2020.

Elsa Tobelem, 39, a graduate of ESSEC, joined Covivio Hotels as Investment Analyst and Asset Manager in 2006. Appointed Chief Investment Officer in 2012, she participated actively in the transformation of the group hotel portfolio through significant investments, notably in Germany, Spain and the United Kingdom. In 2018, Elsa Tobelem was appointed Deputy CEO in charge of Finance of Covivio Hotels.

Tugdual Millet will take up his duties alongside Elsa Tobelem on 1 July 2021.

Christophe Kullmann, CEO of Covivio, said: "I would like to give my thanks to Dominique Ozanne, who has devoted 18 years to Covivio and made our company the European leader in hotel real estate, with a portfolio valued at €6 billion, presence in 12 countries and a team unanimously recognised in the market. I wish him good luck in his new entrepreneurial endeavours. I am very pleased that Tugdual Millet and Elsa Tobelem are taking over the management of Covivio Hotels. Their expertise, commitment and knowledge of Covivio make them the best people, along with all our teams, to take on the management of the hotel business and continue the development of Covivio Hotels."
