

Nexi S.p.A. announces the pricing of €825.0 million in aggregate principal amount of 1.75% Senior Notes due 2024

The transaction extends the tenor of the Group's debt and significantly reduces its cost

Milan, October 11th, 2019 – Nexi S.p.A. (“Nexi” or the “Issuer” and, together with its subsidiaries, the “Group”), announced today that it has priced its €825.0 million in aggregate principal amount of Senior Notes due 2024 (the “Notes”). The Notes mature on October 31, 2024, priced at par and have a coupon of 1.75% per annum. The bond offering results in an unsecured capital structure, extends the tenor of the Group's debt, achieves a coupon that significantly reduces the cost of debt for the Group and sets a new benchmark as the lowest yielding bonds issued by the Group.

The closing of the sale of the Notes is scheduled to be completed on October 21, 2019, and is subject to customary closing conditions.

The proceeds from the offering of the Notes, together with cash on hand, will be used to (i) fund the redemption of the Issuer's €825.0 million 4½% Senior Secured Fixed Rate Notes due 2023, and (ii) pay fees and expenses related to the refinancing of the Group's indebtedness and the offering of the Notes. As a result of this redemption, the entirety of Nexi's indebtedness will be unsecured.

The Notes will be offered only to non-U.S. persons outside the United States in connection with offshore transactions in accordance with Regulation S under the U.S. Securities Act of 1933, as amended (the “Securities Act”). The Notes have not been registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities or blue sky laws and foreign securities laws.
