- August net sales at **€ 377 million**. AuM net sales equal to **€ 81 million**
- Net sales in Guided Products at **€ 66 million**
- **FAM**: August retail net sales at **€ 20 million**, assets at **€ 14.9 billion**

Milan, September 4th, 2020

Total Net Sales stood at € 5.8 billion since the beginning of the year, already reaching the level recorded in the whole FY19. In the month of August Fineco recorded net sales at € 377 million, gathered without short-term commercial incentives, reflecting the typical seasonality of the month and taking into account € 231 million of taxes paid by customers. The payment of taxes (see the graph on the left) increased by € 92 million compared to August 2019 (+66% y/y), a growth definitely above the one recorded by Italian fiscal authority, confirming the quality of our clients that more and more choose FinecoBank as their reference bank. In the month of August Asset under Management stood at € 81 million, Asset under Custody at € 23 million while deposits were € 273 million.

Brokerage growth confirms its structural trend, thanks to both the reshaping of our offer and the enlargement of the base of clients. In August revenues were estimated at € 13.4 million, increasing by 11% y/y. Estimated revenues since the beginning of the year reached around € 160.2 million, +88% y/y.

Alessandro Foti, CEO and General Manager of FinecoBank, commented:

"August net sales figures, coherent with the seasonality of the summer period, show that Fineco is getting more and more considered as the reference bank from its clients. The growth of taxes paid by customers is in fact strongly above the Italian figure, confirming that customers prefer a one-stop-solution offering banking, credit, brokerage and investing services. A view furthermore strengthened by the structural increase in

brokerage revenues, highlighting a larger base of active investors interested in interacting with markets leveraging on the solidity of our platform”.
