2. MAIN TERMS OF THE OFFER

2.1. Categories and amount of securities subject to the Offer

The Offer relates to 195,274,979 Cerved Shares, representing all of the issued Cerved Shares as of the date of this Notice, including the Treasury Shares.

The Shares tendered to the Offer must be freely transferable to the Offeror and free of liens and encumbrances of any kind and nature, whether *in rem*, obligatory or personal.

The number of Shares targeted by the Offer may be reduced as a result of any purchase of Cerved Shares carried out by the Offeror, or by any of the persons acting in concert with the Offeror, before the beginning of the Tender Period (as defined below), or during the Tender Period, as extended if necessary, in accordance with applicable law. Any such purchases will be promptly disclosed to the market pursuant to Article 41, paragraph 2, letter c) of the Issuers' Regulation.

The Offer is addressed, on a non-discriminatory basis and on equal terms, to all holders of the Shares subject to the Offer.

2.2. Per share consideration and total value of the Offer

Should the Conditions Precedent (as defined below) be fulfilled (or waived as applicable) and the Offer become effective, the Offeror will pay a Consideration equal to Euro 9.50 for each Share tendered to the Offer.

The Consideration is intended to be net of any Italian stamp duty, registration tax or financial transaction tax, to the extent due, and of fees, commissions and expenses, which will be borne by the Offeror, while any income, withholding or substitute tax on capital gains, if due, will be borne by the shareholders tendering to the Offer.

The Consideration has been set on the assumption that the Issuer will not resolve and implement any distribution of ordinary or extraordinary dividends from profits or reserves; should this be the case, the Consideration will automatically be reduced by an amount equal to the dividend paid for each Share.

The official price per Cerved Share, at the close of March 5, 2021 was equal to Euro 7.04². Therefore, the Consideration incorporates a premium of 34.9% compared to the official price on March 5, 2021.

The Consideration incorporates the following premiums with respect to the volume weighted average of the official prices of the Cerved Shares in the periods indicated below:

Reference Period	Volume weighted average price (Euro) ³	Difference between the Consideration and the weighted average price (Euro)	Offer Premium
March 5, 2021	7.04	2.46	34.9%
1 month before the announcement	7.15	2.35	32.8%
3 months before the announcement	7.25	2.25	31.1%
6 months before the announcement	6.88	2.62	38.1%
12 months before the announcement	6.64	2.86	43.0%

If all the 195,274,979 Shares subject to the Offer, including the Treasury Shares, were tendered to the Offer, the total maximum value of the Offer, calculated on the basis of the Consideration, would be equal to Euro 1,855,112,301 (the “**Maximum Disbursement**”).

Pursuant to Article 37-*bis* of the Issuers’ Regulation, the Offeror confirms to be able to fully meet any payment obligation relating to the Consideration, up to the Maximum Disbursement.

The Offeror plans to raise the funds necessary to pay the Maximum Disbursement through the use of its own funds, using the proceeds from equity injections and/or shareholders' loans that will be made available by FermION and FSI pursuant to equity commitment letters entered into on the date hereof by the Offeror, FermION and FSI.

The Offeror reserves the right to raise part of the funds necessary to pay the Maximum Disbursement through a bank financing whose terms and conditions will – should this be the case – be disclosed to the public.

For further information on the financing of the Offer, please refer to the Offer Document.

2.3. Tender Period

The Offeror will file the Offer Document with CONSOB within 20 calendar days from the date of this Notice, pursuant to Article 102, paragraph 3, of the TUF. By the same date, the Offeror will file with the competent authorities the relevant applications to obtain the Authorizations (see Section 9 below). The Offer Document will be published following the approval by CONSOB, which will be granted following the issuance of the Authorizations pursuant to Article 102, paragraph 4, of the TUF.

The tender period for the Offer (the “**Tender Period**”) will be agreed by the Offeror with Borsa Italiana, pursuant to Article 40, paragraph 2, letter b) of the Issuers' Regulation, and will range from a minimum of fifteen to a maximum of forty trading days, subject to extensions.

The Tender Period will begin after approval by CONSOB of the Offer Document and its publication.

The Offer Document will describe the terms and conditions to tender the Shares to the Offer.

Since the Offer is launched by a person other than those specified in Article 39-*bis*, paragraph 1, letter a) of the Issuers' Regulation, the Offer will not be subject to the re-opening of the tender period as provided for by Article 40-*bis* of the Issuers' Regulation.

2.4. Payment Date

Payment of the Consideration to the owners of the Shares tendered to the Offer, concurrently with the transfer of ownership of those Shares, will be made in cash on the fifth trading day following the end of the Tender Period, as described in the Offer Document, subject to potential extensions or amendments to the Offer that may occur in accordance with applicable laws and regulations (the “**Payment Date**”).

2.5. Amendments to the Offer

In compliance with applicable law and, in particular, within the limits and according to the procedures set forth in Article 43 of the Issuers' Regulation, the Offeror has the right to extend the Tender Period and make other amendments to the Offer by the day prior to the end of the Tender Period.

In the event of amendments to the Offer, the Tender Period cannot end before three business days from the date of publication of the relevant amendment.

3. LEGAL GROUNDS FOR THE OFFER

The Offer is a voluntary tender offer, launched in accordance with Articles 102 and 106, paragraph 4, of the TUF and the related implementing provisions contained in the Issuers' Regulation.

The Offer is subject to the Conditions Precedent set forth in Section 7 and the Authorizations set forth in Section 9 below.

4. RATIONALE FOR THE OFFER AND FUTURE PLANS OF THE OFFEROR

The Offer relates to 195,274,979 Cerved Shares, representing all of the issued Cerved Shares as of the date of this Notice, including the Treasury Shares.

If the relevant thresholds are reached as a result of the Offer, the Offeror intends to pursue the delisting of the Cerved Shares from the MTA (the “**Delisting**”), as illustrated in Section 5 below.

In the event that, after the completion of the Offer, the Delisting is not achieved and the Offeror will waive the Minimum Threshold Condition (as defined below), the Offeror, taking into account, among other things, the final stake owned in the Issuer as a result of the Offer, reserves the right to pursue the Delisting by means of the merger of Cerved into the Offeror or into another unlisted company belonging to the group headed by AP (the “**ION Group**”), which would result in the Delisting of the Issuer.

Following the completion of the Offer, the Offeror plans to support Cerved’s current business plan. In this respect, the ION Group is ready to contribute to the successful growth of the Issuer by leveraging on its experience in the software, data analytics to achieve certain objectives that are already part of Cerved’s public strategy.

To the above end, the Offeror may consider other extraordinary transactions and/or corporate and business reorganizations (in addition to the potential merger of Cerved into the Offeror or in any other company mentioned above) that will be deemed appropriate, in line with the objectives and the rationale of the Offer, as well as with the Issuer’s growth and development objectives.

As of the date of this Notice, no formal resolution to carry out any such transactions has been taken by the competent bodies of the Offeror or other companies belonging to the Offeror’s group.

In addition, through the Offer, the Offeror intends to grant Cerved’s shareholders the possibility to sell the Shares on more favorable terms than those offered by the market, taking into account market liquidity and market performance of the shares. As described in Section 2.2 above, the Consideration incorporates: (i) a premium of 34.9% compared to the official price of the Shares on March 5, 2021; and (ii) a premium of 43.0% compared to the weighted average of the official prices of the Shares in the twelve months preceding (and including) the date of this Notice. For further information on the premium over the daily weighted average of the official prices of the Shares, please refer to Section 2.2 of this Notice.

5. DELISTING OF THE ISSUER’S SHARES AND SCENARIOS RESULTING FROM THE OFFER

5.1. Obligation to purchase under Art. 108, paragraph 2, of the TUF

In the event that, following the Offer, including any potential extension of the Tender Period, the Offeror comes to hold, directly and/or indirectly, as a result of tenders to the Offer and any purchases made outside of the Offer by the Offeror or by the persons acting in concert with the Offeror pursuant to applicable law by the end of the Tender Period (which may be potentially extended), a total stake greater than 90%, but lower than 95%, of the Issuer’s share capital, the Offeror hereby declares its intention not to restore a free float sufficient to ensure the regular trading of the Cerved Shares.

For the purpose of calculating the threshold provided for by Article 108, paragraph 2, of the TUF, the Treasury Shares (if not already tendered to the Offer) will be added to the shareholding directly or indirectly held by the Offeror and the persons acting in concert with the Offeror (numerator) without being deducted from the Issuer’s share capital (denominator).

If the conditions are met, the Offeror will also comply with the obligation to purchase the remaining Cerved Shares from the Issuer's shareholders that will so request pursuant to Article 108, paragraph 2, of the TUF (the "**Obligation to Purchase Under Article 108, Paragraph 2, of the TUF**"), at a consideration per Cerved Share determined pursuant to the provisions of Article 108, paragraph 3 or 4, of the TUF and which will be equal to the Consideration or determined by CONSOB in accordance with Article 50, paragraph 5, of the Issuers' Regulation, as appropriate.

In the notice relating to the final results of the Offer, which will be published by the Offeror pursuant to Article 41, paragraph 6, of the Issuers' Regulation (the "**Notice on the Results of the Offer**"), the Offeror will specify whether the conditions to comply with the Obligation to Purchase Under Article 108, Paragraph 2, of the TUF are met. If such conditions are met, the Notice of the Results of the Offer will contain, among other things, information regarding (a) the number of remaining Shares (in absolute and percentage terms with respect to the Issuer's share capital), (b) the manner and timing of the Offeror's compliance with the Obligation to Purchase under Art. 108, Paragraph 2, of the TUF, and (c) the procedure and timing of the subsequent Delisting.

In accordance with Article 2.5.1, paragraph 6, of the Regulation of the Markets Organized and Managed by Borsa Italiana in force as of the date of this Notice (the "**Stock Exchange Regulation**"), if the conditions therefor are met, except as stated in Section 5.2 below, the Cerved Shares will be delisted starting from the trading day following the last day of payment of the consideration for the Obligation to Purchase Under Article 108, Paragraph 2, of the TUF. In that case, holders of the Cerved Shares that decide not to tender to the Offer and that do not request the Offeror to purchase their Cerved Shares pursuant to the Obligation to Purchase Under Article 108, Paragraph 2, of the TUF will hold securities that are not traded on any regulated market, with ensuing difficulties in liquidating their investment.

5.2. Obligation to purchase under Art. 108, paragraph 1, of the TUF and right to purchase under Art. 111 of the TUF

In the event that, following the Offer, including any potential extension of the Tender Period, the Offeror comes to hold, directly and/or indirectly, as a result of tenders to the Offer and any purchases made outside of the Offer by the Offeror or by the persons acting in concert with the Offeror pursuant to applicable law, by the end of the Tender Period (which may be potentially extended) as well as during and/or following the procedure to comply with the Obligation to Purchase Under Article 108, Paragraph 2, of the TUF, a total stake at least equal to 95% of the Issuer's share capital, the Offeror hereby declares its intention to exercise its right to purchase the remaining Cerved Shares in accordance with Article 111 of the TUF (the "**Right to Purchase**"), at a consideration per Cerved Shares determined in accordance with the provisions of Article 108, paragraph 3 or 4, of the TUF. The Offeror will give notice if the requirements for the Right to Purchase are met, in compliance with applicable law.

For the purpose of calculating the threshold provided for by Articles 108, paragraph 1, and 111 of the TUF, the Treasury Shares (if not already tendered to the Offer) will be added to the shareholding directly or indirectly held by the Offeror and the persons acting in concert with the Offeror (numerator) without being deducted from the Issuer's share capital (denominator).

The Offeror, by exercising the Right to Purchase, will also satisfy the obligation to purchase under Article 108, paragraph 1, of the TUF, from the Issuer's shareholders that will so request, thereby triggering a single procedure.

The above-mentioned single procedure will be carried out after the end of the Offer or the Obligation to Purchase Under Article 108, Paragraph 2, of the TUF, within the terms that will be disclosed in accordance with the law.

In accordance with Article 2.5.1, paragraph 6, of the Stock Exchange Regulation, if the Right to Purchase is exercised, Borsa Italiana will order the suspension from listing and/or the Delisting of the Cerved Shares, taking into account the time required for the exercise of the Right to Purchase.

6. MARKETS WHERE THE OFFER IS LAUNCHED

The Offer is being launched exclusively in Italy and will be made on a non-discriminatory basis and on equal terms to all of the holders of Shares.

The Offer has not been and will not be made in the United States, Canada, Japan, Australia and any other jurisdictions where making the Offer or tendering thereto would not be in compliance with the securities or other laws or regulations of such jurisdiction or would require any registration, approval or filing with any regulatory authority (such jurisdictions, including the United States, Canada, Japan and Australia, the “**Excluded Countries**”), by using national or international instruments of communication or commerce of the Excluded Countries (including, by way of illustration, the postal network, fax, telex, e-mail, telephone and internet), through any structure of any of the Excluded Countries’ financial intermediaries or in any other way. No actions have been taken or will be taken to make the Offer possible in any of the Excluded Countries.

Tendering to the Offer by parties residing in jurisdictions other than Italy may be subject to specific obligations or restrictions imposed by applicable legal or regulatory provisions of such jurisdictions. Recipients of the Offer are solely responsible for complying with such laws and, therefore, before tendering to the Offer, they are responsible for determining whether such laws exist and are applicable by relying on their own counsel or other advisors. The Offeror does not accept any liability for any violation by any person of any of the above restrictions.

7. CONDITIONS OF EFFECTIVENESS OF THE OFFER

In addition to the necessary authorization from CONSOB to publish the Offer Document, in accordance with Article 102, paragraph 4, of the TUF, and the Authorizations which the Offeror must obtain prior to the CONSOB authorization to publish the Offer Document (see Section 9.1), the Offer is subject to the fulfilment (or the waiver by the Offeror as provided below) of each of the following conditions (it being understood that such conditions precedent are listed below in an order that is not mandatory), which may be further detailed in the Offer Document (the “**Conditions Precedent**”):

- (i) that the Offeror comes to hold, upon completion of the Offer – as a result of tenders in the Offer and/or any purchases made outside the Offer pursuant to applicable law during the Tender Period (which may be extended) – a direct and/or indirect stake higher than 90% of the Issuer’s share capital, including in the Offeror’s stake the Shares that the persons acting in concert with the Offeror may have purchased (the “**Minimum Threshold Condition**”).
- (ii) that by the second trading day prior to the Payment Date, the transaction proposed by the Offeror, resulting in the acquisition by the Offeror of sole legal control over the Issuer, has been authorized without any conditions by the Italian antitrust authority and by any other antitrust authority that is competent to assess any potential concentrative effects or restrictive effects on competition resulting from the acquisition by the Offeror of the control over the Issuer or the applicable waiting periods (as possibly extended) for a decision by such authorities have expired without any investigation of the transaction proposed by the Offeror (the “**Antitrust Condition**”);
- (iii) to the extent necessary, that, by the second trading day prior to the Payment Date, (i) the Office of the Italian Prime Minister (“**PMO**”) authorizes the transaction proposed by the

Offeror resulting in the acquisition by the Offeror of sole legal control over the Issuer (the “**Transaction**”) without any remarks, conditions or recommendations or (ii) no communication has been received from the PMO concerning the exercise of veto rights and/or the indication of remarks and/or the application of certain conditions or recommendations to the Transaction, in each case pursuant to Italian Law Decree No. 21 of 15 March 2012 and Italian Law Decree No. 105 of 21 September 2019 (each as subsequently converted and from time to time amended) (the “**Golden Power Condition**”);

- (iv) that between the date of this Notice and the Payment Date, the corporate bodies of the Issuer (and/or of one of its directly or indirectly controlled or associated companies) do not perform or undertake to perform (including through conditional agreements and/or partnerships with third parties) any action or transaction (i) that may result in a material change, including prospective change, in the capital, the assets, economic and financial situation and/or activity of the Issuer (and/or of one of its directly or indirectly controlled or associated companies), or (ii) that are in any case inconsistent with the Offer and the underlying industrial and commercial rationale, without prejudice in any case to the Condition Precedent set out in (v) below; the foregoing shall be understood as referring, by way of example only, to capital increases (also resulting from the exercise of the delegated powers granted, pursuant to Article 2443 of the Italian Civil Code, to the board of directors) or reductions, distributions of reserves, payment of extraordinary dividends, purchases or disposal of treasury shares, mergers, demergers, transformations, amendments to the articles of association in general, transfers, even on a temporary basis, of assets, equity investments (or related rights), companies or business units, bond issues or debt assumption;
- (v) that in any case, between the date of this Notice and the Payment Date, the Issuer and/or its directly or indirectly controlled subsidiaries and/or associated companies do not resolve and/or carry out, or undertake to carry out, actions or transactions that may hinder the achievement of the objectives of the Offer in accordance with Article 104 of the TUF, even if such actions and/or transactions have been authorized by the Issuer’s ordinary or extraordinary shareholders’ meeting or are decided and implemented autonomously by the Issuer’s ordinary or extraordinary shareholders’ meeting and/or by the management bodies of the Issuer’s subsidiaries and/or associated companies;
- (vi) that by the Payment Date, (i) no extraordinary national and/or international circumstances or events have occurred that result or may result in material adverse changes in the political, financial, economic, currency, regulatory or market situation and which have a material adverse effect on the Offer and/or on the financial, asset, economic or earnings situation of the Issuer (and/or of its subsidiaries and/or associated companies) and/or of the Offeror; and (ii) no facts or situations relating to the Issuer have emerged which were not known to the market and/or the Offeror as of the date of this Notice, and which have a material adverse change on the business and/or financial, asset, economic or earnings situation of the Issuer (and/or of its subsidiaries and/or associated companies). It is understood that this Condition Precedent includes, among others, all the events listed in points (i) and (ii) above that may occur as a consequence of, or in connection with, the spread of the COVID-19 pandemic (which, although is publicly known phenomenon as of the date of this Notice, may have consequences on the Offer and/or on the financial, economic or equity condition of the Issuer and of its subsidiaries and/or affiliates that are not currently foreseeable, such as for instance, any crisis, temporary and/or permanent suspension and/or significant limitation of the financial and production markets and/or commercial activities related to the markets in which the Issuer operates that would have material adverse effects on the Offer and/or changes in the equity, economic or financial condition of the Cerved Group);

- (vii) that the Authorizations (as defined below) have been issued, without any condition, recommendation or prescription (the “**Condition relating to the Authorizations**”);
- (viii) that between the date of this Notice and the Payment Date, no circumstance, event of fact preventing the Offeror from carrying out the Offer in accordance with the authorizations relating to the Offer and with any provisions thereof has occurred; and
- (ix) that, by the second trading day prior to the Payment Date, the lending banks of the Issuer and/or of its subsidiaries undertake *vis-à-vis* the Offeror to unconditionally waive any right provided by the facility agreements entered into by the Issuer and/or by any of its subsidiaries as of the Payment Date to require the early repayment of the relevant facilities as a result of the change of control over the Issuer resulting from the completion of the Offer and/or the Delisting.

The Offeror reserves the right to waive or to amend, in whole or in part, at any time and at its sole discretion (and, as far as the Antitrust Condition, the Golden Power Condition and the Condition relating to the Authorizations, to the extent permitted by law), one or more of the Conditions Precedent.

The Offeror will disclose the fulfilment or non-fulfilment of the Conditions Precedent or any waiver thereof, by giving notice in accordance with Article 36 of the Issuers’ Regulation.
