Retelit Group

Retelit is the Italian leader in constructing tailor-made digital transformation projects, executed on entirely Group-managed platforms. In our 20 years we have been the ideal partner for enterprises, the public sector and operators seeking to tackle head-on the challenges of innovation, thanks to a range which covers the entire value chain of ICT and digitalisation services. The combination of Retelit's proprietary assets (a comprehensive fiber optic network in Italy and across the world and a nationwide Data Center network) and the innovation and digital expertise of PA Group (becoming part of the Retelit Group in 2020) has created a unique player in Italy which can offer integrated digital solutions, from infrastructure to data management and from networks to applications.
