

PRESS RELEASE

WEBUILD S.P.A. TRANSFERS ITS REGISTERED OFFICE

Milan, October 14, 2021 – The Company's Board of Directors, which met today, by virtue of the powers given by art. 24 of the Bylaws, resolved the following:

(1) the temporary transfer of the registered office to Via Adige no. 19, Milan, with effect from October 18, 2021;

(2) with effect from December 1, 2021, the transfer of the registered office to the new offices located in the Municipality of Rozzano (*Centro Direzionale Milanofiori Strada 6 - Palazzo L*), with the consequent amendment of art. 3 of the Bylaws.

This relocation of our headquarters is part of the Group's strategy for optimizing costs and adopting an innovative, functional and consistent structure with the production needs and the digital evolution path undertaken by the Group.

With subsequent communications, notice will be given of the registration of these changes in the Business Registry.

Webuild, the new group born in 2020 from Salini Impregilo, is a leading global player in the construction of large, complex projects for sustainable mobility, clean hydro energy, clean water, green buildings, supporting clients in achieving sustainable development goals (SDGs). The Group is the expression of 115 years of engineering experience applied in 50 countries, on five continents, with 70,000 direct and indirect employees, from over 100 nationalities. Recognized for five years by Engineering News-Record (ENR) as the world leader in water infrastructure (such as dams, hydraulic tunnels, water and wastewater management, and water treatment and desalination plants), it ranks since 2018 among the top 10 in the environment sector. It also leads the sustainable mobility sector (especially metro and rail lines, in addition to roads and bridges). A signatory of the United Nations Global Compact, the Group's expertise is displayed in projects such as the M4 metro line in Milan, Grand Paris Express, Cityringen in Copenhagen, Sydney Metro Northwest, Red Line North Underground in Doha, Line 3 of the Riyadh Metro and the high-speed railways, in Italy. Other projects include the new Genoa Bridge and the new Gerald Desmond Bridge in Long Beach, California, the expansion of the Panama Canal, the Snowy 2.0 hydroelectric power station in Australia, the Rogun hydroelectric dam in Tajikistan, the Anacostia River and Northeast Boundary tunnels in Washington, D.C. and the Al Bayt 2022 World Cup stadium in Qatar. In 2020, the Group's total order backlog reached €41.7 billion, with 89% of the backlog of construction orders involving projects supporting the SDGs set by the United Nations. Webuild, subject to direction and coordination by Salini Costruttori SpA, is headquartered in Italy and is listed on the Milan Stock Exchange (Borsa Italiana: WBD; Reuters: WBD.MI; Bloomberg: WBD:IM).
