

**PRESS RELEASE**

Milan, 18 January 2022 – Prysmian informs that the German Federal Cartel Office (FCO) has carried out searches at certain Group's sites in Germany. The searches were conducted as part of an investigation by the FCO concerning an alleged coordination of industry-standard metal surcharges in Germany. Prysmian is cooperating with the FCO.

**Prysmian Group**

Prysmian Group is world leader in the energy and telecom cable systems industry. With almost 140 years of experience, sales of over €10 billion, about 30,000 employees in over 50 countries and 104 plants, the Group is strongly positioned in high-tech markets and offers the widest possible range of products, services, technologies and know-how. It operates in the businesses of underground and submarine cables and systems for power transmission and distribution, of special cables for applications in many different industries and of medium and low voltage cables for the construction and infrastructure sectors. For the telecommunications industry, the Group manufactures cables and accessories for voice, video and data transmission, offering a comprehensive range of optical fibres, optical and copper cables and connectivity systems. Prysmian is a public company, listed on the Italian Stock Exchange in the FTSE MIB index.
