Energy S.p.A., founded in 2013 by Davide Tinazzi, Andrea Taffurelli and Massimiliano Ghirlanda and listed since August 1, 2022 on the Euronext Growth Milan market of the Italian Stock Exchange, is headquartered in the province of Padua (Italy) and is an energy storage systems for both residential and large-scale applications sector leader. Our systems allow energy to be stored and released according to customers' energy needs. Energy has to date sold and installed more than 60,000 systems across the country, with a focus on the residential, commercial, industrial, utilities and electric mobility markets. At December 31, 2023, revenues were Euro 63.3 million and net profit Euro 5.6 million. The biggest projects executed include the large-scale plant in Comiso (Sicily), consisting of an agrivoltaic plant and a photovoltaic field, the large-scale plant at the CAAB Centre in Bologna, the Smart Grids at numerous municipalities in Sardinia and Lombardy and a Condominium Energy Community in Switzerland where individual hubs exchange energy as needed. Energy's sales channels include both general electrical distributors and PV specialists, while the company also works with large European EPCs. The proximity of Energy's logistics to the headquarters of major distributors has allowed the company to establish strong partnerships with the Italian and European market players. The company purchases components from major international suppliers and combines them with its "Zero CO2" proprietary software to build EU standard compliant systems. www.energyspa.com
