

Biesse attended the Virtual STAR Conference – Fall Edition organized by Borsa Italiana

Pesaro, 12 October 2021 - Biesse, a company that designs, manufactures and distributes systems and machines for machining wood, glass, stone, metal, plastic and composite materials, listed in the STAR segment of the Milan Stock Exchange, attended today the Virtual STAR Conference – Fall Edition organized by Borsa Italiana. Almost 50 -italian and foreign investors and analysts- virtually present; with them the Biesse management shared the expectations and the relevant elements of the Biesse Three Years Business Plan. To support the scheduled meetings, used and available on the Biesse website www.biessegroup.com I.R. area a dedicated presentation.

Biesse Group is multinational leader in technology for processing wood, glass, stone, metal, plastic and composited materials. It designs, manufactures and distributes machines, integrated systems and software for manufacturers of furniture, door/window frames and components for the constructions, ship-building and aerospace industries. The Group realizes the 85% of the total turnover outside Italy, using 13 premises, 39 subsidiaries, 300 selected dealers. Its customers include some of the most prestigious names in Italian and international design. Founded in Pesaro in 1969 by Giancarlo Selci, Biesse has been listed in the STAR segment of the Italian Stock Exchange since June 2001. It actually has almost 4,300 employees distributed all over the world.
