# Academy

At Academy we aim at sharing **capital markets expertise** by turning it into world-class training courses and programmes.

Our programmes reflect the evolution and trends of **financial markets and their eco-systems**.

Key assets of our learning centre are our centrality in capital markets, and our **internal and external faculty**, whose contributors are drawn from practitioners, academics, advisors and financial market specialists.

As an Exchange system, being at the centre of financial markets, we understand not just what happens now, but also what's changing - so we can design our courses to equip you for the world of today and tomorrow.

## An accredited Management System Certificate

Academy meets the management system standards UNI EN ISO 9001:2015, sector EA:37 since 2007.

The accreditation guarantees internationally recognised quality service standards and allows companies to apply for public funding to finance individual and company training projects.

# Course Programme

## Overview

This interactive course provides a succinct and practical overview of the most topical components of the ESG risk management framework embedded and integrated in the wider enterprise risk framework. Live virtual sessions are structured around the areas of risk identification and assessment, appetite and monitoring. The course also features group studies that explores how peers have approached the topic.

The course is packed with practical tips and hints and guides participants towards implementing processes that add value to the workplace. During Make A Difference discussion, attendees share their take-aways that will make a real difference to their organization. All sessions have been designed to facilitate communication and interaction between participants and the course leader, Elena Pykhova.

## Benefits of attending

At the end of the training session, delegates will come to know how to:

- approach physical, transition and liability risks
- structure an ESG risk assessment
- integrate ESG risks within the enterprise risk framework
- perform a deep dive into ESG in the context of Operational and Reputational risks
- comply with current regulatory frameworks
- review case studies and engage via live polls
- interact with fellow practitioners, benchmark the maturity of your framework with peers

## Who should attend

This is an essential course for all individuals responsible for implementing ESG risk management practices in their organisations or those interested to stay current and improve their ESG risk solutions, including

- Risk practitioners
- Compliance
- Audit
- Directors and senior executives
- Individuals responsible for implementing ESG risk management practices or interested to learn more about enterprise risk solutions

## Course Tutor

**Elena Pykhova** is a risk expert specializing in strategy, design and implementation of firm-wide risk frameworks, based in London, UK. She is a renowned educator, who for many years has run public and in-house training courses in the UK and internationally for world-leading organisations including the London Stock Exchange Group Academy, The Moller Center, Cambridge University and Risk.net. Elena is also a thought leader, influencer and founder of a prominent industry think tank, the Best Practice Operational Risk Forum. She is a former Director for Education at the Institute of Operational Risk and chair of the Operational Risk Expert Panel for the Association of Foreign Banks. Elena founded her training and consulting practice, The OpRisk Company Ltd, after 20 years of experience in senior roles at Fortune 500 companies, such as Citigroup, American Express, Deutsche Bank and Banco Santander.

She is an author of a best-selling book, *Operational Risk Management in Financial Services: A Practical Guide to Establishing Effective Solutions*, contributor to Thompson Reuters, Advantage Talent Inc, Risk & Compliance Platform Europe and other news publications.

## Methodology

### Learning tools

The virtual classroom will take place on the Zoom platform. Participants will be invited to run a check test on the tool a couple of days before the course starts.

### Learning material

The course material will be provided to the delegates in pdf format the day after the course has taken place.

### Certificate of attendance

The certificate of attendance will be sent in digital format after the end of the course.

## Intellectual property rights

The Client acknowledges and agrees that the contents made available during the training (including, but not limited to, videos, pictures and texts) are property of Bit Market Services or are supplied by Bit Market Services in virtue of certain contractual arrangements with third parties and cannot be reproduced, distributed or used for business purposes without the prior written consent of Bit Market Services or the entity having the relevant rights on the same.

## Liability

Whilst every effort is made by Bit Market Services to ensure that the contents of the training (including, but not

limited to, videos, pictures and texts) are accurate and up to date, BIt Market Services shall not be liable whatsoever for any inaccuracy or misleading information, nor for any consequential damage or expense or any loss of profit or any liability to third parties incurred as a result of reliance on such information, which is provided for educational purpose only. BIt Market Services total liability under this agreement shall be limited to the maximum amount represented by the Fees paid to the latter by the Client.

## Traceability of financial flows

BIt Market Services and the Client assume all obligations regarding the traceability of the financial flows provided by Law 136/2010, as subsequently amended and implemented (the "Traceability Obligations").

In relation to the payments to be made pursuant to the present Contract, the Client, if it is a public contractor pursuant to decree law 163/2006 (Code of public contracts for works, services and supplies), to ensure the enforcement of Law 136/2010 and subsequent amendments, undertakes to communicate to BIt Market Services, by the form attached to the Contract, the identification bidding code (CIG) and, in case, the unique code of project (CUP).

In particular, in fulfilling the Traceability Obligations, BIt Market Services will communicate to the Client:

- (i) the bank accounts details to be used, also nonexclusively, for the payments to be made by the Client pursuant to the present Contract;
- (ii) the personal details and the fiscal code of the persons delegated to operate on them, indicating the relevant role and powers, within 7 (seven) days from the creation of the accounts above (or, in case of existing accounts, within 7 (seven) days from their first use in relation to the payments made by the Client).
- (iii) Any possible amendment of the information indicated in points (i) and (ii) above, will have to be communicated by the Client within 7 (seven) days from occurrence.

Let it be understood that, save for possible derogations and partial exemptions to Law 136/2010, failure to use instruments suitable to permit the full traceability of the financial flows (for instance, bank or post transfer) and

the failure to comply with any other Traceability Obligations, are ground to terminate the present Contract.

BIt Market Services undertakes, in particular, to inform the Client and the Prefecture (territorial office of the Government of the province where the Client has its registered office) if it becomes aware of breaches by its contractual counterparties, if any, in relation to the Traceability Obligations.

## Cancellation Policy

According to article 1373 C.C., to withdraw from this contract applicants must send a written notice via email to [academy@euronext.com](mailto:academy@euronext.com):

- The fee will be fully refundable up to 7 working days prior to course date.
- A 50% refund will be provided for cancellations made during the 6 days leading to the course,
- Fees are non refundable for cancellations made 1 day prior to the course date.

Substitution of attendee (from the same company) may be made at any time.

Academy accepts requests to replace the course with another Academy course. The rescheduled training must take place within 12 months.

## Changes to the program

BIt Market Services reserves the right to postpone or cancel the course and notify the participant via fax or email at least 1 week before the course date; in this case, the participant is entitled only to a full refund of the course fee. In addition, BIt Market Services is entitled to make changes to the programme and seat of the training and/or substitute the expected panellists with others with equal skills and competence.

## Governing law and jurisdiction

The present agreement shall be governed by Italian law. The parties assign to the Court of Milan the exclusive jurisdiction over any dispute arising out the present agreement, this including – but not limited to – any proceedings regarding the validity, the construction, the performance and/ or the termination of the agreement.
