All London Stock Exchange Markets (per White Label)	£5,000

1.12 Category 12 – Unlimited Private Investor Licence

	Annual Fee
Level 2 Data in respect of all Data Groups	£300,000

Notes

1. If two services belongs to the same Data Group within the same Category, only the higher Licence Charge is applicable e.g. if UK market Data Level 2 and UK market Data Level 1 is required, both services will be supplied but at the charge of the UK market Data Level 2 Data Group.
2. Customers holding a real-time category 1 or 2 licence can additionally redistribute Order Book for Retail Bonds Level 1 and Level 2 data.
3. The Private Investor licence applies to Redistributors which only redistribute Data to Private Investor customers.
4. For text messaging services, the per price request or pager and GSM phone tariffs will apply.
5. This Licence Charge is not applicable if the Redistributor already holds the following professional category 1 or 2 licences: UK Level 2, UK Level 1, International Level 2 and/or International Level 1.
6. This Licence Charge is not applicable if the Redistributor already holds a real-time Redistribution licence costing £7,295 or more per annum. Issuers are also exempt from this charge when only displaying their own share price(s).
7. This Licence Charge is not applicable if the Redistributor already holds a real-time Redistribution licence costing £11,775 or more per annum.
8. Licence Charges apply on a 'per Website' basis. The published pricing relates to averaged sized media portals and Websites, calculated by deploying industry standard metrics. Where a licenced Redistributor disseminates the Last Trade Price service to more than one Website, volume discount fee bandings apply in respect of each Website. For the avoidance of doubt, a single Website may have numerous 'domain suffixes' such as ".co.uk", ".com", ".it", etc. under the terms of this policy.
9. Charges are applicable from 1 December, 2011. Invoicing will operate on a quarterly basis, chargeable in advance.
10. Charges are applicable from 1 January, 2016
11. Charges are applicable from 1 January, 2017

Licence general information

The charges quoted are in UK sterling, or Euros where denoted. The London Stock Exchange reserves the right to amend any Charges at its sole discretion.

Policy details and definitions in respect of these Charges are available in Schedule A of this Agreement.

The Customer is required to remit to the Exchange Data Charges, Per Price Request Charges, Low Usage Data Charges, Premium Rate Charges, TV Ticker Charges and Live Ticker for Issuers Charges.

Where Data is provided by the Customer to a customer who also wishes to redistribute Data to third parties, the Customer must inform the Exchange of its customer's intention to onward vend the Data. The Customer's customer must also enter into a Licence Agreement with the London Stock Exchange.

Notes

- Charges are applicable from 1 January, 2012. Invoicing will operate on a quarterly basis in advance.
- Charges are applicable from 1 February, 2013. The DER Redistribution License covers Commodities (AGREX and IDEX) License.
- Licence Charge is applicable to any issuer who wishes to display their own share price in real time on their Website.
- Licence Charges apply on a 'per Website' basis.
- Charges are applicable from 1 January, 2016.
- Charges are applicable from 1 January, 2017.

Licence general information

The Charges quoted are in Euros. The Exchange reserves the right to amend any Charges at its sole discretion.

Policy details and definitions in respect of these Charges are available in Schedule A of the Agreement.

If two services belong to the same Data Group within the same Category, only the higher Licence Charge is applicable..

Where licences for the redistribution of all three AFF, DER, and MOT Data Groups are held, total Licence Charges applicable to these Data Groups only shall be reduced by 15%.

Where real time license for the redistribution of AFF and/or DER, and/or MOT Data Groups is held, this license covers also the redistribution in delay on one Website for the same level and Data Group.

Licence Charges (6.1, 6.2, 6.3, 6.4, 6.5) are reduced by 50% for the redistribution of delayed Data (15 minutes delayed). Where delayed Borsa Italiana Data is utilised and/or redistributed via internet Websites ('open' or 'closed' user group), web platforms or similar technology (hereinafter referred to as the "Website"), by the Redistributor and/or by any other entity, they shall pay the licence fee, set forth in Schedule B, for each Website, with regards to such use and/or distribution of delayed Borsa Italiana Data.
