Sec. 120 *Guidance to the Rules*
Requirements for participation

- 120.1 *For the purpose of complying with the conditions referred to in rule 1020, **market intermediaries** must attest that:*
- they have a sufficient number of Responsible Persons for the nature and scale of business being conducted. The Responsible Person shall be responsible for trading activity conducted on the **ATFund market** and follow all the requirements defined pursuant to the Notice 2-01 "Registration of Authorised Representatives and Responsible Persons". Trading activity may be conducted by Responsible Persons or by other individuals within the Member, at the discretion of the Member, provided all such individuals are suitable and adequately trained in accordance with the Rules. Traders who are not Responsible Persons may only submit orders under the general authority of a Responsible Person. **Borsa Italiana** may impose requirements, and publish such requirements by Notice, in respect of training and competence of the Responsible Person;*
 - their trading staff know the rules and operating procedures of the market and the technical instruments for trading and have adequate professional qualifications;*

- c) the obligations set out in paragraph (a) and (b) apply to the **market intermediaries** providing trading services in financial instruments, including through the use of systems that do not involve human intervention. These systems shall be programmed in accordance with the rules, the operating procedures of the market and the technical instruments used for the activity concerned. The operators assigned to the programming of these systems shall have appropriate professional qualifications;
- d) They have adequate systems, procedures and controls for trading activity including specific procedures for use of the order cancellation function and settlement procedures that reflect the characteristics of the firm and activity performed;
- e) they have an internal IT unit that is in terms of number, experience and specialisation of the staff to guarantee the continuous and prompt functioning of the trading and settlement systems used, taking into account the degree of automation of their internal procedures and any recourse made to outsourcing.
- f) they have a sufficient number of Authorised Representatives as defined pursuant to the Notice 2-01 "Registration Of Authorised Representatives and Responsible Persons".

120.2 When carrying on the trading activity and associated activities, the **market intermediary** shall avail itself of technological systems which are adequate for the interaction with the electronic data processing and telecommunication support systems of the market, for which the **intermediary** has obtained the conformance certification (so called conformance test). The conformance certification must be completed before the market access systems are used and before any substantial updating of such access systems or of the market trading system.

120.3 Traders and **specialists** may perform their activities for more than one **market intermediary** only when the market intermediaries they are acting for belong to the same group.

120.4 **Market intermediaries** may use a third party and/or a group company to perform the activities referred to in guidance sec. 120.3 with all the obligations of the Rules and control and coordinate the activities performed by the persons referred to in the preceding guidance. **Market intermediaries** must inform **Borsa Italiana** accordingly. The agreement between the **intermediary** and the third party/group company must provide for the possibility of **Borsa Italiana**, or its appointees, verifying compliance with the requirements laid down in the Rules directly on the premises of the third party and/or the group company the **market intermediary** uses.

Sec. Guidance to the Rules
130 Conditions for outsourcing technological systems

130.1 Pursuant to Rule 1020.5, **market intermediaries** may use third parties:

- a) for connection to the market;
- b) for the other functions related to the management of technological systems other than connection to the market (e.g. housing and facility management).

130.2 The company offering the connection to the market may provide that the

single connection is shared among many **intermediaries**, in the respect of specific segregation criteria. In such case, the company offering the connection to the market is known as a Service Provider and shall be specifically accredited. To this purpose the company shall have a contract for the purpose with **Borsa Italiana**, which shall, among other things:

- a) provide for **Borsa Italiana** or its appointees to be able to check the adequacy of the technological systems with respect to the services provided and their compatibility with **Borsa Italiana's** ICT structures;
- b) provide for **Borsa Italiana** to be able to limit the number of **intermediaries** that a Service Provider may connect to the market;
- c) require the Service Provider to have back-up and disaster recovery procedures in place.
- d) the possibility for the Service Provider to offer also the services referred to in the preceding guidance sec 130.1 letter b).

130.3 **Borsa Italiana** may refrain from requiring the Service Provider contract referred to in Sec.130.2 to be signed by **intermediaries** that provide the connection to the market to other **intermediaries** belonging to its group.

130.4 **Market intermediaries** must inform **Borsa Italiana** of the execution with third parties, including Service Providers. Such contracts must contain a clause permitting **Borsa Italiana** or its appointees to verify compliance with the technological requirements established in these rules, *inter alia* on the premises of the third party used by the **market intermediary**.

130.5 **Market intermediaries** must also keep adequate documentation on their premises regarding the architecture, functionalities, operating procedures, service levels, controls and contractual guarantees for the activities entrusted to third parties, including Service Providers.

130.6 The contracts between the third parties and **market intermediaries** must indicate whether in turn the third party subcontracts some of the services outsourced by the **market intermediary**. If the third party uses in turn subcontractors, provision must be made for **Borsa Italiana** to verify the adequacy of the technological infrastructure on the latter's premises.

130.7 The supervision and control of orders sent to the market may not be delegated to third parties.

Sec. Guidance to the Rules
135 Participation in the settlement service

135.1 Pursuant to article 1020.6 the **intermediary** must participate directly or indirectly both in the settlement service indicated in the guidance sec. 400.2.

135.2 **Market intermediaries**, for the purpose of complying with the conditions referred to in Article 1020.6, shall attest that:

i) in case of direct participation in the settlement system, the participation to the X-TRM system service;

ii) in case of indirect participation in the settlement system, the participation to the X-TRM system service on his behalf of the intermediary participating in the settlement service.

	1021	If in the performance of its surveillance activity Borsa Italiana finds situations or conduct likely to entail risks for the integrity of the market, it may apply one or more of the following measures against the market intermediaries in question, until the reasons for their application cease to exist:
	1021.1	suspension from trading;
	1021.2	imposition of specific requirements relating to: the number and professional qualifications of trading staff; trading system and interconnection procedures and controls; and any other matters relevant to ensuring the continued satisfaction of market intermediaries' admission requirements;
	1021.3	restrict access to the market, including access via interconnections , including termination of access for customers of the market intermediary and, where present, their sub-delegates directly connected to the market through segregation of specific trading activities;
	1021.4	imposition of limits on operations or interconnections .
	1021.5	Where a measure of suspension from trading is adopted, from the time such measure takes effect the market intermediary to which it is applied shall only be permitted, under the surveillance of Borsa Italiana , to close out any positions still open and carry out any related transactions that are necessary to protect customers' interests, from the moment in which starts the suspension.
	1021.6	Borsa Italiana may modify or revoke the measures referred to in this rule at any time.
	1021.7	Borsa Italiana shall promptly inform the market intermediary concerned of the adoption of the measures.
G	1022	Market intermediaries shall notify, in the manner and within the time limits specified in the guidance sec. 140, every variation with respect to the operating conditions referred to in the information provided at the time of submission of the application for admission, according to articles 1020 and 1050.

- Sec. 140 *Guidance to the Rule:*
Notification of changes in participation requirements as well as changes resulting from corporate actions
- 140.1 **Intermediaries** admitted to trading shall notify **Borsa Italiana**, using the form and functions available via the **dedicated portal**.
- 140.2 **Intermediaries** must notify changes referred to the guidance sec. 140.1 to **Borsa Italiana** promptly or, in the case of changes in the technological framework or of corporate actions, with due notice with respect to the date on which the changes will become effective, so that **Borsa Italiana** may make the necessary verifications, carry out any technical measures required

and inform the market.

- 140.3 **Borsa Italiana** may request **intermediaries**, with a specific communication, to submit an update of the conditions referred to in articles 1010 and 1020.

1023	Market intermediaries shall observe these Rules, the accompanying guidance, the applicable Notices and any other technical and operational documents accompanying these rules and the guidance, including Service Manuals. Market intermediaries shall maintain conduct based on principles of correctness, diligence and professionalism in their relations with market counterparties, obligations towards Borsa Italiana and use of the trading systems.
------	---

Exclusion from trading upon request

1030	1030.1	Intermediaries admitted to trading on the market may request to be excluded from trading in the manner specified below with 10 days prior written notice.
	1030.2	Borsa Italiana may postpone the effective date if it considers it necessary for the protection of clients, or otherwise in the interests of the market. If Borsa Italiana does so, it may waive the Member's liability for some or all the fees and charges arising in respect of the period following the date on which his resignation notice would otherwise have taken effect.
	1030.3	Upon a Member's notification of its resignation pursuant to paragraph 1, all amounts owed by such Member to Borsa Italiana shall become immediately due and payable. The Member shall forthwith return to Borsa Italiana any software, equipment and documentation which may have been made available by Borsa Italiana .

Appeals and complaints

C	1040	Appeals and complaints shall be conducted in accordance with the procedures set out in the Compliance Procedures.
---	------	---

Notifications

	1050	Market intermediaries shall promptly notify Borsa Italiana of any circumstances of which they are aware, including technical problems with their systems, that prejudice or might prejudice their compliance with these Rules.
--	------	--

Indirect participation in settlement system

G	1100	In the case of indirect participation in the settlement system, i.e. where a market intermediary uses another intermediary to settle its contracts, the market intermediary and the other intermediary must send Borsa Italiana a declaration containing:
	1100.1	an undertaking by the intermediary participating in the settlement system to settle contracts concluded in the market by the market intermediary up to the time of withdrawal from the agreement, together with the attestation referred to in guidance sec 135.2;

- 1100.2 an authorisation for the **market intermediary** to be suspended by **Borsa Italiana**, at the request and on the responsibility of the **intermediary** participating in the settlement system, without **Borsa Italiana** being required or entitled to verify the appropriateness of such suspension or its conformity with any understandings between the **market intermediary** and the participating **intermediary**.

Compliance and enforcement

Verification activity and co-operation

1210	For the purpose of verifying compliance with these rules and the accompanying guidance and, more generally, in order to ensure the performance of its functions of organising and managing the market, Borsa Italiana may:
1210.1	request issuers and market intermediaries to provide all the necessary information and documents concerning transactions carried out on the market and the respect of information obligations;
1210.2	convoke the representatives of issuers and market intermediaries to clarify specific conduct or situations;
1210.3	exclusively for the purpose of verifying compliance with the requirements of rule 1020, carry out examinations on the premises of market intermediaries .
1210.4	Market intermediaries must guarantee that Borsa Italiana can carry out examinations on the premises of third parties entrusted with the management of technological systems under rule 1020.6.
1210.5	Where evidence is found of presumed violations of these Rules or the accompanying guidance, Borsa Italiana , after acquiring appropriate substantiating elements, decides whether, in its opinion, a violation has been or has not been objectively completed and, if so, it adopts any of the measures referred to in Article C010, after it started the procedure referred to in Article C020, when applicable.
1212	Market intermediaries shall be liable vis-à-vis Borsa Italiana for the conduct of their employees and collaborators. Conduct by traders that violates these rules shall be considered as the conduct of the intermediary on whose behalf the operators assigned to the trading activity are acting. Market intermediaries are also responsible to Borsa Italiana for compliance by their customers with the Directive 2014/65/EU and the Regulations 600/2014/EU and 596/2014, as well as the Borsa Italiana Rules.
1213	Borsa Italiana may co-operate, also by the sharing of information, with other regulated markets and Multilateral Trading Facilities .
C 1214	Where in the course of market surveillance Borsa Italiana acquires evidence suggesting that acts of insider trading or market manipulation may have been committed, it shall immediately report such evidence to Consob.

Measures against market intermediaries and issuers

C	1215	Imposition of measures shall be conducted in accordance with the procedures set out in the Compliance Procedures.
---	------	---

Charges and fees**Trading fees**

	1300	Market intermediaries are required to pay fees for the services provided in accordance with the amounts, intervals and time limits established by Borsa Italiana on the basis of transparent and non-discriminatory criteria and communicated to the clients.
--	------	---

Rules of conduct**Rules of conduct**

G	1400	Market intermediaries shall refrain from acts that may prejudice the integrity of the market. <i>Inter alia</i> they may not:
	1400.1	commit acts that are likely to give a false or misleading impression to other market participants;
	1400.2	carry out sham transactions, whose objective is not to transfer ownership of the financial instruments traded or to modify their exposure to the market;
	1400.3	commit acts that may impede appointed intermediaries in fulfilling their commitments;
	1400.4	carry out, directly or through a nominee, transactions under a prior agreement for the execution, offsetting, and reverse thereof.
	1401	Market intermediaries must put effective forms of control in place to monitor their contractual positions and avoid situations likely to hinder orderly trading and the regular settlement of contracts in the settlement service. Intermediaries must implement strategies to ensure the settlement of contracts in the terms provided.

Order entry**Transmission of orders to the ATFund market**

	1450	Market intermediaries shall be liable for all interactions with the electronic data processing and telecommunication support systems adopted by Borsa Italiana for the operation of the market, including trading orders sent to the market and those sent via Interconnections , and their effects.
--	------	---

Market intermediaries must equip themselves on a continuous basis with systems, procedures and controls to prevent the entry of orders that are anomalous in terms of quantity, countervalue or number.

Rules for confirmed orders and order entry confirmation by the **appointed intermediary** are set forth by Section 4 of the Trading Manual.

Sec. *Guidance to the Rules*

150

150.1

*For the purpose of determining the countervalue, the last **execution price** is considered.*

1451

Market intermediaries can request to use more than one code to segregate specific trading activities or to segregate different participations in the settlement system. For this purpose **market intermediaries** must take previous contact with **Borsa Italiana**.

1452

Following the procedures indicated in the guidance, intermediaries must:

- a. transmit the information needed to allow the association between the content of the orders and the information needed to identify the client and/or the person or algorithm used internally by the intermediary for the investment decision and the execution of the order;
- b. acquire the appropriate controls to ensure the correctness and completeness of the information entered in the orders and in the systems used to associate the information, according to letter a) above;
- c. provide Borsa Italiana with the information on executed contracts needed to comply with transaction reporting obligations, if such obligations pertain to the market.

Sec. *Guidance to the Rules:*

155

Transmission of orders to the market

155.1

Market intermediaries are required to fulfil the participation requirements and shall be liable for the orders sent to the market.

155.2

Market intermediaries must organise themselves in order to be able to control orders entered, including those entered via **interconnections**. To this end, attention must be paid to:

- the professional qualifications of the persons assigned to trading;
- the controls on access to systems that permit the entry of orders via **interconnections**; such controls must make it possible to ensure the fitness and recognition of the persons who operate via **interconnections** and the access controls of the order enter via **interconnections**; In the case of "**direct electronic access**", which consists of a DMA, the **market intermediary** has to implement procedures enabling it to ensure that the persons who may be guaranteed that access comply with the requirements of Article 22 of Regulation 2017/589/EU; In the event of sponsored access subject of sub-delegation, the **market intermediary** is required to segregate the different order flows of the recipients of the sub-delegation. If the

market intermediary becomes aware that a customer connected to the market through "direct electronic access" does not longer meet the above requirements, it shall suspend the access and promptly notify Borsa Italiana;

- the controls on the maximum quantities, on the maximum countervalue and prices of orders entered;
- the controls on the overall trading activity carried out by the different persons who operate via **interconnections**;
- the frequency according to which persons who operate via **interconnections** enter order which have overridden controls and systems alert in terms quantity or number.

155.3 In order to ensure the adequacy of the systems referred to in rule 1450, **market intermediaries** must equip themselves with controls and automatic alarm systems, taking into account the quantity and the countervalue of the entered orders.

155.4 In particular, **market intermediaries** must equip themselves with controls and automatic alarm systems that prevent the entry of anomalous orders, whose size, or number could affect the orderly functioning of the market. To this end **market intermediaries** shall take account of the nature of their activity. In addition the procedures and controls must be adequate to permit the correct entry of orders and the handling of any alarms.

155.5 As for **interconnections**, in addition to providing the persons who send orders via **interconnections** with appropriate professional support, **market intermediaries** shall equip themselves with controls and monitoring systems in order to:

- prevent the entry of orders that exceed the maximum variation thresholds;
- instruct such persons regarding the manner of entering orders.

155.6 **Market intermediaries** shall ensure that they can delete orders entered via **interconnections** or, if necessary, restrict the possibility to enter orders via **interconnections** with or without the prior consent of the subject who entered the order via **interconnections**.

155.7 **Intermediaries** have to report the following information to **Borsa Italiana** via the **dedicated portal**:

- client identification code;
- code used to identify the person or algorithm used internally by the intermediary responsible for the investment decision;
- code used to identify the person or algorithm that is responsible for execution of the order.

The intermediaries shall ensure that each these codes (long-code) corresponds, in the trading orders, to a single code (short code), and vice versa, for all Borsa Italiana markets.

The communication of the information indicated at sub-indents b) and c) constitute confirmation that the indicated trading algorithms have been tested in advance.

155.8 The **intermediaries** that are not subject to Regulation (EU) 2014/600 must report all the additional information that has not already been reported, so that **Borsa Italiana** may properly discharge its obligation pursuant to Article 26(5) of that Regulation, in accordance with the terms and conditions indicated in the Manual of transaction reporting of **Borsa Italiana**.

Systems and trading

Technical breakdowns of market intermediaries' systems

G	1500	Market intermediaries shall promptly inform Borsa Italiana of any technical breakdowns of the systems they use for trading or of those for accessing the market referred to in rule 1020.1 and rule 1050, including the malfunctions of the technological systems used for trading.
G	1501	In the cases referred to rule 1500 market intermediaries shall follow any instructions received from Borsa Italiana and may request, in the manner laid down in the guidance to this rule, the deletion of orders sent to the market.

Sec. *Guidance to the Rules*

160 *Technical breakdowns in **market intermediaries'** systems*

160.1 *For the purpose of article 1500, **market intermediaries** shall promptly inform **Borsa Italiana** of technical breakdowns in the technological systems they use for trading and their systems for accessing market, in particular if they intend to request the deletion of orders entered. **Market intermediaries** shall also notify **Borsa Italiana** of the subsequent reactivation of their systems.*

160.2 ***Market intermediaries** must be able to delete orders they enter. In the event that this is impossible, they may request **Borsa Italiana** to delete orders on their behalf either all the orders entered and orders associated with specific **trading codes**.*

160.3 ***Market intermediaries** shall send **Borsa Italiana**, via the **dedicated portal**, the list of persons who may request the deletion of orders. The list may include traders, the Responsible and other persons deemed by the **market intermediary** to possess adequate professional qualifications and subject to Rule 1212.*

160.4 ***Borsa Italiana** may delete orders only at the request of persons assigned to trading and included on the list referred to in the previous guidance sec 160.3. **Borsa Italiana** shall notify the names of the persons on the list only to the persons indicated in the list. Requests for the deletion of orders made by persons not included in the list will not be carried out.*

160.5 ***Market intermediaries** must notify the list referred to guidance sec 160.3 to rule and every change to the list itself, through the **dedicated portal**. Changes to the list will be effective from the effective date indicated **on** the portal. **Market intermediaries** that configure their access to the market using more than one **trading code** must send the list referred to in guidance sec 160.3 to rule for each **trading code**.*

160.6 *When requests are made for the deletion of orders, the following information must be given in addition to the **market intermediary's** name and identification code: the **trading code** for which the cancellation request has been entered the name and telephone number of the person requesting*

*the deletion, and the reason for the request. For the deletion of individual orders, it is also necessary to specify the number of the order or the name of the instrument, the sign of the order, and its price, quantity and time of entry. When the request concerns individual orders, the maximum number of orders that **Borsa Italiana** will delete is five.*

- 160.7 **Borsa Italiana** shall promptly carry out deletions of orders for which the request complies with what is set out above. If the orders in question have given rise to the conclusion of contracts, such contracts shall be binding on the **market intermediary**, without prejudice to the application of the procedures referred to in guidance sec 510 and 520.

SETTLEMENT

Settlement

4000	The day after the conclusion of contracts on the market, Borsa Italiana shall send to the daily trade-checking services, specified on the guidance to the rules, the data on the contracts in view of their settlement via the CSD specified in the guidance to the rules.
------	--

Sec. *Guidance to Rule:*
400 *Trade-checking and settlement service*

400.1 *X-TRM is the daily trade-checking service.*

400.2 *Settlement services of the financial instruments are the services managed by:*
 - Monte Titoli S.p.A.
 or other CSDs using the T2S platform allowing for cross-CSD settlement, as defined in the Monte Titoli Settlement Service Regulations.

Time of settlement

4010	Purchase and sale contracts concluded on ATFund market shall be settled on the third day following the execution date.
------	--

Late settlement

4020	Where purchase and sale contracts are not settled within the prescribed time limits and a payment of periodic amount or the maturity of the financial instrument occurs in the meantime, the procedures provided by the settlement system pursuant to the Rules apply.
------	--

Sec. *Guidance to the Rules*
402 *Start of the mandatory execution procedure*

402.1 *Pursuant to article 4020 of the Rules, in the event that purchase and sale contracts are not settled for lack of the securities by 10:00 on the third day following the prescribed settlement date, the buyer may initiate the mandatory execution (buy-in) procedure referred to in guidance sec 403 against the seller who has failed to perform. The request of initiation of the mandatory execution (buy-in) procedure shall take account of the eventual buyer protection and of the features of the financial instrument. In the event that the buyer does not request the start of the buy-in procedure, guideline Sec. 403 applies.*

402.2 *Pursuant to article 4020 of the Rules, in the event that purchase and sale contracts are not settled for lack of cash, at the prescribed settlement date, the seller may initiate the mandatory execution (sell-out) procedure referred to in Sec. 408 against the buyer who has failed to perform.*

402.3 *The calculation of the days for the buy-in and sell-out procedures shall be based on the market calendar;*

402.4 The notifications referred to in the following articles shall be made by e-mail to the address ms@euronext.com.

Sec.

403 Buy-in procedure

403.1 The buyer shall initiate the buy-in procedure by appointing an **intermediary** (the buy-in agent) to execute the buy-in and sending a buy-in notice to the seller. The buyer shall notify **Borsa Italiana** of the start of the procedure using the form made available on **Borsa Italiana**'s internet site. Buy-in notices may be sent from the end of the settlement on the third day subsequent to the original settlement day (within 18.00 hours) (if the notice is sent after such time, it shall be deemed to have been sent on the following day).

403.2 In the buy-in notice the buyer shall give the name of the buy-in agent, who, except in the case referred to in Sec. 406, shall execute the buy-in according to the time limits and in the manner established in the following guidance.

403.3 If the seller fails to settle the original transaction by the fourth day subsequent to the day on which the buy-in notice was sent (the expiration day) on the following day (the buy-in execution day) the buy-in agent shall purchase the securities to be delivered to the buyer and notify the same of the details of the transaction concluded. If the buy-in agent is unable to purchase some or all of the securities on the buy-in execution day, they may be purchased on the following days.

403.4 The buy-in must be executed on the **ATFund market**, unless provided for otherwise by **Borsa Italiana**, which shall take account of the features of the financial instrument and the ways in which it is traded.

403.5 Upon receiving the notification referred to in Sec. 403.3, the buyer, using the form made available on **Borsa Italiana**'s internet site, shall notify the seller and **Borsa Italiana** of the details of the execution of the buy-in and indicate any differential between the cum-coupon prices of the original contract and the buy-in contract, calculated with account taken of any intervening coupon detachments. If the differential is negative it shall be payable by the seller.

403.6 on the buy-in execution date **Borsa Italiana** shall request Monte Titoli to delete the settlement instructions of the original contract from the settlement system.

403.7 Upon execution of the buy-in the buyer shall send settlement instructions in favour of the buy-in agent to the settlement system for the settlement with the same value date of the quantity and value of the buy-in transaction. The buyer shall notify **Borsa Italiana** of the sending of the settlement instructions. In the case referred to in Sec. 403.4, the seller shall send the settlement system instructions in favour of the buyer for payment of the differential with the same value date as the settlement of the buy-in transaction. The seller shall notify **Borsa Italiana** accordingly.

Sec. Cash settlement procedure

404

404.1 *Whenever within 10 days calculated starting from the settlement date, of the original contract is not settled or whenever the buy-in agent is unable to purchase the securities by such time limits, the seller must pay the buyer an amount equal to the differential, if positive, between the valuation of the financial instruments on the end-of-validity day and the original value of the contract (cash settlement).*

Sec.

405 Buy-in agent

405.2 *Pursuant to Sec. 403.1, the buyer shall appoint an intermediary to purchase the securities (the buy-in agent) chosen among the intermediaries admitted to trading on the markets managed by **Borsa Italiana**.*

405.2 *The buyer may revoke the appointment of a buy-in agent who fails to execute the buy-in and appoint another. The buyer shall give the seller and **Borsa Italiana** at least one day's notice of the revocation and of the appointment of another buy-in agent.*

Sec

406 Delivery of the securities during the buy-in procedure

406.1 *The seller may settle the original contract by delivering the securities due up to the fourth day subsequent to the day on which the buy-in notice was sent and shall inform **Borsa Italiana** and the buyer accordingly. The buyer shall inform the buy-in agent.*

406.2 *In the case referred to in Sec. 406.1, the buy-in procedure shall be immediately cancelled.*

Sec

407 Pass on

407.1 *Upon receiving a buy-in notice, a seller who has not settled a contract concluded for own account within the prescribed settlement time limits because another participant on the **ATFund market** has failed to settle may transfer the effects of the buy-in procedure to such participant by notifying the latter and **Borsa Italiana** using the attached form referred to in Sec. 403.1 and filling in the pass-in as well.*

407.2 *The seller shall notify the other participant and **Borsa Italiana** of the details of the execution of the buy-in, using the attached form referred to in Sec. 403.5, and filling in the pass-on section as well. The seller shall also indicate any price differential between the prices of the original contract and the buy-in contract, calculated with account taken of any intervening proceeds detachments. If the differential is negative, it shall be payable by the other participant and in the cases in which the buy-in agent is unable to purchase the securities by the end-of-validity date of the original contract, the other participant is required to make the cash settlement referred to in Sec. 403.*

Sec.

408 Sell-out procedure

- 408.1 The seller shall initiate the sell-out procedure by appointing an intermediary (the sell-out agent) to execute the sell out and sending a sell-out notice to the buyer. The seller shall notify **Borsa Italiana** of the start of the procedure using the form made available on **Borsa Italiana**'s internet site.
- 408.2 Sell out-notices may be sent from the end of the original settlement day (by 18:00; if the notice is sent after such time, it shall be deemed to have been sent on the following day).
- 408.3 If the buyer fails to settle the original transaction by 10.00 o'clock on the day subsequent to the day on which the sell-out notice was sent (the sell-out execution day), the sell-out agent shall sell the securities in order to deliver the cash amount to the seller and notify the same of the details of the transaction concluded. If the sell-out agent is unable to sell some or all of the securities on the sell-out execution day, they may be sold on the following days.
- 408.4 In the sell-out notice the seller shall give the name of the sell-out agent, who, except in the case referred to in Sec. 410, shall execute the sell-out according to the time limits and in the manner established in the following guidance.
- 408.5 The sell-out must be executed on the **ATFund market**, unless provided for otherwise by **Borsa Italiana**, which shall take account of the features of the financial instrument and the ways in which it is traded.
- 408.6 Upon receiving the notification referred to in Sec. 408.2 and Sec. 408.3, the seller, using the form made available on **Borsa Italiana**'s internet site, shall notify the buyer and **Borsa Italiana** of the details of the execution of the sell-out and indicate any differential between the cum-coupon prices of the original contract and the sell-out contract. If the of the contract for execution of the sell-out is lower than the price of the original contract, the differential shall be payable by the buyer.
- 408.7 At the sell-out execution date **Borsa Italiana** shall request Monte Titoli S.p.A. to delete the settlement instructions of the original contracts from the settlement system.
- 408.8 Upon execution of the sell out the seller shall send the settlement instructions in favour of the sell-out agent to the settlement system for the settlement with the same value date of the quantity and the value in euro of the sell-out transaction. The seller shall notify **Borsa Italiana** of the sending of the settlement instructions. In the case referred to in the guidance 408.4, the buyer shall send the settlement system instructions in favour of the seller for payment of the differential with the same value date as the settlement of the sell-out transaction. The buyer shall notify **Borsa Italiana** accordingly.
- Sec. Sell out agent
409
- 409.1 Pursuant to Sec. 408.1, the seller shall appoint an intermediary to sell the securities (the sell-out agent) chosen among the intermediaries admitted to trading on the market managed by **Borsa Italiana**.
- 409.2 The seller may revoke the appointment of a sell-out agent who fails to

*execute the sell out and appoint another. The seller shall give **Borsa Italiana**, at least one day's notice of the revocation and of the appointment of another sell-out agent.*

Sec.

410 *Delivery of cash during the sell-out procedure*

410.1 *The buyer may settle the original contracts by delivering the cash due up to 10.00 o'clock on the day subsequent to the date on which the sell-out notice was sent and inform **Borsa Italiana** and the seller accordingly. The latter shall inform the sell-out agent accordingly. In such case the sell-out procedure shall be immediately cancelled.*

Sec. *Guidance to the Rules*

411 *Management procedure for failed transactions in case of corporate actions*

411.1 *Where purchase and sale contracts are not settled within the prescribed time limits and other corporate actions occur in the meantime, the discipline provided for by the settlement system referred to in article 4000 applies.*

411.2 *In cases of corporate events which provides for the in bonis buyer the possibility to notify an intention, the buyer may request the in malis seller the exercise of the option derived from the corporate action on the purchased instrument (so called buyer protection), notifying it to the market.*

411.3 *For the purpose of buyer protection request, the form available in the website of the settlement system shall be used. Also, the counterparties, directly or through the intermediaries that settle respectively on their behalf, shall insert in the settlement system the settlement instruction on the resulting and possibly cancel the original settlement instruction.*

SURVEILLANCE

Controls and measures concerning trading

5000	Borsa Italiana shall control the regularity of trading, verify the compliance with these rules and the accompanying guidance and adopt all the measures necessary for the proper operation of the market. These functions shall be performed by the competent office, which shall be exclusively equipped with the means needed to carry out the related controls and interventions. These rules shall be conducted in accordance with the procedures set out in rule 1210.
------	--

5001	In carrying out its supervisory functions, with the aim of ensuring orderly trading, Borsa Italiana shall, <i>inter alia</i> :
5001.1	monitor the behaviour of market intermediaries in the market, and compliance with the obligations of the appointed intermediary ;
5001.2	apply to issuers and to market intermediaries for information deemed necessary in relation to particular market conditions in accordance with rules 1210 and 5010;
5001.3	verify the updating of records, including any matters necessary to ensure orderly trading;
5001.4	monitor the operation of the technical equipment and transmission networks of the electronic data processing and telecommunication systems;
5001.5	regulate trading conditions;
5001.6	promptly inform the market of the measures it adopts that affect trading in the market or the performance of financial instruments ;
5001.7	promptly suspend the intermediary at the request of the intermediary participating in the settlement service referred to in rule 1100 and immediately inform Consob.

Measures concerning trading parameters, hours and phases

5010	In particular market conditions, Borsa Italiana may, with reference to categories of open-end CIUs or individual open-end CIUs :
5010.1	prolong the duration or delay the start of one or more phases of trading;
5010.2	suspend or reactivate trading.

5011	Borsa Italiana may adopt the measures referred to in the rule 5010:
5011.1	where anomalous trading conditions are observed for financial instruments in terms of quantities;

5011.2	where it is necessary to obtain information on particular market situations concerning the financial instruments ;
5011.3	where there are technical reasons or other circumstances that do not guarantee the regular operation of the market;
5011.4	where detailed complaints are submitted by market intermediaries that consider they have been damaged by irregular behaviour on the part of other market intermediaries .

5012	In adopting the measures referred to in rule 5010, Borsa Italiana shall take account:
5012.1	of the volumes of the financial instruments traded recorded in the last three months, as well as their variations;
5012.2	of the liquidity of the instrument and the significance of the trading;
5012.3	of the dissemination or lack of dissemination of information available to the market

5013	Borsa Italiana may cancel orders that hinder orderly trading where the intermediary that entered them, when requested by Borsa Italiana , is unable to confirm, modify or cancel them in a reasonably short time.
------	--

Handling of input errors

G	5020	Borsa Italiana may order or effect:
	5020.1	the cancellation of contracts concluded in the market upon receipt of a joint explained request from the market intermediaries concerned;

	5021	Borsa Italiana shall give prompt notice to the intermediaries concerned of the operation of the procedure for handling errors and the measures adopted. Where these are affecting contracts that have been concluded, Borsa Italiana shall inform the market and provide the counterparties concerned, at their request, with the documentation relative to the corrections or cancellations effected.
--	------	--

G	5022	For carrying out the error handling procedure referred, Borsa Italiana shall charge the intermediary that made the mistake a fee proportional to the scale of its intervention, in accordance with the what is established in the guidance sec 520.
---	------	---

Sec.
504

Guidance to the Rule:
General principles

504.1

*A **market intermediary** that makes a mistake in entering orders in the market shall promptly inform **Borsa Italiana**, giving the details of any resulting transactions and specifying whether it intends to request activation of the error handling procedure.*

- 504.2 Such reports, requests for the handling of mistakes by those that made them and the related counterparty authorisations, may be sent, after contacting **Borsa Italiana**'s supervision office by telephone, by sending a written request to the following e-mail address: ms@euronext.com; Requests for the handling of errors must contain the details of the transactions.
- 504.3 **Borsa Italiana** shall promptly notify the details of the financial instruments for which the error handling procedure has been requested and activated to the counterparties involved or the entire market in the manner deemed most appropriate.
- 504.4 The cost of contacting the counterparties in connection with the adoption of corrective measures shall normally be borne by the **market intermediary** that made the mistake. If the identities of the counterparties are not known to market participants, the **intermediary** that made the mistake shall contact **Borsa Italiana**.
- 504.5 The manner of determining the fees for the error handling procedure referred to in rule 5022 is specified in guidance sec 520.
- Sec.
510
510.1 Ordinary procedure
- The ordinary procedure may be activated where the following conditions are met:
- a) the error handling request is submitted to **Borsa Italiana** as promptly as possible;
 - b) the transactions to which the request refers derive from an evident mistake.
- 510.2 **Borsa Italiana** shall promptly inform the applicant where the request for activation of the ordinary procedure is refused, giving the reasons for the refusal.
- 510.3 The corrective measures may be adopted, as far as it is concerned, by the parties or by **Borsa Italiana** subject to the agreement of the parties.
- Sec.
520 Determination of the fee for handling errors
- 520.1 **Borsa Italiana** shall use the following formula to determine the fee referred to rule 5022:
- $$C = 50 \times N_{cp} + 10 \times N_{ct}$$
- where:
- C = the fee in euro;
 - N_{cp} = the number of counterparties involved in the contracts affected by the procedure;
 - N_{ct} = the number of contracts considered in the calculation, set equal to 0 where the number of contracts affected by the procedure is less than or equal to 50 and to the number in excess of 50 where the number of contracts affected by the procedure is more than 50.
- 520.1 The fee may not be less than 250 euro or more than 2,500 euro.

Handling of technical breakdowns

G	5040	<i>Inter alia</i> with the aim of ensuring equal access to the market by market intermediaries in conditions of adequate transparency, Borsa Italiana :
	5040.1	shall establish in the guidance the procedures for handling technical breakdowns of electronic data processing equipment and transmission networks, and lay down objective criteria for carrying out the procedures, determining the downtime, the time at which trading is to start again and any extension of trading hours;
	5040.2	may order the temporary suspension of trading where technical breakdowns affect a significant number of market intermediaries ;
	5040.3	shall inform the market of the measures adopted in accordance with this rule where they impinge on market intermediaries' operations or the trading of financial instruments .

Sec. *Guidance to Rule:*
560 *Handling of technical breakdowns*

560.1 *In monitoring the operation of the technical equipment and transmission networks of the electronic data processing and telecommunication systems referred to in rule 5001.5, **Borsa Italiana** shall continuously verify:*

- a) ***market intermediaries'** operational and informational links to the market;*
- b) *the working of the electronic data processing equipment and telecommunication networks for the provision of trading support services, the dissemination of information and the daily checking and correction of contracts;*
- c) *the regular operation of the different market phases in accordance with the procedures and timetables prescribed.*

560.2 *Where the controls reveal anomalies involving a significant number of **market intermediaries**, **Borsa Italiana** may adopt one of the following measures for an individual **financial instrument**:*

- a) *prolong or postpone one or more market phases;*
- b) *suspend one or more market phases;*
- c) *prolong the session;*
- d) *close the session early.*

560.3 ***Borsa Italiana** shall also assess the significance of the number of **market intermediaries** affected by technical breakdowns referred to in rule 5040.2 in relation to:*

- a) *the nature of the breakdowns and the operational limitations (access or information) observed;*
- b) *the procedures for connecting the **market intermediaries** affected to the market;*
- c) *the fact that the breakdowns concerned all or part of the technical resources available to **market intermediaries**;*
- d) *the market share of the **market intermediaries** affected.*

560.4 *The duration of the suspensions and postponements referred to in guidance sec 560.2 shall be fixed in a transparent manner and in a way*

*that allows a significant number of **market intermediaries** to assess their contractual positions and re-establish regular connections with the market.*

560.5

Trading may be restarted:

- a) with a phase which permits **market intermediaries** to annul unexecuted orders they had entered in the market before the suspension.*
- b) with the trading procedure referred to in article 2000;*

COMPLIANCE PROCEDURES

Measures against market intermediaries and issuers

C010	Without prejudice to rule 1021, where there is a violation of these rules or the accompanying guidance, including the case of issuers or market intermediaries hindering the verification activity referred to in rule 1210, Borsa Italiana may apply one or more of the following measures against the issuers or the market intermediaries in question:
C010.1	a written warning to observe the Rules and accompanying guidance;
C010.2	a written censure;
C010.3	a fine of between 5,000 and 500.000 euros;
C010.4	suspension from trading in the market;
C010.5	exclusion from trading in the market.
C011	The measures provided for in the rules, C010.4 and C010.5 may be made public as described in Rule C040. Measures provided in the previous rules C010.1, C010.2 and C010.3 may be made public as described in rule C040, where Borsa Italiana is of the opinion that this is deemed necessary and appropriate for the purpose of market protection. Borsa Italiana may disclose to the public the measure and the description of the violation without specifying the identity of the perpetrator, when this is deemed sufficient in order to ensure market protection. The measure referred to in rule C010.1 could be disclosed only without the name of the intermediary to which such measure applies.
C012	In order to adopt the measures referred to in the rule C010, Borsa Italiana shall take the following criteria into account:
C012.1	the actual and potential impact on the market and the external importance of the violation and the impact on the issuer's economic and financial situation;
C012.2	the size, duration and nature of the violation;
C012.3	how Borsa Italiana became aware of the violation;
C012.4	the benefits accrued by the issuer or market intermediary from the violation;
C012.5	The issuer's or market intermediary's reaction to Borsa Italiana's requests and its actual and previous behavior;
C012.6	magnitude of fraud and negligence;
C012.7	functioning of system used for internal control and prevention of violations;

- | | |
|---------|--|
| C012.8 | numbers and magnitude of violations previously committed by the same issuer or market intermediary ; |
| C012.9 | size of the issuer or market intermediary and of the group it belongs to; |
| C012.10 | the cases in which various provisions are breached or the same provision is breached more than once. |

C013	Where a measure of suspension or exclusion from trading is adopted, from the time such measure takes effect the market intermediary to which it is applied shall only be permitted, under the surveillance of Borsa Italiana , to close out any positions still open and carry out any related transactions that are necessary to protect customers' interests.
------	---

C014	The use to which fines are put shall be established on a general basis by Borsa Italiana in an ad hoc measure communicated to Consob and published in a Notice .
------	---

Procedure for verifying violations

C020	In order to apply the measures referred to in rule C010, the procedure described in this rule shall be initiated within one year of the presumed violation or of the later date on which Borsa Italiana learned of the presumed violation. In the latter case the procedure described in this rule may not be initiated after three years have elapsed from the date of the presumed violation.
------	--

C021	For the purpose of applying the measure referred to in rule C010.2, C010.3, C010.4 and C010.5, Borsa Italiana sends the issuer or the market intermediary concerned a notification:
------	--

C021.1	containing a description of the alleged violation
--------	---

C021.2	setting a time limit of not less than 15 days within which a written brief may be submitted and possibly a request for a hearing in which to examine the question jointly.
--------	--

C022	The notification referred to in rule C021 may indicate the measure Borsa Italiana intends to apply. In such case, if the time limit referred to in rule C021.2 expires without the issuer or the market intermediary having submitted a written brief or requested a hearing, Borsa Italiana shall apply the measure indicated in the notification.
------	---

C023	If the issuer or the market intermediary requests a hearing in which to examine the question jointly or if Borsa Italiana considers such a hearing to be necessary, Borsa Italiana shall establish the date for the hearing and inform the issuer or the market intermediary accordingly. The issuer or the market intermediary shall be represented in the meeting either by its legal representative or by a person appointed for the purpose, being allowed to be assisted by a lawyer of its choice. If the market intermediary fails to attend the hearing without due cause, Borsa Italiana shall proceed on the basis of the evidence collected up to that time. At the end of the hearing, at the request of the interested party, Borsa Italiana may set a new time
------	---

	limit of not less than 10 days for the submission of another written brief.
C024	On the basis of the evidence collected as part of the procedure, Borsa Italiana shall decide within 45 days of the hearing or the subsequent expiry of the time limit for the submission of another written brief as provided for rule C023, or if no such hearing is requested or scheduled by Borsa Italiana , within 45 days of the expiry of the time limit set pursuant rule C021.2.
C025	Decisions adopted pursuant to the preceding rule C024 shall be promptly notified to the interested party giving the reasons for the decision.
