## **ENEL GREEN POWER TO LIST ON BORSA ITALIANA'S MTA MARKET**

Enel Green Power (EGPW), controlled by Enel and worldwide leader in renewable energy production, listed today on Borsa Italiana's MTA market.

Enel Green Power, with 2.6 bil Euro raised, is the biggest IPO in Europe (UK included) since 2008.

With a share price of 1.6 euro, the capitalization of the company reaches around 8 bil euro.

Raffaele Jerusalmi, CEO of Borsa Italiana, commented: "This IPO confirms that Borsa Italiana is able to ensure the success of a listing even with big dimensions, offering issuers, banks and investors the best conditions of visibility, liquidity and transparency. It's important to underline the high presence of retail investors, a relevant feature of our markets, both primary and secondary."
