

## **ELITE: Iacobucci HF Electronics and Alessandro Rosso Group debut on ExtraMOT PRO**

---

Iacobucci HF Electronics and Alessandro Rosso Group are the first ELITE companies to issue bonds on ExtraMOT PRO.

Iacobucci HF Electronics, a global leader in the production of components for galleys and seats for the commercial and general aviation market, issued bonds for a value of €3,750,000. Integrae Sim is the entity responsible for the coordination and placement of the bond. The bond provides semi-annual coupon payments at an annual rate of 8%, with the possibility of early repayment.

Alessandro Rosso Group, is a market leader in the travel market, offering a diversified range of products and services ranging from team building events to incentive travel and conventions. The bonds, issued for a value of €4,000,000, expire in December 2018 and will pay a semi-annual coupon at an annual rate of 10%. It includes an option for early redemption at the initiative of the issuer or bondholders.

**Pietro Poletto, Head of Fixed Income Markets of LSEG, commented:**

"We are delighted to welcome Iacobucci HF Electronics and Alessandro Rosso Group on ExtraMOT PRO, the first ELITE companies to use the capital markets to issue a debt instrument, a path that we believe and hope will be followed by other excellent Italian companies. Borsa Italiana is committed to supporting Italian companies in their access to the capital markets".
