- *The company raised about €63,2 million at IPO*
- *18th debut on Borsa Italiana in 2015*

Today Bologna airport G. Marconi debuts on the STAR segment of MTA, the main market of Borsa Italiana.

Bologna airport is the seventh in Italy by number of passengers and the fourth in terms of global connectivity.

Bologna airport G. Marconi raised about €63,2 million at IPO (excluding the greenshoe option), with a market capitalisation of about €162,4 million.

Intermonte is the sponsor and Banca IMI is responsible for the placement and global coordinator of the offering.

**Luca Peyrano, Head of Primary Markets at Borsa Italiana, said:**

“We are very pleased to welcome Bologna airport, which is the 70th company on the STAR segment of Borsa Italiana. Since they are committed to respect precise excellency requirements, STAR companies are particularly appreciated by international investors, a fundamental asset for the infrastructure industry.

Infrastructures are pivotal to our country’s economy. Historically, companies operating in this sector has often looked to debt instruments to finance their
