

## A new debut on AIM Italia: BioDue

---

- *The company produces and commercialises medical devices, dermo-cosmetic products and nutrition supplements*
- *€4 million raised at IPO*

Today Borsa Italiana welcomes BioDue on AIM Italia, the market dedicated to small and medium enterprises. BioDue is a company from Tuscany which produces and commercialises medical devices, dermo-cosmetic products and nutrition supplements.

BioDue raised €4 million at IPO. At the moment of admission the free-float is 10,1% with a market capitalisation of about €40 million. Baldi & Partners S.r.l. acts as Nomad of the operation.

After the admission of BioDue AIM Italia includes 66 companies with a capitalisation of more than €2 billion.

**Barbara Lunghi, Head of the market of Borsa Italiana dedicated to SMEs, commented:**

“AIM Italia is confirming its role as one of the most attractive financial tools for small and medium enterprises that are willing to grow. We are confident that thanks to its listing on AIM Italia BioDue will be able to raise capital and realise its plans of development”.

Tomorrow BioDue will become a constituent of FTSE AIM Italia.
