Annex III

Special conditions

For the purpose of paragraphs 18 and 45(iii) of these Final Terms, the exercise of each Series of Warrants is automatic on the Maturity Date. Any Cash Settlement Amount shall be credited, within five Business Days following the Valuation Date, through the Calculation Agent, to the account of the relevant intermediary in Monte Titoli.

The Calculation Agent and the Issuer shall not apply any charge for the automatic exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the automatic exercise of the Warrants are in charge of the Holder.

(A) Renouncement Right

The Holder has the right to renounce to the exercise of the relevant Warrants held by it (subject as set out below). In this case a duly completed renouncement notice (a **Renouncement Notice**) must be delivered by facsimile to the Calculation Agent prior to 10.00 a.m. Milan time on the Maturity Date (with respect to Warrants linked to Shares specified in Annex I – Table A) or on the first Business Day following the Maturity Date (with respect to Warrants linked to Shares specified in Annex I – Table B), at the facsimile number set out in the form of Renouncement Notice attached as Annex IV to these Final Terms.

The Holder must deliver the completed Renouncement Notice to his/her intermediary who will be in charge of sending it by facsimile to the Calculation Agent.

The Calculation Agent and the Issuer shall not apply any charge for the renouncement to the exercise of the Warrants.

Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the renouncement of any Warrants duties are in charge of the Holder.

In the event that a Holder does not perform its obligations and so deliver, where applicable, a duly completed Renouncement Notice in accordance with the provisions hereof, such Warrants shall be exercised automatically and shall be repaid in the manner set out herein, and the Issuer's obligations in respect of such Warrants shall be discharged and no further liability in respect thereof shall attach to the Issuer.

The number of Warrants specified in the Renouncement Notice must be a multiple of a Unit, otherwise such number of Warrants so specified shall be rounded down to the preceding multiple of Units and the Renouncement Notice shall not be considered valid in respect of the Warrants exceeding such rounded number of Warrants.

The minimum number of Warrants specified in the Renouncement Notice must be equal to one Unit, otherwise the Renouncement Notice shall not be considered valid.

The Calculation Agent will, in its sole and absolute discretion, determine whether the above conditions are satisfactorily met and its determination will be final, conclusive and binding on the Issuer and on the Holders.

The Renouncement Notice is irrevocable.

(B) Exercise Right

The Holder also has the right to exercise the relevant Warrants prior to the Maturity Date. In this case a duly completed voluntary exercise notice (a **Voluntary Exercise Notice**) must be delivered by facsimile to the Calculation Agent prior to 10.00 a.m. Milan time on any Exercise Business Day during the Exercise Period (the **Effective Exercise Date**) at the facsimile number set out in the form of Voluntary Exercise Notice attached as Annex V to these Final Terms. The Holder must deliver the completed Voluntary Exercise Notice to its intermediary who will be in charge of transmitting such notice it by facsimile to the Calculation Agent.

If the Voluntary Exercise Notice is delivered after 10.00 a.m. on any Exercise Business Day during the Exercise Period, such Voluntary Exercise Notice will be deemed to have been delivered on the next Exercise Business Day, which Exercise Business Day shall be deemed to be the Effective Exercise Date.

The Warrants specified in the Voluntary Exercise Notice shall be deemed to be validly exercised on the Effective Exercise Date only if, prior to 17.00 p.m. Milan Time of that Effective Exercise Date:

- (b) the intermediary has transmitted to the Calculation Agent a confirmation from Monte Titoli declaring that the Warrants specified in the Voluntary Exercise Notice have been transferred to the account of 2S Banca, being account nr. 63307 held with Monte Titoli.

In the event that a Holder does not perform its obligations and so deliver, where applicable, a duly completed Voluntary Exercise Notice in accordance with the provisions hereof, the Voluntary Exercise Notice shall be null and void and the Warrants shall be deemed to be automatically exercised at the Maturity Date (unless previously validly exercised).

If such Voluntary Exercise Notice is subsequently corrected to the satisfaction of the Calculation Agent, it shall be deemed to be a new Voluntary Exercise Notice submitted at the same time such corrected notice is delivered to the Calculation Agent.

Subject as set out above, delivery of a Voluntary Exercise Notice shall constitute an irrevocable election by the relevant Holder to exercise the Warrants specified.

The Calculation Agent and the Issuer shall not apply any charge for the voluntary exercise of the Warrants.

Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising in connection with the voluntary exercise of any Warrants duties are in charge of the Holder.

The number of Warrants specified in the Voluntary Exercise Notice must be a multiple of a Unit, otherwise such number of Warrants so specified shall be rounded down to the preceding multiple of Units and the Voluntary Exercise Notice shall not be considered valid in respect of the Warrants exceeding such rounded number of Warrants.

2.2 Product information

The NASDAQ-100 Index includes 100 of the largest domestic and international non-financial securities listed on The NASDAQ Stock Market based on market capitalization. The Index reflects companies across major industry groups including computer hardware and software, telecommunications, retail/wholesale trade and biotechnology. It does not contain securities of financial companies including investment companies.

Launched in January 1985, the NASDAQ-100 Index represents the largest non-financial domestic and international securities listed on The NASDAQ Stock Market based on market capitalization. The NASDAQ-100 Index is calculated under a modified capitalization-weighted methodology. The methodology is expected to retain in general the economic attributes of capitalization-weighting while providing enhanced diversification. To accomplish this, NASDAQ will review the composition of the NASDAQ-100 Index on a quarterly basis and adjust the weightings of Index components using a proprietary algorithm, if certain pre-established weight distribution requirements are not met.

3.2 Product Information

The Nikkei Stock Average is Japan's most widely watched index of stock market activity and has been calculated continuously since September 7, 1950.

The current calculation method, called the Dow Jones method, has been used since 1950. The 225 components of the Nikkei Stock Average are among the most actively traded issues on the first section of the TSE. The index reflects the ex-rights-adjusted average stock price.

Since the Nikkei Stock Average is expected to represent the performance of stocks on the first section - and by extension the market in general - the mix of components has been rebalanced from time to time to assure that all issues in the index are both highly liquid and representative of Japan's industrial structure.

3.3 Price dissemination

The Index is calculated by Nihon Keizai Shimbun Inc. on any Business Day and the values are published on the Nihon Keizai Shimbun website (www.nni.nikkei.co.jp), on the main info-provider systems such as Reuters (at the page: N225), on the most accredited financial newspapers (IISole24Ore, MF) and on the Calculation Agent website www.tradinglab.com and may be requested on any Business Day by calling: 800.01.11.22 (call free).

Historical prices and volatility of the Index will be available on the website www.tradinglab.com in connection with each Security issued under these Final Terms.

Annex III

Special conditions

For the purpose of paragraphs 18 and 45(iii) of these Final Terms, the exercise of each Series of Warrants is automatic on the Maturity Date. Any Cash Settlement Amount shall be credited, within five Business Days following the Valuation Date, through the Calculation Agent, to the account of the relevant intermediary in Monte Titoli.

The Calculation Agent and the Issuer shall not apply any charge for the automatic exercise of the Warrants. Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the automatic exercise of the Warrants are in charge of the Holder.

(A) Renouncement Right

The Holder has the right to renounce to the exercise of the relevant Warrants held by it (subject as set out below). In this case a duly completed renouncement notice (a **Renouncement Notice**) must be delivered by facsimile to the Calculation Agent prior to 10.00 a.m. Milan time on the Maturity Date (with respect to Warrants on S&P/MIB Index) or on the first Business Day following the Maturity Date (with respect to Warrants on NASDAQ100 Index or NIKKEI225 Index), at the facsimile number set out in the form of Renouncement Notice attached as Annex IV to these Final Terms.

The Holder must deliver the completed Renouncement Notice to his/her intermediary who will be in charge of sending it by facsimile to the Calculation Agent.

The Calculation Agent and the Issuer shall not apply any charge for the renouncement to the exercise of the Warrants.

Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties which may arise in connection with the renouncement of any Warrants duties are in charge of the Holder.

In the event that a Holder does not perform its obligations and so deliver, where applicable, a duly completed Renouncement Notice in accordance with the provisions hereof, such Warrants shall be exercised automatically and shall be repaid in the manner set out herein, and the Issuer's obligations in respect of such Warrants shall be discharged and no further liability in respect thereof shall attach to the Issuer.

The number of Warrants specified in the Renouncement Notice must be a multiple of a Unit, otherwise such number of Warrants so specified shall be rounded down to the preceding multiple of Units and the Renouncement Notice shall not be considered valid in respect of the Warrants exceeding such rounded number of Warrants.

The minimum number of Warrants specified in the Renouncement Notice must be equal to one Unit, otherwise the Renouncement Notice shall not be considered valid.

The Calculation Agent will, in its sole and absolute discretion, determine whether the above conditions are satisfactorily met and its determination will be final, conclusive and binding on the Issuer and on the Holders.

The Renouncement Notice is irrevocable.

(B) Exercise Right

The Holder also has the right to exercise the relevant Warrants prior to the Maturity Date. In this case a duly completed voluntary exercise notice (a **Voluntary Exercise Notice**) must be delivered by facsimile to the Calculation Agent prior to 10.00 a.m. Milan time on any Exercise Business Day during the Exercise Period (the **Effective Exercise Date**) at the facsimile number set out in the form of Voluntary Exercise Notice attached as Annex V to these Final Terms. The Holder must deliver the completed Voluntary Exercise Notice to its intermediary who will be in charge of transmitting such notice it by facsimile to the Calculation Agent.

If the Voluntary Exercise Notice is delivered after 10.00 a.m. on any Exercise Business Day during the Exercise Period, such Voluntary Exercise Notice will be deemed to have been delivered on the next Exercise Business Day, which Exercise Business Day shall be deemed to be the Effective Exercise Date.

The Warrants specified in the Voluntary Exercise Notice shall be deemed to be validly exercised on the Effective Exercise Date only if, prior to 17.00 p.m. Milan Time of that Effective Exercise Date:

- (b) the intermediary has transmitted to the Calculation Agent a confirmation from Monte Titoli declaring that the Warrants specified in the Voluntary Exercise Notice have been transferred to the account of 2S Banca, being account nr. 63307 held with Monte Titoli.

In the event that a Holder does not perform its obligations and so deliver, where applicable, a duly completed Voluntary Exercise Notice in accordance with the provisions hereof, the Voluntary Exercise Notice shall be null and void and the Warrants shall be deemed to be automatically exercised at the Maturity Date (unless previously validly exercised).

If such Voluntary Exercise Notice is subsequently corrected to the satisfaction of the Calculation Agent, it shall be deemed to be a new Voluntary Exercise Notice submitted at the same time such corrected notice is delivered to the Calculation Agent.

Subject as set out above, delivery of a Voluntary Exercise Notice shall constitute an irrevocable election by the relevant Holder to exercise the Warrants specified.

The Calculation Agent and the Issuer shall not apply any charge for the voluntary exercise of the Warrants.

Other taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising in connection with the voluntary exercise of any Warrants duties are in charge of the Holder.

The number of Warrants specified in the Voluntary Exercise Notice must be a multiple of a Unit, otherwise such number of Warrants so specified shall be rounded down to the preceding multiple of Units and the Voluntary Exercise Notice shall not be considered valid in respect of the Warrants exceeding such rounded number of Warrants.

Non verrà emesso alcun Warrant o Certificates in forma materializzata.

Rimborso:	Le Condizioni definitive applicabili specificheranno le condizioni di rimborso e di liquidazione dei Titoli.
Status dei Titoli:	I Titoli costituiranno obbligazioni dirette, non subordinate e non garantite dagli Emittenti.

Si veda anche "Fattori di Rischio – <i>Direttiva UE sul Risparmio</i> " e " <i>Regime fiscale</i> " di seguito.
Quotazione:	È stata avanzata al CSSF la richiesta di approvazione del presente documento sotto forma di due prospetti base. È stata altresì inoltrata richiesta alla Borsa valori di Lussemburgo perché i titoli rientranti nel Programma siano ammessi alla negoziazione sul mercato regolamentato della Borsa valori di Lussemburgo e ivi quotati. I Titoli possono anche essere quotati o ammessi alla negoziazione, a seconda del caso, su altre o anche su altre borse valori o mercati o possono non essere quotati.
Restrizioni alla Vendita:	Esistono restrizioni all'offerta, alla vendita e al trasferimento di Titoli. Si veda a tal proposito la sezione " <i>Offerta e Vendita</i> ".
Legge che governa i Titoli:	I Titoli sono governati dalla Legge italiana e dalla Legge inglese come specificato nelle Condizioni definitive applicabili.
Fattori di Rischio:	Esistono alcuni fattori che potrebbero incidere sulla capacità da parte dell'Emittente di adempiere ai propri obblighi in relazione ai Titoli oggetto del programma. Il 12 giugno 2005, UniCredito e HVB (come qui di seguito definito) hanno deciso di concludere un accordo di fusione nel quale si delineavano i termini di tale operazione che interessava HVB e il Gruppo. Qualora venisse attuata, tale fusione potrebbe avere ripercussioni negative sulle attività del Gruppo ed i relativi risultati. Tali ripercussioni negative potrebbero dipendere da: (i) la capacità di UniCredito di prevedere le proprie esigenze di capitale nonché di

soddisfare i propri obblighi di capitale e stimare i coefficienti Tier I e di capitale totale che dipendono da una serie di supposizioni (tra le quali il numero e il collocamento delle azioni proposte sul mercato in base alle offerte, le negoziazioni e le condizioni di mercato relative alle transazioni di raccolta dei capitali previste da UniCredito allo scopo di finanziare le offerte) che possono non rivelarsi corrette e le divergenze rispetto a tali supposizioni potrebbero portare a risultati di capitale che si discostano sensibilmente dalle attese di UniCredito; e da (ii) il fatto che la proposta acquisizione di HVB richiede l'integrazione e l'unione di management, strategie, procedure, prodotti e servizi, basi clienti e reti di distribuzione diversi allo scopo di delineare una struttura aziendale e di attività del gruppo di recente ampliamento e non si può avere la garanzia che il Gruppo sia in grado di assimilare la struttura, il management e la base clienti di HVB.

Inoltre, durante il 2004 e i primi sei mesi del 2005, UniCredito ha concluso o negoziato numerosi accordi di acquisizione, ivi comprese importanti acquisizioni in Italia e nei paesi dell'Europa allargata e l'integrazione di tali acquisizioni presenta ed implica per il futuro sfide di integrazione, in particolare laddove i sistemi contabili e di informazione sulla gestione differiscono sensibilmente da quelli utilizzati altrove nel Gruppo. Sono significativi anche i rischi connessi alla conduzione di attività nell'Europa allargata: la natura di tali rischi differisce notevolmente da un paese all'altro, ma in generale si tratta di condizioni economiche, di scambio e di mercati borsistici egualmente caratterizzati da volatilità così come, in molti casi, di infrastrutture politiche, finanziarie e giuridiche meno sviluppate.

I risultati del Gruppo sono influenzati dalle condizioni economiche, finanziarie e commerciali generali. Durante i periodi di recessione, può verificarsi una riduzione della richiesta di prodotti di finanziamento e un maggior numero di clienti del Gruppo potrebbe non riuscire ad adempiere ai propri impegni correlati al finanziamento o ad obblighi di altra natura. Gli aumenti dei tassi di interesse potrebbero altresì influenzare la richiesta di mutui e di altri prodotti di finanziamento. Anche le fluttuazioni dei tassi di interesse in Europa e su altri mercati in cui il Gruppo opera ne influenza la performance.

Ai sensi del Regolamento dell'Unione Europea CE 1606/2002, tutte le società quotate in borsa all'interno dell'Unione Europea, compresa UniCredito, sono tenute a redigere i propri bilanci in conformità ai principi IFRS (come di seguito definito), a partire dall'esercizio che si conclude il 31 dicembre 2005. UniCredito non può escludere l'eventualità che il passaggio agli IFRS possa avere un impatto notevole su determinate voci di bilancio e rendere estremamente difficile procedere ad un confronto con il bilancio attuale.

I Titoli.

I Portatori dei Titoli emessi nell'ambito del Programma sono esposti a numerosi rischi connessi ai Titoli, per esempio ai rischi legati alla struttura di un particolare Titolo, al tasso di interesse, di cambio, al valore tempo e ai rischi politici così come ai rischi di mercato legati all'investimento in una determinata base di riferimento.

- (ii) in the case of a Share, Debt Security or Commodity, its good faith estimate of the value for the Affected Item as of the Valuation Time on that eighth Scheduled Trading Day,

and otherwise in accordance with the above provisions; and

"Valuation Time" means the Relevant Time specified in the applicable Final Terms or, in the case of Index Warrants or Share Warrants, if no Relevant Time is specified, the Scheduled Closing Time on the relevant Exchange on the relevant Valuation Date or Averaging Date, as the case may be, in relation to each Index or Share to be valued. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

4. Exercise Rights

Unless the applicable Final Terms specify that Monte Titoli is the relevant clearing system or specify that a clearing system other than Clearstream, Luxembourg, Euroclear or Monte Titoli is applicable (in which cases the relevant provisions on the exercise of the Warrants will be set out therein), the provision of this Condition 4 shall apply.

(A) Exercise Period

(i) American Style Warrants

American Style Warrants are exercisable on any Exercise Business Day during the Exercise Period.

If Automatic Exercise is not specified as applying in the applicable Final Terms, any American Style Warrant with respect to which no Exercise Notice (as defined below) has been delivered in the manner set out in Condition 5, at or prior to 10.00 a.m., Luxembourg or Brussels time, as the case may be, on the last Exercise Business Day of the Exercise Period (the **Expiration Date**), shall become void.

If Automatic Exercise is specified as applying in the applicable Final Terms any such American Style Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Condition 5, at or prior to 10.00 a.m., Luxembourg or Brussels time, as the case may be, on the Expiration Date shall be automatically exercised on the Expiration Date and the provisions of Condition 5(F) shall apply.

The Exercise Business Day during the Exercise Period on which an Exercise Notice is delivered prior to 10.00 a.m., Luxembourg or Brussels time (as appropriate), to Clearstream, Luxembourg or Euroclear, as the case may be, and the copy thereof so received by the Principal Agent or, if Automatic Exercise is specified as applying in the applicable Final Terms and no Exercise Notice has been delivered at or prior to 10.00 a.m., Luxembourg or Brussels time (as appropriate) on the Expiration Date, the Expiration Date, is referred to herein as the "**Actual Exercise Date**". If any Exercise Notice is received by Clearstream, Luxembourg or Euroclear, as the case may be, or if the copy thereof is received by the Principal Agent, in each case, after 10.00 a.m., Luxembourg or Brussels time (as appropriate), on any Exercise Business Day during the Exercise Period, such Exercise Notice will be deemed to have been delivered on the next Exercise Business Day, which Exercise Business Day shall be deemed to be the Actual Exercise Date, provided that any such Warrant in respect of which no Exercise Notice has been delivered in the manner set out in Condition 5 at or prior to 10.00 a.m. Luxembourg or Brussels time (as appropriate) on the Expiration Date shall (i) if Automatic Exercise is not specified as applying in the applicable Final Terms, become void or (ii), if Automatic Exercise is specified as applying in the applicable Final Terms, be automatically exercised on the Expiration Date as provided above.

(ii) European Style Warrants

European Style Warrants are only exercisable on the Exercise Date.

If Automatic Exercise is not specified as applying in the applicable Final Terms, any European Style Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Condition 5, at or prior to 10.00 a.m., Luxembourg or Brussels time (as appropriate) on the Actual Exercise Date, shall become void.

If Automatic Exercise is specified as applying in the applicable Final Terms, any such European Style Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Condition 5, at or prior to 10.00 a.m., Luxembourg or Brussels time (as appropriate) on the Actual Exercise Date, shall be automatically exercised on the Actual Exercise Date and the provisions of Condition 5(F) shall apply.

(B) *Cash Settlement*

If the Warrants are Cash Settled Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit entitles its Holder, upon due exercise and subject to certification as to non-U.S. beneficial ownership, to receive from the Issuer on the Settlement Date a Cash Settlement Amount calculated by the Calculation Agent (which shall not be less than zero) equal to:

- (i) where Averaging is not specified in the applicable Final Terms:

- (a) if such Warrants are Call Warrants,

(Settlement Price less Exercise Price) multiplied by, in the case of Debt Warrants only, the Nominal Amount;
 - (b) if such Warrants are Put Warrants,

(Exercise Price less Settlement Price) multiplied by, in the case of Debt Warrants only, the Nominal Amount; and
 - (c) if such Warrants are not Call Warrants nor Put Warrants, settlement will be as specified in the applicable Final Terms;
- (ii) where Averaging is specified in the applicable Final Terms:
- (a) if such Warrants are Call Warrants,

(the arithmetic mean of the Settlement Prices for all the Averaging Dates less Exercise Price) multiplied by, in the case of Debt Warrants only, the Nominal Amount;
 - (b) if such Warrants are Put Warrants,

(Exercise Price less the arithmetic mean of the Settlement Prices for all the Averaging Dates) multiplied by, in the case of Debt Warrants only, the Nominal Amount; and
 - (c) if such Warrants are not Call Warrants nor Put Warrants, settlement will be as specified in the applicable Final Terms.

Any amount determined pursuant to the above, if not an amount in the Settlement Currency, will be converted into the Settlement Currency at the Exchange Rate specified in the applicable Final Terms for the purposes of determining the Cash Settlement Amount. The Cash Settlement Amount will be rounded to the nearest two decimal places in the relevant Settlement Currency, 0.005 being rounded upwards, with Warrants exercised at the same time by the same Holder being aggregated for the purpose of determining the aggregate Cash Settlement Amounts payable in respect of such Warrants or Units, as the case may be.

(C) *Physical Settlement*

(i) Exercise Rights in relation to Physical Delivery Warrants

If the Warrants are Physical Delivery Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, entitles its Holder, upon due exercise and subject to certification as to non-U.S. beneficial ownership, to receive from the Issuer on the Settlement Date the Entitlement subject to payment of the relevant Exercise Price and any other sums payable. The method of delivery of the Entitlement is set out in the applicable Final Terms.

Warrants or Units, as the case may be, exercised at the same time by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Warrants or Units, as the case may be, provided that the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset or each

of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine.

Following exercise of a Share Warrant which is a Physical Delivery Warrant, all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the relevant Actual Exercise Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Exercise Notice as referred to in Condition 5(A)(2)(vi).

(ii) Settlement Disruption

If, following the exercise of Physical Delivery Warrants, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on any Settlement Date, then such Settlement Date for such Warrants shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Settlement Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Settlement Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Settlement Date. In the event that a Settlement Disruption Event will result in the delivery on a Settlement Date of some but not all of the Relevant Assets comprising the Entitlement, the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the third Business Day following the date that notice of such election is given to the Holders in accordance with Condition 10. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 10. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 10 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Warrant or Unit, as the case may be, in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer.

For the purposes hereof:

"Disruption Cash Settlement Price" means, in respect of any relevant Warrant or Unit, as the case may be, the fair market value of such Warrant or Unit, as the case may be (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion, plus, if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion); and

"Settlement Disruption Event" means, in the opinion of the Calculation Agent, an event beyond the control of the Issuer as a result of which the Issuer cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(iii) **Failure to Deliver due to Illiquidity**

If "Failure to Deliver due to illiquidity" is specified as applicable in the applicable Final Terms and, following the exercise of Physical Delivery Warrants, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets (the **Affected Relevant Assets**) comprising the Entitlement, where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a **Failure to Deliver**), then

- (a) subject as provided elsewhere in the Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Settlement Date in accordance with Condition 4(C)(i) and the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement; and
- (b) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by payment to the relevant Holder of the Failure to Deliver Settlement Price (as defined below) on the third Business Day following the date that notice of such election is given to the Holders in accordance with Condition 10. Payment of the Failure to Deliver Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 10. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 10 that the provisions of this Condition 4(C)(iii) apply.

For the purposes hereof:

"Failure to Deliver Settlement Price" means, in respect of any relevant Warrant or Unit, as the case may be, the fair market value of such Warrant or Unit, as the case may be (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion, plus, if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion).

(D) *Issuer's Option to Vary Settlement*

If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Warrants, upon a valid exercise of Warrants in accordance with these Terms and Conditions, the Issuer may at its sole and unfettered discretion in respect of each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, elect not to pay the relevant Holders the Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders no later than 10.00 a.m. (London time) on the second Business Day following the Actual Exercise Date.

(E) *General*

In relation to any Warrants where Automatic Exercise is specified as applying in the applicable Final Terms, the expressions "exercise", "due exercise" and related expressions shall be construed to apply to any such Warrants which are automatically exercised in accordance with the above provisions.

None of the Issuer, the Calculation Agent and the Principal Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Warrants does not confer on any Holder of such Warrants any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

All references in this Condition to "Luxembourg or Brussels time" shall, where Warrants are cleared through an additional or alternative clearing system, be deemed to refer as appropriate to the time in the city where the relevant clearing system is located.

5. Exercise Procedure

Unless the applicable Final Terms specify that Monte Titoli is the relevant clearing system or specify that a clearing system other than Clearstream, Luxembourg, Euroclear or Monte Titoli is applicable (in which cases the relevant provisions on the exercise of the Warrants will be set out therein), the provision of this Condition 5 shall apply.

(A) *Exercise Notice*

Subject as provided in condition 4(A)(i), Warrants may only be exercised by the delivery, or the sending by tested telex (confirmed in writing), of a duly completed exercise notice (an **Exercise Notice**) in the form set out in the Agency Agreement (copies of which form may be obtained from Clearstream, Luxembourg, Euroclear and the Principal Agent) to Clearstream, Luxembourg or Euroclear, as the case may be, with a copy to the Principal Agent in accordance with the provisions set out in Condition 4 and this Condition.

(1) In the case of Cash Settled Warrants, the Exercise Notice shall:

- (i) specify the series number of the Warrants and the number of Warrants being exercised and, if Units are specified in the applicable Final Terms, the number of Units being exercised;
- (ii) specify the number of the Holder's account at Clearstream, Luxembourg or Euroclear, as the case may be, to be debited with the Warrants being exercised;
- (iii) irrevocably instruct Clearstream, Luxembourg or Euroclear, as the case may be, to debit on or before the Settlement Date the Holder's account with the Warrants being exercised;
- (iv) specify the number of the Holder's account at Clearstream, Luxembourg or Euroclear, as the case may be, to be credited with the Cash Settlement Amount (if any) for each Warrant or Unit, as the case may be, being exercised;

- (v) include an undertaking to pay all taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising in connection with the exercise of such Warrants (the **Exercise Expenses**) and an authority to Clearstream, Luxembourg or Euroclear to deduct an amount in respect thereof from any Cash Settlement Amount due to such Holder and/or to debit a specified account of the Holder at Clearstream, Luxembourg or Euroclear, as the case may be, in respect thereof and to pay such Exercise Expenses;
- (vi) certify, *inter alia*, that the beneficial owner of each Warrant being exercised is not a U.S. person (as defined in the Exercise Notice), the Warrant is not being exercised within the United States or on behalf of a U.S. person and no cash has been or will be delivered within the United States or to, or for the account or benefit of, a U.S. person in connection with any exercise thereof; and
- (vii) authorise the production of such certification in any applicable administrative or legal proceedings,

all as provided in the Agency Agreement.

(2) In the case of Physical Delivery Warrants, the Exercise Notice shall:

- (i) specify the series number of the Warrants and the number of Warrants being exercised and, if Units are specified in the applicable Final Terms, the number of Units being exercised;
- (ii) specify the number of the Holder's account at Clearstream, Luxembourg or Euroclear, as the case may be, to be debited with the Warrants being exercised;
- (iii) irrevocably instruct Clearstream, Luxembourg or Euroclear, as the case may be, to debit on or before the Settlement Date the Holder's account with the Warrants being exercised;
- (iv) irrevocably instruct Clearstream, Luxembourg or Euroclear, as the case may be, to debit on the Actual Exercise Date a specified account of the Holder with Clearstream, Luxembourg or Euroclear, as the case may be, with the aggregate Exercise Prices in respect of such Warrants or Units, as the case may be, (together with any other amounts payable);
- (v) include an undertaking to pay all taxes, duties and/or expenses, including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising from the exercise of such Warrants and/or the delivery or transfer of the Entitlement pursuant to the terms of such Warrants (the Exercise Expenses) and an authority to Clearstream, Luxembourg or Euroclear to debit a specified account of the Holder at Clearstream, Luxembourg or Euroclear, as the case may be, in respect thereof and to pay such Exercise Expenses;
- (vi) include such details as are required by the applicable Final Terms for delivery of the Entitlement which may include account details and/or the

name and address of any person(s) into whose name evidence of the Entitlement is to be registered and/or any bank, broker or agent to whom documents evidencing the Entitlement are to be delivered and specify the name and the number of the Holder's account with Euroclear or Clearstream, Luxembourg, as the case may be, to be credited with any cash payable by the Issuer, either in respect of any cash amount constituting the Entitlement or any dividends relating to the Entitlement or as a result of the occurrence of a Settlement Disruption Event or a Failure to Deliver and the Issuer electing to pay the Disruption Cash Settlement Price or Failure to Deliver Cash Settlement Price, as applicable;

- (vii) in the case of Currency Warrants only, specify the number of the Holder's account at Clearstream, Luxembourg or Euroclear, as the case may be, to be credited with the amount due upon exercise of the Warrants;
- (viii) certify, *inter alia*, that the beneficial owner of each Warrant being exercised is not a U.S. person (as defined in the Exercise Notice), the Warrant is not being exercised within the United States or on behalf of a U.S. person and no cash has been or will be delivered within the United States or to, or for the account or benefit of, a U.S. person in connection with any exercise thereof; and
- (ix) authorise the production of such certification in any applicable administrative or legal proceedings,

all as provided in the Agency Agreement.

- (3) If Condition 4(D) applies, the form of Exercise Notice required to be delivered will be different from that set out above and reasonably selected, from time to time, by the Issuer. Copies of such Exercise Notice may be obtained from Clearstream, Luxembourg, Euroclear and the Principal Agent during normal office hours.

(B) *Verification of the Holder*

Unless otherwise specified in the applicable Final Terms, upon receipt of an Exercise Notice, Clearstream, Luxembourg or Euroclear, as the case may be, shall verify that the person exercising the Warrants is the Holder thereof according to the books of Clearstream, Luxembourg or Euroclear, as the case may be. Subject thereto, Clearstream, Luxembourg or Euroclear, as the case may be, will confirm to the Principal Agent the series number and number of Warrants being exercised and the account details, if applicable, for the payment of the Cash Settlement Amount or, as the case may be, the details for the delivery of the Entitlement of each Warrant or Unit, as the case may be, being exercised. Upon receipt of such confirmation, the Principal Agent will inform the Issuer thereof. Clearstream, Luxembourg or Euroclear, as the case may be, will on or before the Settlement Date debit the account of the relevant Holder with the Warrants being exercised. If the Warrants are American Style Warrants, upon exercise of less than all the Warrants constituted by the Global Warrant, the Common Depositary will, on the instructions of, and on behalf of, the Principal Agent, note such exercise on the Schedule to the Global Warrant and the number of Warrants so constituted shall be reduced by the cancellation *pro tanto* of the Warrants so exercised.

(C) *Settlement*

- (i) Cash Settled Warrants

The Issuer shall on the Settlement Date pay or cause to be paid the Cash Settlement Amount (if any) for each duly exercised Warrant or Unit, as the case may be, to the Holder's account specified in the relevant Exercise Notice for value on the Settlement Date less any Exercise Expenses.

(ii) Physical Delivery Warrants

Subject to payment of the aggregate Exercise Prices and payment of any Exercise Expenses with regard to the relevant Warrants or Units, as the case may be, the Issuer shall on the Settlement Date deliver, or procure the delivery of, the Entitlement for each duly exercised Warrant or Unit, as the case may be, pursuant to the details specified in the Exercise Notice. Subject as provided in Condition 4(C), the Entitlement shall be delivered and evidenced in such manner as set out in the applicable Final Terms.

(D) *Determinations*

Any determination as to whether an Exercise Notice is duly completed and in proper form shall be made by Clearstream, Luxembourg or Euroclear, as the case may be, in consultation with the Principal Agent, and shall be conclusive and binding on the Issuer, the Principal Agent and the relevant Holder. Subject as set out below, any Exercise Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Agent immediately after being delivered or sent to Clearstream, Luxembourg or Euroclear, as the case may be, as provided in paragraph (A) above, shall be null and void.

If such Exercise Notice is subsequently corrected to the satisfaction of Clearstream, Luxembourg or Euroclear, as the case may be, in consultation with the Principal Agent, it shall be deemed to be a new Exercise Notice submitted at the time such correction was delivered to Clearstream, Luxembourg or Euroclear, as the case may be, and the Principal Agent.

If Automatic Exercise is not specified as applying in the applicable Final Terms, any Warrant with respect to which the Exercise Notice has not been duly completed and delivered in the manner set out above by the cut-off time specified in Condition 4(A)(i), in the case of American Style Warrants, or Condition 4(A)(ii), in the case of European Style Warrants, shall become void.

Clearstream, Luxembourg or Euroclear, as the case may be, shall use its best efforts promptly to notify the Holder submitting an Exercise Notice if, in consultation with the Principal Agent, it has determined that such Exercise Notice is incomplete or not in proper form. In the absence of negligence or wilful misconduct on its part, none of the Issuer, the Principal Agent, Clearstream, Luxembourg or Euroclear shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

(E) *Delivery of an Exercise Notice*

Delivery of an Exercise Notice shall constitute an irrevocable election by the relevant Holder to exercise the Warrants specified. After the delivery of such Exercise Notice, such exercising Holder may not transfer such Warrants.

(F) *Automatic Exercise*

This paragraph only applies if Automatic Exercise is specified as applying in the applicable Final Terms and Warrants are automatically exercised as provided in Condition 4(A)(i) or Condition 4(A)(ii).

Unless otherwise specified in the applicable Final Terms, in order to receive the Cash Settlement Amount, if the Warrants are Cash Settled Warrants, or the Entitlement, if the Warrants are Physical Delivery Warrants, in respect of a Warrant, or if Units are specified in the applicable Final Terms, a Unit, as the case may be, the relevant Holder must deliver or send by tested telex (confirmed in writing) a duly completed Exercise Notice to Clearstream, Luxembourg or Euroclear, as the case may be, with a copy to the Principal Agent on any Business Day until not later than 10.00 a.m., Luxembourg or Brussels time (as appropriate), on the day (the **Cut-off Date**) falling 180 days after (i) the Expiration Date, in the case of American Style Warrants or (ii) the Actual Exercise Date, in the case of European Style Warrants. The Exercise Notice shall include the applicable information set out in the Exercise Notice referred to in Condition 5(A)(1), Condition 5(A)(2) or Condition 5(A)(3), as applicable. The Business Day during the period from the Expiration Date or the Actual Exercise Date, as the case may be, until the Cut-off Date on which an Exercise Notice is delivered to Clearstream, Luxembourg or Euroclear, as the case may be, and a copy thereof delivered to the Principal Agent is referred to in this Condition 5(F) as the "**Exercise Notice Delivery Date**", provided that, if the Exercise Notice is received by Clearstream, Luxembourg or Euroclear, as the case may be, or if the copy thereof is received by the Principal Agent, in each case, after 10.00 a.m., Luxembourg or Brussels time (as appropriate), on any Business Day, such Exercise Notice shall be deemed to have been delivered on the next Business Day, which Business Day shall be deemed to be the Exercise Notice Delivery Date.

Subject to the relevant Holder performing its obligations in respect of the relevant Warrant or Unit, as the case may be, in accordance with these Conditions, the Settlement Date for such Warrants or Units, as the case may be, shall be (i) in the case of Cash Settled Warrants, the third Business Day following the Exercise Notice Delivery Date and (ii) in the case of Physical Delivery Warrants and subject to Condition 5(C)(ii), the third Settlement Business Day following the Exercise Notice Delivery Date. In the event that a Holder does not so deliver an Exercise Notice in accordance with this Condition 5(F) prior to 10.00 a.m., Luxembourg or Brussels time (as appropriate), on the Cut-off Date, the Issuer's obligations in respect of such Warrants shall be discharged and no further liability in respect thereof shall attach to the Issuer.

Unless otherwise specified in the applicable Final Terms, if Monte Titoli is specified in the applicable Final Terms as the relevant clearing system, any Cash Settlement Amount shall be automatically credited to the bank account notified by the Holder to the bank with which the Warrants have been deposited.

(G) *Exercise Risk*

Exercise of the Warrants is subject to all applicable laws, regulations and practices in force on the relevant Exercise Date and none of the Issuer and the Principal Agent shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. None of the Issuer and the Principal Agent shall under any circumstances be liable for any acts or defaults of Clearstream, Luxembourg or Euroclear in relation to the performance of its duties in relation to the Warrants.

6. Minimum and Maximum Number of Warrants Exercisable

(A) *American Style Warrants*

This paragraph (A) applies only to American Style Warrants.

- (i) The number of Warrants exercisable by any Holder on any Actual Exercise Date or, in the case of Automatic Exercise, the number of Warrants held by any Holder on any Actual Exercise Date, in each case, as determined by the Issuer, must not be less than the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.
- (ii) If the Issuer determines that the number of Warrants being exercised on any Actual Exercise Date by any Holder or a group of Holders (whether or not acting in concert) exceeds the Maximum Exercise Number (a number equal to the Maximum Exercise Number being the **Quota**), the Issuer may deem the Actual Exercise Date for the first Quota of such Warrants, selected at the discretion of the Issuer, to be such day and the Actual Exercise Date for each additional Quota of such Warrants (and any remaining number thereof) to be each of the succeeding Exercise Business Days until all such Warrants have been attributed with an Actual Exercise Date, provided, however, that the deemed Actual Exercise Date for any such Warrants which would thereby fall after the Expiration Date shall fall on the Expiration Date. In any case where more than the Quota of Warrants are exercised on the same day by Holder(s), the order of settlement in respect of such Warrants shall be at the sole discretion of the Issuer.

(B) *European Style Warrants*

This paragraph (B) applies only to European Style Warrants.

The number of Warrants exercisable by any Holder on the Exercise Date, as determined by the Issuer, must be equal to the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.

7. Illegality

If the Issuer determines that the performance of its obligations under the Warrants has become illegal in whole or in part for any reason, the Issuer may cancel the Warrants by giving notice to Holders in accordance with Condition 10.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

If the Issuer cancels the Warrants then the Issuer will, if and to the extent permitted by applicable law, pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by such Holder, which amount shall be the fair market value of a Warrant or Unit, as the case may be, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if already paid by or on behalf of the Holder, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute

discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 10.

8. Purchases

The Issuer may, but is not obliged to, at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased may be held or resold or surrendered for cancellation.

9. Agents, Determinations, Meetings Provisions and Modifications

(A) *Principal Agent*

The specified office of the Principal Agent is as set out at the end of this Prospectus.

The Issuer reserves the right at any time to vary or terminate the appointment of the Principal Agent and to appoint further or additional Agents, provided that no termination of appointment of the Principal Agent shall become effective until a replacement Principal Agent shall have been appointed and provided that, so long as any of the Warrants are listed on a stock exchange, there shall be a Principal Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange. Notice of any termination of appointment and of any changes in the specified office of an Agent will be given to Holders in accordance with Condition 10. In acting under the Agency Agreement, an Agent acts solely as agent of the Issuer and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the Warrants by an Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer and the Holders.

(B) *Calculation Agent*

In relation to each issue of Warrants, the Calculation Agent (whether it be UniCredit Banca Mobiliare S.p.A. or another entity) acts solely as agent of the Issuer, does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the Warrants by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer and the Holders.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party as it deems appropriate.

(C) *Determinations by the Issuer*

Any determination made by the Issuer pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer and the Holders.

(D) *Meetings of Holders*

Meetings of the Holders will be convened from time to time to consider any matter affecting the interests of the Holders, including the sanctioning by Extraordinary Resolution (as defined below) of a modification of the Terms and Conditions or the Agency Agreement. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the date, time and place of the meeting shall be given to Holders. Such a meeting may be convened by the Issuer, or Holders holding not less than 5 per cent. (by number) of the Warrants for the time being remaining unexercised. The quorum at a

meeting of the Holders (except for the purpose of passing an Extraordinary Resolution) will be two or more persons holding or representing not less than 20 per cent. (by number) of the Warrants for the time being remaining unexercised, or at any adjourned meeting two or more persons being or representing Holders whatever the number of Warrants so held or represented. The quorum at a meeting of Holders for the purpose of passing an Extraordinary Resolution will be two or more persons holding or representing not less than 50 per cent. A resolution will be an extraordinary resolution (the **Extraordinary Resolution**) when it has been passed at a duly convened meeting by not less than three fourths of the votes cast by Holders at such meeting as, being entitled to do so, vote in person or by proxy. An Extraordinary Resolution passed at any meeting of the Holders shall be binding on all the Holders, whether or not they are present at the meeting, save for those Warrants remaining unexercised but for which an Exercise Notice shall have been received as described in Condition 4 and Condition 5 prior to the date of the meeting. Warrants which have not been exercised but in respect of which an Exercise Notice has been received as described in Condition 4 and Condition 5 will not confer the right to attend or vote at, or join in convening, or be counted in the quorum for, any meeting of the Holders. Resolutions can be passed in writing if passed unanimously.

(E) *Modifications*

The Issuer may modify these Terms and Conditions and/or the Agency Agreement without the consent of the Holders in any manner which the Issuer may deem necessary or desirable provided that such modification is not materially prejudicial to the interests of the Holders or such modification is of a formal, minor or technical nature or to correct a manifest or proven error or to cure, correct or supplement any defective provision contained herein and/or therein. Notice of any such modification will be given to the Holders in accordance with Condition 10 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

10. Notices

All notices to Holders shall be valid (i) if delivered and so long as the Warrants are held by a Common Depositary on behalf of Clearstream, Luxembourg and Euroclear, to Clearstream, Luxembourg and Euroclear for communication by them to the Holders, (ii) if and so long as the Warrants are listed on a stock exchange, in accordance with the rules and regulations of the relevant stock exchange and (iii) as otherwise specified in the applicable Final Terms. If the Warrants are listed on the Luxembourg Stock Exchange, and so long as publication in a daily newspaper with general circulation in Luxembourg is required by the rules of the Luxembourg Stock Exchange, notices shall be published in the *d'Wort* or the *Tageblatt*. Any such notice shall be deemed to have been given on the second Business Day following such delivery or, if earlier, the date of such publication or, if published more than once, on the date of the first such publication.

- (B) The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer, exercise or enforcement of any Warrant and all payments made by the Issuer shall be made subject to any such tax,

duty, withholding or other payment which may be required to be made, paid, withheld or deducted.

12. Further Issues

The Issuer shall be at liberty from time to time without the consent of Holders to create and issue further Warrants so as to be consolidated with and form a single series with the outstanding Warrants.

13. Substitution of Issuer

- (A) The Issuer, shall be entitled at any time, without the consent of the Holders, to substitute any subsidiary or holding company of the Issuer or any subsidiary of any such holding company (the **New Issuer**) in place of the Issuer, as obligor in respect of the Warrants, provided that the New Issuer shall assume all obligations of the Issuer in relation to the Holders under or in relation to the Warrants. In the event of any such substitution, any reference in these Conditions to the Issuer shall be construed as a reference to the New Issuer and a supplement to this Prospectus (the **Supplement**) will be prepared and submitted to the Luxembourg Stock Exchange. Such substitution shall be promptly notified to the Holders in accordance with Condition 10. In connection with such right of substitution the Issuer shall not be obliged to have regard to the consequences of the exercise of such right for individual Holders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and no Holder shall be entitled to claim from the Issuer or New Issuer any indemnification or payment in respect of any tax consequence of any such substitution upon such Holder.
- (B) The Issuer shall be entitled at any time, without the consent of the Holders, to substitute any other entity (the **New Entity**) the identity of which shall be in the absolute discretion of the Issuer to act as issuer in respect of Warrants issued by it provided that the New Entity's long term unsecured, unsubordinated and unguaranteed debt obligations are rated at least the same as the current Issuer's long term rating at the date on which the substitution is to take effect or the New Entity has an equivalent long term rating from another internationally recognised rating agency. In the event of any such substitution, any reference in the Terms and Conditions to the Issuer shall be construed as a reference to the New Entity. Such substitution shall be promptly notified to the Holders in accordance with Condition 10. In connection with such right of substitution, the Issuer shall not be obliged to have regard to the consequences of the exercise of such right for individual Holders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and no Holder shall be entitled to claim from the Issuer or New Entity any indemnification or payment in respect of any tax or other consequence of any such substitution upon such Holder.

14. Governing Law and Jurisdiction

The Agency Agreement is governed by, and shall be construed in accordance with, English law. The Issuer irrevocably agrees for the exclusive benefit of each Holder that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Agency Agreement and that accordingly any suit, action or proceeding (together in this Condition referred to as **Proceedings**) arising out of or in connection with the Agency Agreement may be brought in such courts.

If Italian law is specified as the governing law of the Warrants in the applicable Final Terms, the Warrants are governed by, and shall be construed in accordance with, Italian law and the Issuer irrevocably agrees for the exclusive benefit of each Holder that the courts of Milan are

to have jurisdiction to settle any disputes which may arise out of or in connection with the Warrants and that accordingly any Proceedings arising out of or in connection with the Warrants may be brought in such courts, or, where the Holder of the Warrants falls within the definition of "consumer" pursuant to article 1469 *bis* of the Italian Civil Code, in the courts where the Holder of the Warrants has his residence or domicile.

If English law is specified as the governing law of the Warrants in the applicable Final Terms, the Warrants are governed by, and shall be construed in accordance with, English law and the Issuer irrevocably agrees for the exclusive benefit of each Holder that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Warrants and that accordingly any Proceedings arising out of or in connection with the Warrants may be brought in such courts.

The Issuer agrees that process in connection with Proceedings in the courts of England will be validly served on it if served upon UniCredito Italiano S.p.A., London branch at its offices at 17 Moorgate, London EC2R 6RH, United Kingdom, or if different its principal office for the time being in London.

Nothing contained in this Condition shall limit the right of any Holder to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

15. Terms for Index Warrants, Share Warrants, Debt Warrants and Commodity Warrants

(A) *Index Warrants*

For the purposes of this Condition 15:

"**Indices**" and "**Index**" mean, subject to adjustment in accordance with this Condition 15(A), the indices or index specified in the applicable Final Terms and related expressions shall be construed accordingly; and

"**Index Sponsor**" means, in relation to an Index, the corporation or other entity that (a) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any related to such Index and (b) announces (directly or through an agent) the level of such Index on a regular basis during each Scheduled Trading Day, which as of the Issue Date is the index sponsor specified for such Index in the applicable Final Terms.

(1) *Market Disruption*

"**Market Disruption Event**" means, in relation to Warrants relating to a single Index or Basket of Indices, in respect of an Index:

- (a) the occurrence or existence at any time during the one hour period that ends at the Valuation Time:
 - (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise:
 - (A) on any relevant Exchange(s) relating to securities/commodities that comprise 20 per cent. or more of the level of the relevant Index; or

- (B) in futures or options contracts relating to the relevant Index on any relevant Related Exchange;
- (ii) of any event (other than an event described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for, on any relevant Exchange(s) securities/commodities that comprise 20 per cent. or more of the level of the relevant Index, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Index on any relevant Related Exchange,

which in either case the Calculation Agent determines is material; or

- (b) the closure on any Exchange Business Day of any relevant Exchange(s) relating to securities/commodities that comprise 20 per cent. or more of the level of the relevant Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

For the purposes of determining whether a Market Disruption Event in respect of an Index exists at any time, if a Market Disruption Event occurs in respect of a security/commodity included in the Index at any time, then the relevant percentage contribution of that security/commodity to the level of the Index shall be based on a comparison of (i) the portion of the level of the Index attributable to that security/commodity and (ii) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 10 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been an Averaging Date or a Valuation Date. A copy of such notice shall be sent to the Luxembourg Stock Exchange, if the Securities are listed in Luxembourg.

(2) **Adjustments to an Index**

- (a) **Successor Index Sponsor Calculates and Reports an Index**

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the **Successor Index**) will be deemed to be the Index.

- (b) **Modification and Cessation of Calculation of an Index**

If (i) on or prior to a Valuation Date or an Averaging Date the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or

commodities and other routine events) (an **Index Modification**), or permanently cancels a relevant Index and no Successor Index exists (an **Index Cancellation**), or (ii) on a Valuation Date or an Averaging Date the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an **Index Disruption** and, together with an Index Modification and an Index Calculation, each an **Index Adjustment Event**), then

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Warrants and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) cancel the Warrants by giving notice to Holders in accordance with Condition 10. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 10.

(c) Notice

The Calculation Agent shall, as soon as practicable, notify the Principal Agent of any determination made by it pursuant to paragraph (b) above and the action proposed to be taken in relation thereto and the Principal Agent shall make available for inspection by Holders copies of any such determinations. A copy of such notice shall be sent to the Luxembourg Stock Exchange, if the Securities are listed in Luxembourg.

(3) **Correction of an Index**

Unless otherwise specified in the applicable Final Terms, if the level of an Index published or announced on a given day and used or to be used by the Calculation Agent to calculate the value of the Index (the **Original Determination**) is subsequently corrected and the correction (the **Corrected Level**) published by the sponsor or the successor sponsor within 30 days of the original publication, then the Calculation Agent shall notify the Issuer of the Corrected Level as soon as reasonably practicable and shall, on the day of the publication of the Corrected Level (the **Correction Publication Date**), re-determine the value of the Index (the **Replacement Determination**) using the Corrected Level.

If the result of the Replacement Determination is different from the result of the Original Determination, to the extent that it determines to be necessary, the Calculation Agent may adjust any relevant terms accordingly.

A notice of the above correction will be published in order to inform the investors.

(B) *Share Warrants*

For the purposes of this Condition 15:

"Basket Company" means a company whose shares are included in the Basket of Shares and **"Basket Companies"** means all such companies;

"Shares" and **"Share"** mean, subject to adjustment in accordance with this Condition 15(B), in the case of an issue of Warrants relating to a Basket of Shares, each share and, in the case of an issue of Warrants relating to a single Share, the share, specified in the applicable Final Terms and related expressions shall be construed accordingly; and

"Share Company" means, in the case of an issue of Warrants relating to a single Share, the company that has issued such share.

(1) **Market Disruption**

"Market Disruption Event" means, in relation to Warrants relating to a single Share or a Basket of Shares, in respect of a Share:

- (a) the occurrence or existence any time during the one hour period that ends at the Valuation Time for such Share:
 - (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or any Related Exchange or otherwise:
 - (A) relating to the Share on the Exchange; or
 - (B) in futures or options contracts relating to the Share on any relevant Related Exchange; or
 - (ii) of any event (other than as described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions, in or obtain market values for, the Share on the Exchange or (B) to effect transactions in, or obtain market values for, futures or options contracts on or relating to the Share on any relevant Related Exchange,
- which in either case the Calculation Agent determines is material; or
- (b) the closure on any Exchange Business Day of the relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 10 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Averaging Date or a Valuation Date.

(2) **Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation and Insolvency**

(a) **"Potential Adjustment Event"** means any of the following:

a subdivision, consolidation or reclassification of relevant Shares (unless resulting in a Merger Event) or a free distribution or dividend of any such Shares to existing holders by way of bonus, capitalisation or similar issue;

a distribution, issue or dividend to existing holders of the relevant Shares of (a) such Shares or (b) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Basket Company or Share Company, as the case may be, equally or proportionately with such payments to holders of such Shares or (c) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the Basket Company or Share Company as a result of a spin-off or other similar transaction or (d) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or in other consideration) at less than the prevailing market price as determined by the Calculation Agent;

an extraordinary dividend as determined by the Calculation Agent;

a call by a Basket Company or Share Company, as the case may be, in respect of relevant Shares that are not fully paid;

a repurchase by the Basket Company or Share Company, as the case may be, of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;

in respect of a Basket Company or Share Company, as the case may be, an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of such Basket Company or Share Company, as the case may be, pursuant to a shareholder rights plan or arrangement directed against hostile take-overs that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value as determined by the Calculation Agent, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or

any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

Following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will (i) make the corresponding adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share) and (ii)

determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 10, stating the adjustment to any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event.

- (b) **"De-Listing"** means, in respect of any relevant Shares, the Exchange announces that pursuant to the rules of such Exchange, such Shares cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union).

"Insolvency" means that by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting the Basket Company or Share Company, as the case may be, (i) all the Shares of that Basket Company or Share Company, as the case may be, are required to be transferred to a trustee, liquidator or other similar official or (ii) holders of the Shares of that Basket Company or Share Company, as the case may be, become legally prohibited from transferring them.

"Merger Date" means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

"Merger Event" means, in respect of any relevant Shares, any (i) reclassification or change of such Shares that results in a transfer of or an irrevocable commitment to transfer all of such Shares outstanding to another entity or person, (ii) consolidation, amalgamation, merger or binding share exchange of a Basket Company or Share Company, as the case may be, with or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such Basket Company or Share Company, as the case may be, is the continuing entity and which does not result in a reclassification or change of all of such Shares outstanding), (iii) take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares of the Basket Company or Share Company, as the case may be, that results in a transfer of or an irrevocable commitment to transfer all such Shares (other than such Shares owned or controlled by such other entity or person), or (iv) consolidation, amalgamation, merger or binding share exchange of the Basket Company or its subsidiaries or the Share Company or its subsidiaries, as the case may be, with or into another entity in which the Basket Company or Share Company, as the case may be, is the continuing entity and which does not result in a reclassification or change of all such Shares outstanding but results in the outstanding Shares (other than Shares owned or controlled by such other entity) immediately prior to such event collectively representing less than 50 per cent. of the outstanding Shares immediately following such event, in each case if the Merger Date is on or before (a) in the case of Cash Settled Warrants, the last occurring Valuation Date or

where Averaging is specified in the applicable Final Terms, the final Averaging Date in respect of the relevant Warrant or (b) in the case of Physical Delivery Warrants, the relevant Settlement Date.

"Nationalisation" means that all the Shares or all or substantially all the assets of the Basket Company or Share Company, as the case may be, are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof.

"Tender Offer" means a take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person purchasing, or otherwise obtaining or having the right to obtain, by conversion or other means, greater than 10 per cent. and less than 100 per cent. of the outstanding voting shares of the Basket Company or Share Company, as the case may be, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

If a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency occurs in relation to a Share, the Issuer in its sole and absolute discretion may take the action described in (i), (ii), (iii) or (iv) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may in the case of adjustments following a Merger Event or Tender Offer include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Warrants. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange; or
- (ii) in the case of Share Warrants relating to a Basket of Shares cancel part of the Warrants by giving notice to Holders in accordance with Condition 10. If the Warrants are so cancelled in part the portion (the **Cancelled Amount**) of each Warrant or if Units are specified in the applicable Final Terms each Unit representing the affected Share(s) shall be cancelled and the Issuer will (i) pay to each Holder in respect of each Warrant or Units, as the case may be, held by him an amount equal to the fair market value of the Cancelled Amount, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for such

cancellation in part. For the avoidance of doubt the remaining part of each Warrant or Unit, as the case may be, after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 10. For the avoidance of doubt, the remaining part of each Warrant or Unit, as the case may be, after such cancellation and adjustment shall remain outstanding with full force and effect; or

(iii) cancel the Warrants by giving notice to Holders in accordance with Condition 10. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 10; or

(iv) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the **Options Exchange**), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

(c) Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the Holders in accordance with Condition 10 stating the occurrence of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

(D) *Commodity Warrants*

Market Disruption

"Market Disruption Event" shall mean the suspension of or limitation imposed on trading on either any exchange on which the commodity or any of the commodities (in the case of a basket of commodities) are traded or on any exchange on which options contracts or futures contracts with respect to the commodity or any of the commodities (in the case of a basket of commodities) are traded if, in the determination of the Calculation Agent, such suspension or limitation is material.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 10 that a Market Disruption Event has occurred.

(E) *Additional Disruption Events*

- (a) **"Additional Disruption Event"** means any of Change of Law, Hedging Disruption, Increased Cost of Hedging, Increased Cost of Stock Borrow, Insolvency Filing and/or Loss of Stock Borrow, in each case if specified in the applicable Final Terms.

"Change in Law" means that, on or after the Trade Date (as specified in the applicable Final Terms) (A) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (B) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Issuer determines in its sole and absolute discretion that (i) it has become illegal to hold, acquire or dispose of any relevant Share (in the case of Share Warrants) or any relevant security/commodity comprised in an Index (in the case of Index Warrants) or (ii) it will incur a materially increased cost in performing its obligations in relation to the Warrants (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer and/or any of its Affiliates).

"Hedging Disruption" means that the Issuer and/or any of its Affiliates is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Warrants, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"Hedging Shares" means the number of Shares (in the case of Share Warrants) or securities/commodities comprised in an Index (in the case of Index Warrants) that the Issuer deems necessary to hedge the equity or other price risk of entering into and performing its obligations with respect to the Warrants.

"Increased Cost of Hedging" means that the Issuer and/or any of its Affiliates would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems

necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Warrants, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates shall not be deemed an Increased Cost of Hedging.

"Increased Cost of Stock Borrow" means that the Issuer and/or any of its Affiliates would incur a rate to borrow any Share (in the case of Share Warrants) or any security/commodity comprised in an Index (in the case of Index Warrants) that is greater than the Initial Stock Loan Rate.
