ANNEX A

TAXATION

This annex is not intended to be a complete analysis of all tax consequences of the purchase, holding, sale and exercise of the Certificates.

The information stated below is based on the tax legislation in force on the date of the Final Terms. The legislation remains subject to possible changes which could have retrospective effects.

Investors are advised to seek professional advice with regard to the tax regime for the purchase, holding, sale and exercise of the Certificates.

According to Italian Law presently in force, proceeds gained by an Italian resident individual investor, if not obtained through an entrepreneurial activity, which derive from the sale or exercise of Certificates, are subject to taxation. In particular, according to Legislative Decree 21 November 1997, no. 461, which integrates the miscellaneous income provided for by art. 81, first paragraph, of the Presidential Decree 22 December 1986, no. 917 (Italian Income Taxes Consolidated Text), proceeds gained by individual investors resident in Italy if not obtained through an entrepreneurial activity, and deriving from the sale and from the exercise of the Certificates are subject to a substitute tax of 12.50 per cent.

Special rules apply to Certificates held by resident qualified intermediaries under "*risparmio amministrato*" or the "*risparmio gestito*" regimes.

It must be finally noted that according to one interpretation of the present law, the Certificates could be qualified as "atypical instruments", subject to taxation at the rate of 27 per cent.

INFORMATION RELATING TO THE INDEX

Index: The GSCI Energy Excess Return Index.

Index Sponsor: Goldman Sachs & Co.

Description of the Index: The Index is one of the GSCI Excess Return Index's sub-indices. All sub-indices of the GSCI follow the same rules regarding world production weights, methodology for rolling and other functional characteristics as disclosed in the GSCI manual.

Further information on the Index may be found at:

<http://www.gs.com/gsci/>, in general and

http://www.gs.com/gsci/docs/GSCI_Manual_2006_FINAL.pdf, in particular.

For the avoidance of doubt, the information contained on such websites does not form part of, and is not incorporated by reference in, this Prospectus Supplement and none of the Issuer or the Guarantors accepts any responsibility for the accuracy of such information.

The GSCI contains as many commodities as possible, with the rules excluding commodities only to retain liquidity and investability in the underlying futures markets. Currently, the GSCI contains 24 commodities from all commodity sectors: six energy products, five industrial metals, eight agricultural products, three livestock products and two precious metals. This broad range of constituent commodities provides the GSCI with a high level of diversification both across subsectors and within each subsector. This diversity minimizes the effects of highly idiosyncratic events, which have large implications for the individual commodity markets, but are muted when aggregated to the level of the GSCI.

Three GSCI indices are published: excess return, total return and spot. The excess return index measures the returns accrued from investing in uncollateralized nearby commodity futures, the total return index measures the returns accrued from investing in fully-collateralized nearby commodity futures, and the spot index measures the level of nearby commodity prices. Thus, the excess return and total return indices provide useful representations of returns available to investors from investing in the GSCI. In fact, the total return (i.e., the return on the GSCI total return index) is the measure of commodity returns that is completely comparable to returns from a regular investment in the S&P 500 (with dividend reinvestment) or a government bond, while the return on the excess return index is comparable to the return on the S&P

500 above cash.

By design, the GSCI reflects a passive portfolio of long positions in futures. However, unlike a passive equity portfolio, a passive futures portfolio requires regular transactions, for the simple reason that futures expire. Thus, the futures portfolio represented by the GSCI is, in this way, comparable to a bond portfolio of a specific duration.

In the GSCI's case, the maturity of choice is the nearby futures contract (i.e., the contract nearest to expiration). Futures contracts near to expiration are rolled forward (i.e., exchanged for futures contracts with the next applicable expiration date) at the beginning of their expiration months.

Many commodities, like those in the energy and industrial metals sectors, have liquid futures contracts that expire every month.

Therefore, these commodities are rolled forward every month. Other commodities, most notably agricultural and livestock products, only have a few contract months each year that trade with sufficient liquidity. Thus, these commodities, with futures that expire less frequently, roll forward less frequently than every month.

ANNEX A

TAXATION

This annex is not intended to be a complete analysis of all tax consequences of the purchase, holding, sale and exercise of the Certificates.

The information stated below is based on the tax legislation in force on the date of the Final Terms. The legislation remains subject to possible changes which could have retrospective effects.

Investors are advised to seek professional advice with regard to the tax regime for the purchase, holding, sale and exercise of the Certificates.

According to Italian Law presently in force, proceeds gained by an Italian resident individual investor, if not obtained through an entrepreneurial activity, which derive from the sale or exercise of Certificates, are subject to taxation. In particular, according to Legislative Decree 21 November 1997, no. 461, which integrates the miscellaneous income provided for by art. 81, first paragraph, of the Presidential Decree 22 December 1986, no. 917 (Italian Income Taxes Consolidated Text), proceeds gained by individual investors resident in Italy if not obtained through an entrepreneurial activity, and deriving from the sale and from the exercise of the Certificates are subject to a substitute tax of 12.50 per cent.

Special rules apply to Certificates held by resident qualified intermediaries under "*risparmio amministrato*" or the "*risparmio gestito*" regimes.

It must be finally noted that according to one interpretation of the present law, the Certificates could be qualified as "atypical instruments", subject to taxation at the rate of 27 per cent.

CONDITIONS OF THE SECURITIES

The following is the text of the Conditions of the Securities which, as supplemented or varied in accordance with the terms applicable to the relevant Series or Tranche of Securities set out in the relevant Final Terms (the "Terms"), will apply to each issue of Securities. Certain administrative procedures in relation to the Securities are set out in the Programme Agreement between, inter alios, the Issuers, the Registrar, the Programme Agent and the Calculation Agent. A copy of the Programme Agreement will be available for inspection at the specified offices of the Programme Agent. The Holders of Securities of any Series are bound by, and are deemed to have notice of, the Conditions and the Terms of such Series of Securities and are deemed to have notice of the provisions of the Programme Agreement applicable to them. Expressions used herein and not defined shall have the meaning given to them in the relevant Terms.

1. FORM AND TRANSFER

1.1 Form

The Securities are issued in registered and uncertificated form. The Securities comprise registered Securities which for the time being are uncertificated securities in accordance with the Uncertificated Securities Regulations 2001 (SI 2001 No. 3755) as amended from time to time (the "**Regulations**"). The Securities will be issued and transferred in uncertificated form through the Relevant Settlement System. Securities in certificated form will not be issued. The Securities are constituted by and have the benefit of a deed of covenant executed by each of the Issuers and dated 1 July 2005.

1.2 Title

Title to the Securities shall pass by transfer and registration in the Register as described in this Condition. Except as ordered by a court of competent jurisdiction or as required by law, the Holder (as defined below) of any Security shall be deemed to be and may be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on it, or its theft or loss) and no person will be liable for so treating the Holder.

1.3 Holder

In these Conditions, "**Holder**" means the person in whose name a Security is registered in the Register.

1.4 Registration

Subject to the Regulations, the Issuers will cause to be kept a record of securities (as defined in, and in accordance with, the Regulations) (the "**Register**").

1.5 Transfer of Securities

Securities may, subject to the terms of the Programme Agreement and to Condition 1.6, be transferred by means of a relevant system in accordance with the Regulations and the rules, practices and procedures of the relevant system.

No transfer of a Security will be valid unless and until entered on the Register of Holders maintained by the Operator (as defined in, and in accordance with, the Regulations). A Security

may be registered only in the name of, and transferred only to, a named person (or persons, not exceeding four in number).

1.6 **Formalities Free of Charge**

Any transfer pursuant to this Condition 1 will be effected without charge subject to (i) the person making a transfer paying or procuring the payment of any Expenses payable in connection therewith, (ii) the Registrar being satisfied with the identity of the person making such transfer and (iii) such reasonable regulations as the Issuers may from time to time agree with the Registrar. Any transfer will be subject to the provisions of all applicable fiscal or other laws and regulations in effect at the time of such transfer.

2. **STATUS AND GUARANTEES**

2.1 **Status**

The Securities represent general contractual obligations of the relevant Issuer and are not secured by any property of such Issuer. The Securities rank equally among themselves and, save for such exceptions as may be provided by Applicable Law, *pari passu* with all other unsecured and unsubordinated obligations of such Issuer but excluding any debts for the time being preferred by Applicable Law and any subordinated obligation.

2.2 **Guarantees**

The payment obligations of Goldman Sachs (Jersey) Limited, in respect of Securities issued by Goldman Sachs (Jersey) Limited only, are unconditionally and irrevocably guaranteed by Goldman Sachs Europe in its capacity as guarantor pursuant to a deed of guarantee dated 11 July 2006 made by Goldman Sachs Europe in favour of the Holders of Securities issued by Goldman Sachs (Jersey) Limited (the "**GSE Guarantee**").

In addition, the payment obligations of Goldman Sachs Europe, in respect of Securities issued by Goldman Sachs Europe and/or pursuant to the GSE Guarantee, are unconditionally and irrevocably guaranteed by The Goldman Sachs Group, Inc. pursuant to a deed of guarantee dated 11 July 2006 (the "**GSGI Guarantee**" and, together with the GSE Guarantee, the "**Guarantees**") made by The Goldman Sachs Group, Inc. in favour of the Holders of Securities issued or guaranteed by Goldman Sachs Europe (The Goldman Sachs Group, Inc. together with Goldman Sachs Europe in its capacity as guarantor being "**Guarantors**" and each a "**Guarantor**").

3. **EXERCISE RIGHTS**

3.1 **Exercise Period — American Style Securities**

Securities designated in the relevant Terms as "American Style" are exercisable on any Business Day (which for the purposes of American Style Securities shall constitute an Exercise Date) during the Exercise Period subject to prior termination of the Securities as provided in Condition 9 or, if applicable, Condition 8.

3.2 **Exercise Period — European Style Securities**

Securities designated in the relevant Terms as "European Style" are exercisable on the Exercise Date specified in the relevant Terms subject to prior termination of the Securities as provided in Condition 9.

3.3 **Exercise Period — Bermudan Style Securities**

Securities designated in the relevant Terms as "Bermudan Style" are exercisable on any one of two or more Exercise Dates specified in the relevant Terms subject to prior termination of the Securities as provided in Condition 9 or, if applicable, Condition 8.

3.4 **Entitlement**

The rights attaching to each Security on exercise will be as set out in the relevant Terms.

3.5 **Failure to Exercise**

Any Security with respect to which no Exercise Notice has been delivered to the Programme Agent, in the manner set out in Condition 4, at or prior to 10.00 a.m. (Local Time) on the relevant Final Exercise Date shall be automatically exercised on the Final Exercise Date (and the Exercise Date for such Securities will be the Final Exercise Date) subject to and in accordance with the provisions of Condition 3.6.

3.6 **Automatic Exercise**

If the relevant Issuer would have been obliged to make payment of a Settlement Amount on (a) in respect of any European Style Securities, any Exercise Date or (b) in respect of any American Style or Bermudan Style Securities, the Final Exercise Date to the Holder of such Security had such Security been exercised by the relevant Holder, such Security will be automatically exercised on such Exercise Date or such Final Exercise Date, as applicable, and the provisions of Condition 4 shall be deemed to have been observed and will apply in respect of such exercise procedure.

3.7 **Multiple Exercise**

If the Securities are specified in the relevant Terms as being Multiple Exercise Securities, then this Condition 3.7 is applicable and each Multiple Exercise Security shall be capable of being exercised once on each Exercise Date specified in the relevant Terms in accordance with the other provisions of these Conditions. References in these Conditions to "Valuation Date", "Strike Price", "Settlement Date", "Exercise Date", "Exercise Period", "Exercise Notice" and "Automatic Exercise" shall, in relation to each exercise of Multiple Exercise Securities, unless the context otherwise requires, be construed as references to the relevant "Valuation Date", the relevant "Strike Price", the relevant "Settlement Date", the relevant "Exercise Date", the relevant "Exercise Period", the relevant "Exercise Notice" and the relevant "Automatic Exercise".

3.8 **Open-ended Securities**

This Condition 3.8 is applicable to American Style and Bermudan Style Securities in respect of which no Final Exercise Date is specified in the applicable Terms ("**Open-ended Securities**"). Any such Open-ended Security shall be capable of being exercised by the Holder in accordance with the provisions of Condition 3.2 or 3.3, as applicable and will be capable of being redeemed by the relevant Issuer in accordance with the provisions of Condition 8 and Condition 9.

4. **EXERCISE PROCEDURE**

4.1 **Automatic Exercise**

Where Automatic Exercise applies to Securities pursuant to Condition 3.6 or, as the case may be, Condition 8.4, the relevant Issuer will pay, or will procure payment of the Settlement Amount through the Relevant Settlement System to the relevant Holder in respect of such Securities, less Expenses, if any, payable in connection with such Automatic Exercise, on the Settlement Date.

4.2 Exercise by Holders

4.2.1 *Exercise Notice*

Securities may be exercised by delivery of a duly completed Exercise Notice by the Holder to the Programme Agent (1) (in the case of American Style and Bermudan Style Securities) not later than 10.00 a.m. (Local Time) on any Exercise Date during the Exercise Period or (2) (in the case of European Style Securities) at any time after 10.00 a.m. (Local Time) on the Business Day immediately preceding the relevant Exercise Date but not later than 10.00 a.m. (Local Time) on the relevant Exercise Date:

- (a) specifying the number of Securities of each Series or Tranche being exercised;
- (b) specifying the number of the Participant ID and Member Account at the Relevant Settlement System to be debited with the Securities being exercised and credited with the Settlement Amount or (in any case) any other amount payable by the relevant Issuer to the Holder in connection with the exercise of such Securities;
- (c) irrevocably agreeing to input a properly authenticated dematerialised instruction through the Relevant Settlement System to effect the delivery of the number of Securities being exercised to the Programme Agent on behalf of the relevant Issuer to the account specified in the Exercise Notice against payment by such Issuer of the Settlement Amount for settlement on the Settlement Date;
- (d) authorising the relevant Issuer to deduct any Expenses from the Settlement Amount; and
- (e) certifying that the Securities are not being exercised by or on behalf of a U.S. person or person within the United States and that the Securities are not beneficially owned by a U.S. person or person within the United States.

4.2.2 *Verification of the Holder*

Upon receipt of an Exercise Notice, the Programme Agent will verify that the person exercising the Securities specified therein was, on the relevant Exercise Date, the Holder thereof according to the Register. If the Programme Agent is unable so to verify, such Exercise Notice shall be deemed not to have been given.

4.2.3 *Settlement*

Settlement pursuant to Conditions 4.1 and 4.2.1(c) of the Settlement Amount, after deduction of any Expenses which the relevant Issuer is authorised to deduct, shall be made by the relevant Issuer or the Programme Agent (on its behalf) on the Settlement Date to the Holder's account in the Relevant Settlement System as specified in the Exercise Notice.

4.2.4 *Determination*

Any determination as to whether an Exercise Notice is duly completed and in proper form shall be made by the Programme Agent in its sole and absolute discretion and shall be conclusive and binding on the relevant Issuer, the Guarantor(s), the Programme Agent, the Calculation Agent and the Holder. Any Exercise Notice so determined to be incomplete or not in proper form shall be void. If such Exercise Notice is subsequently corrected to the satisfaction of the Programme Agent, it shall be deemed to be a new Exercise Notice submitted at the time the correction is delivered. The Programme Agent will endeavour to notify the Holder of an Exercise Notice which is incomplete or not in proper form as soon as possible after it becomes aware of the improper exercise.

4.2.5 *Effect of Exercise Notice*

Delivery of an Exercise Notice shall constitute an irrevocable election and undertaking by the relevant Holder to exercise the Securities specified therein in the manner specified therein and in these Conditions. After delivery of such Exercise Notice, such exercising Holder may not otherwise transfer such Securities. Notwithstanding this, if any Holder does so transfer or attempts so to transfer such Securities, the Holder will be liable to the relevant Issuer for any Expenses suffered or incurred by such Issuer or any of its affiliates through whom it has hedged its position, including those suffered or incurred as a consequence of the Issuer or any of its affiliates through whom it has hedged its position having terminated or commenced any related hedging operations in reliance on the relevant Exercise Notice and subsequently (i) entering into replacement hedging operations in respect of such Securities or (ii) paying any amount on the subsequent exercise of such Securities without having entered into any replacement hedging operations.

4.2.6 *Expenses*

A Holder exercising a Security shall pay all Expenses, if any, payable in connection with the exercise of the Security.

5. **MINIMUM NUMBER OF SECURITIES EXERCISABLE**

If Securities are designated as "American Style" or "Bermudan Style" and a Minimum Exercise Number is specified in the relevant Terms, the Securities of such Series or Tranche may only be exercised in the Minimum Exercise Number or such multiples in which such Series or Tranche may be exercised in accordance with the relevant Terms.

6. **MAXIMUM NUMBER OF SECURITIES EXERCISABLE**

If Securities are designated as "American Style" or "Bermudan Style" and a Maximum Exercise Number is specified in the relevant Terms, then if, following any Exercise Date other than the Final Exercise Date, the relevant Issuer determines in its sole and absolute discretion that more than the Quota were exercised on such Exercise Date, then such Issuer may deem the Valuation Date for the first Quota of Securities of the relevant Series or Tranche exercised by Holders to be the originally applicable Valuation Date for Securities exercised on such Exercise Date, and the Valuation Date for each additional Quota of Securities of the relevant Series or Tranche (or part thereof, in the case of the last amount) exercised to be the respective Valuation Dates applicable to each succeeding date following such Exercise Date on which Securities of the relevant Series or Tranche could have been exercised, until all such Securities exercised on such Exercise Date have been given a Valuation Date. In any case where more than the Quota of Securities of a Series or Tranche are so exercised on the same day, the order of settlement in respect of such Securities shall be at the sole and absolute discretion of the relevant Issuer.

Notwithstanding the foregoing, the relevant Issuer may, at any time, in its sole and absolute discretion, accept more than the Quota of Securities of a Series or Tranche for exercise on any Exercise Date.

7. INTEREST

7.1 Definitions

For the purposes of this Condition 7:

"**Actual/360**" means the actual number of days in the Interest Period divided by 360;

"**Actual/365**" or "**Actual/Actual (ICMA)**" means the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (i) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366; and (ii) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

"**Actual/365 (Fixed)**" means the actual number of days in the Interest Period divided by 365;

"**30/360 (Floating)**" or "**360/360**" or "**Bond Basis**" means the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (i) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month or (ii) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a month comprising 30 days);

"**30E/360**" or "**Eurobond Basis**" means the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 months each comprising 30 days without regard to the date of the first day or last day of the Interest Period, unless in the case of an Interest Period ending on the Redemption Date, the Redemption Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a month comprising 30 days);

"**Interest Amount**" means, in respect of each Interest Period and each Security, an amount calculated by the Calculation Agent as follows:

Notional Amount per Security x Interest Rate x Interest Rate Day Count Fraction;

"**Interest Commencement Date**" means the Issue Date or such other date as may be specified in the applicable Terms;

"**Interest Payment Date**" means each date specified as such in the applicable Terms;

"**Interest Period**" means the period commencing on (and including) the Interest Commencement Date to (but excluding) the first Interest Payment Date and each period commencing on (and including) an Interest Payment Date to (but excluding) the next following Interest Payment Date;

"**Interest Rate**" means the rate specified as such in the applicable Terms;

"**Interest Rate Day Count Fraction**" has the meaning given in the relevant Terms; and

"**Notional Amount per Security**" means the amount specified as such in the applicable Terms.

7.2 **Interest Amount**

If so specified in the applicable Terms and subject as provided in these Conditions, each Security pays interest from and including the Issue Date at the Interest Rate payable in arrears on each Interest Payment Date. The amount payable in respect of each Security on each Interest Payment Date will be the Interest Amount for the Interest Period ending on (but excluding) such Interest Payment Date.

If an Interest Amount is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated on the basis of the number of days from and including the most recent Interest Payment Date (or, if none, the Issue Date) to but excluding the relevant payment date and the Interest Rate Day Count Fraction specified in the applicable Final Terms

7.3 **Accrual of Interest**

Each Security will cease to accrue interest from and including the Redemption Date unless payment of the Cash Settlement Amount and/or delivery of any Physical Settlement Amount due on redemption is improperly withheld or refused by the Issuer in which case interest shall continue to accrue from the Redemption Date until such payment or delivery is made, as the case may be. For the avoidance of doubt, no interest on the Securities shall accrue beyond the Redemption Date in the event that delivery of any Physical Settlement Amount is postponed due to the occurrence of a Physical Settlement Disruption Event or otherwise as provided for in these Conditions or the applicable Final Terms.

8. **OPTIONAL EARLY REDEMPTION**

This Condition 8 shall apply to Open-ended Securities only.

8.1 **Optional Early Redemption**

If this Condition 8 is specified in the relevant Terms as being applicable, then the relevant Issuer may, upon the expiry of the appropriate notice and subject to such conditions as may be specified in the relevant Terms, redeem all (but not some only) of the Securities of the relevant Series.

8.2 **Notice of Optional Early Redemption**

The appropriate notice referred to in Condition 8.1 is a notice given by the relevant Issuer to the Calculation Agent, the Programme Agent and the Holders of the Securities of the relevant Series (in accordance with Condition 14), which notice shall specify:

- (a) the title of the Series of Securities subject to redemption; and
- (b) the due date for such redemption (the "**Optional Early Redemption Date**"), which shall be a Business Day which is not less than thirty days, or such other number of days as may be specified in the relevant Terms, after the date on which such notice is validly given in accordance with Condition 14.

Any such notice shall be irrevocable, and the delivery thereof shall oblige the Issuer to make the redemption therein specified.

9. **TERMINATION BY THE ISSUERS**

9.1 **Termination Events**

Each of the Issuers shall have the right to terminate its obligations under the Securities, by giving notice to the Holders, the Programme Agent and the Calculation Agent, if it determines in its sole and absolute discretion in good faith that its performance thereunder has become unlawful or impractical in whole or in part as a result of (i) any change in national or international financial, political or economic conditions or currency exchange rates, or (ii) compliance in good faith by the relevant Issuer with any Applicable Law (the circumstances referred to in (i) and (ii) hereafter referred to as "**Termination Events**").

9.2 **Additional Termination Events**

Each of the Issuers shall have the right to terminate its respective obligations under the Securities, by giving notice to the relevant Holders, the Programme Agent and the Calculation Agent, if it determines in its sole and absolute discretion in good faith that (i) any Nationalisation, Insolvency or Merger Event has resulted in Cancellation and Payment, (ii) any other circumstances set out in the relevant Terms have occurred, or (iii) any action has been taken by a taxing authority, or brought in a court of competent jurisdiction, or a Change in Tax Law has occurred, or (iv) any event occurs which causes or is reasonably likely to cause any Expenses to arise (by whomsoever payable) or (v) there is insufficient liquidity in the market for the Reference Asset to permit the Hedging Entity to enter into hedging transactions relating to the Reference Assets in order to hedge such Issuer's obligations under the Securities in an acceptable or a commercially satisfactory manner (the circumstances referred to in (i), (ii), (iii) or (iv) or (v) hereafter referred to as "**Additional Termination Events**").

9.3 **Payments upon Termination Events and Additional Termination Events**

If a Termination Event or Additional Termination Event occurs, the relevant Issuer will cause to be paid to each Holder in respect of each relevant Security held by it an amount determined by the Calculation Agent in its sole and absolute discretion as representing the fair market value of such Security immediately prior to such termination (ignoring, in the case of a Termination Event, such illegality or impracticality) or an amount otherwise determined by the Calculation Agent in its sole and absolute discretion as specified in the relevant Terms. Payment will be made through the Relevant Settlement System and shall be notified to the Holders in accordance with the procedure set out in Condition 14. Such amount will be payable by the relevant Issuer to the Holder net of any Expenses that arise on termination whether or not required by any Applicable Law to be deducted or withheld from the payment.

10. **PRESCRIPTION**

Claims against either of the Issuers or, as the case may be, the Guarantor(s) for payment of any amount in respect of the Securities shall be prescribed and become void unless made within five years from the Settlement Date and no claims shall be made after such date.

11. **PURCHASE**

The Issuers, the Guarantors or any of their respective affiliates may at any time purchase Securities at any price in the open market or by tender or private treaty. Any Securities so purchased may be held or resold or surrendered for cancellation.

12. AGENTS, AMENDMENTS, CALCULATION AGENT AND CALCULATIONS

12.1 Changes in Agents

The Issuers reserve the right at any time (and in relation to all Securities or, as the case may be, the Securities of a given Series or Tranche) to vary or terminate the appointment of the Programme Agent, the Registrar and the Calculation Agent and to appoint other or additional Programme Agents, Registrars and/or Calculation Agents, provided that in relation to Securities listed on the official list of the FSA and admitted to trading on the London Stock Exchange's regulated market for listed securities (or any other stock exchange), there will always be a Programme Agent with a specified office in London (or in such other place as is required by such other stock exchange), so long as such Securities are so listed, and provided that (in relation to all Securities) there will always be a Programme Agent, a Registrar and a Calculation Agent. Notice of any variation or termination of appointment and of any changes in the specified office of any Programme Agent, Registrar and Calculation Agent will be given to the Holders in accordance with the procedures set out in Condition 14. In acting under the Programme Agreement, the Programme Agent, the Registrar and the Calculation Agent are acting solely as agents of the Issuers and do not assume any obligations or duty to, or any relationship of agency or trust for or with, the Holders.

12.2 Amendments

The Programme Agreement may be amended by the parties thereto, without the consent of the Holders if, in the opinion of such parties, the amendment will not materially and adversely affect the interests of the Holders. If it shall come to the attention of the Issuers that the terms of the Securities contain an error or omission such that they do not represent the intended terms of the Securities on the basis of which the Securities were sold and have since traded, the relevant Issuer may execute and deliver to the relevant Holders a correction notice (in accordance with the procedures set out in Condition 14) setting out the error or omission and the manner in which it is to become corrected. Upon receipt of such notice by the Holders, such correction shall be deemed to have been effective for all purposes from the issue date of the Securities and will be binding on all Holders.

12.3 Calculation Agent

All calculation functions required of the Calculation Agent under these Conditions may be delegated to any such person as the Calculation Agent, in its sole and absolute discretion, may decide.

12.4 Calculations

The Calculation Agent shall have no responsibility for errors or omissions in any calculations and determinations made hereunder, whether caused by negligence or otherwise and all such calculations and determinations shall (save in the case of manifest error) be final and binding on the Issuers, the Guarantors, the Programme Agents and the Holders.

13. FURTHER ISSUES

The Issuers shall be at liberty from time to time without the consent of the Holders to create and issue further Securities of any Series or Tranche so as to form a single series with the Securities of that Series or Tranche.

14. **NOTICES**

All notices to Holders will be valid, in the case of a Series of Securities admitted to the official list of the FSA and to trading on the London Stock Exchange's regulated market for listed securities (or any other stock exchange), if published in one daily newspaper of general circulation in the United Kingdom (expected to be the Financial Times) (or such other publication required by such stock exchange). Any such notice shall be deemed to have been given on the date of such publication or, if so published more than once or on different dates, on the date of the first such publication.

15. **ADJUSTMENTS AFFECTING REFERENCE ASSETS LISTED, QUOTED OR COMPILED ON A STOCK EXCHANGE**

The relevant Terms may include additional adjustment provisions relating to Reference Assets listed, quoted or compiled on any stock exchange and conferring authority upon the relevant Issuer to switch or substitute any adjustment provisions applicable to the Reference Assets in these Conditions with the adjustment provisions provided in the relevant Terms.

16. **MODIFICATIONS**

The Programme Agreement may be amended by the parties thereto and the Securities may be amended by the relevant Issuer without the consent of the Holders if, in the reasonable opinion of such Issuer, the amendment (i) is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) will not materially and adversely affect the interests of the Holders or the modalities of exercise. Any such modification shall take effect by notice to the Holders in accordance with Condition 14.

17. **TAXATION**

Neither the Issuers nor the Guarantors will be liable for or otherwise obliged to pay (and the Holder will be liable for) any Expenses which may arise as a result of the ownership, transfer or exercise, or termination by the relevant Issuer of its obligations under any Securities.

18. **GOVERNING LAW**

The Securities and the Programme Agreement shall be governed by and construed in accordance with English law.

19. **CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

No person shall have the right to enforce any term or condition of the Securities under the Contracts (Rights of Third Parties) Act 1999.

20. **MARKET DISRUPTION EVENTS**

If there is a Market Disruption Event in respect of any relevant Index or Share (as defined in the relevant Terms) on a Valuation Date:

- (a) in the case of Securities on a single Index or Securities on a single Share, the Valuation Date shall be the first succeeding Exchange Business Day on which there is no Market Disruption Event, unless there is a Market Disruption Event on each of the eight Exchange Business Days immediately following the Scheduled Valuation Date. In that case, (i) that eighth Exchange Business Day shall be deemed to be the

Valuation Date, notwithstanding the Market Disruption Event, and (ii) the Calculation Agent shall determine:

- (i) in respect of Securities on a single Index, the level of the Index as of the Valuation Time on that eighth Exchange Business Day determined in accordance with the formula for and method of calculating the Index last in effect prior to the commencement of the Market Disruption Event using the Exchange traded price (or, if trading in the relevant security has been materially suspended or materially limited, its good faith estimate of the Exchange traded price that would have prevailed but for that suspension or limitation) as of the Valuation Time on that eighth Exchange Business Day of each security comprised in the Index; and
 - (ii) in respect of Securities on a single Share, its good faith estimate of the Exchange traded price for the Share that would have prevailed but for that Market Disruption Event as of the Valuation Time on that eighth Exchange Business Day;
- (A) in the case of Securities on a Basket of Indices, the Valuation Date for each Index not affected by a Market Disruption Event shall be the Scheduled Valuation Date and the Valuation Date for each Index affected by a Market Disruption Event shall be the first succeeding Exchange Business Day on which there is no Market Disruption Event relating to that Index, unless there is a Market Disruption Event relating to that Index on each of the eight Exchange Business Days immediately following the Scheduled Valuation Date. In that case, (i) that eighth Exchange Business Day shall be deemed to be the Valuation Date for the relevant Index notwithstanding the Market Disruption Event, and (ii) the Calculation Agent shall determine the level of that Index, as of the Valuation Time on that eighth Exchange Business Day in accordance with the formula for and method of calculating that Index last in effect prior to the commencement of the Market Disruption Event using the Exchange traded price (or, if trading in the relevant security has been materially suspended or materially limited, its good faith estimate of the Exchange traded price that would have prevailed but for that suspension or limitation) as of the Valuation Time on that eighth Exchange Business Day of each security comprised in that Index; and
- (B) in the case of Securities on a Basket of Shares, the Valuation Date for each Share not affected by a Market Disruption Event shall be the Scheduled Valuation Date and the Valuation Date for each Share affected by a Market Disruption Event shall be the first succeeding Exchange Business Day on which there is no Market Disruption Event relating to that Share, unless there is a Market Disruption Event relating to that Share on each of the eight Exchange Business Days immediately following the Scheduled Valuation Date. In that case, (i) that eighth Exchange Business Day shall be deemed to be the Valuation Date for the relevant Share notwithstanding the Market Disruption Event, and (ii) the Calculation Agent shall determine its good faith estimate of the Exchange traded price for that Share that would have prevailed but for that Market Disruption Event as of that eighth Exchange Business Day.

20A. MARKET DISRUPTION EVENTS IN RESPECT OF FUND SECURITIES

20A.1 Market Disruption in Respect of Fund Securities on a Single Fund Interest

If, in respect of any Fund Security on a single Fund Interest, there is a Market Disruption Event in respect of the relevant Fund Interest, the Valuation Date shall be the first succeeding Valuation Business Day on which there is no Market Disruption Event, unless there is a Market Disruption Event on each of the eight Exchange Business Days immediately following the Scheduled Valuation Date. In that case, (i) that eighth Exchange Business Day shall be deemed to be the Valuation Date, notwithstanding the Market Disruption Event, and (ii) the Calculation Agent shall determine, in good faith and in a commercially reasonable manner, its estimate of the price for the relevant Fund Interest that would have prevailed but for that Market Disruption Event as of the Valuation Time on that eighth Valuation Business Day.

20A.1 Market Disruption in Respect of Fund Securities on a Basket of Fund Interests

If, in respect of any Fund Security on a basket of Fund Interests, there is a Market Disruption Event in respect of any of the Fund Interests included in the Basket, the Valuation Date for each Fund Interest not affected by a Market Disruption Event shall be the Scheduled Valuation Date and the Valuation Date for each Fund Interest affected by a Market Disruption Event shall be the first succeeding Valuation Business Day on which there is no Market Disruption Event relating to that Fund Interest, unless there is a Market Disruption Event relating to that Fund Interest on each of the eight Exchange Business Days immediately following the Scheduled Valuation Date. In that case, (i) that eighth Valuation Business Day shall be deemed to be the Valuation Date for the relevant Fund Interest notwithstanding the Market Disruption Event, and (ii) the Calculation Agent shall determine, in good faith and in a commercially reasonable manner, its estimate of the price for the relevant Fund Interest that would have prevailed but for that Market Disruption Event as of the Valuation Time on that eighth Valuation Business Day.

21. PAYMENT DISRUPTION EVENTS AND PAYMENT EVENT CUT-OFF DATE

21.1 Payment Disruption Event

If the Calculation Agent shall, at any time and from time to time, determine that an event beyond the control of the Hedging Entity (a "**Payment Disruption Event**") has occurred or will occur as a result of which the Hedging Entity is not able or would not be able to sell or otherwise realise all or any part of the Reference Assets held by the Hedging Entity to hedge the relevant Issuer's obligations in respect of the Securities prior to or on any date on which payments in respect of such Securities shall fall due, then the Calculation Agent shall as soon as practicable notify the Holders of the relevant Securities of the occurrence of a Payment Disruption Event in accordance with Condition 22 whereupon the provisions of Condition 21.2 shall become applicable.

Without prejudice to the generality of the foregoing, each of the following events shall constitute a Payment Disruption Event:

- (i) the delivery of the Further Shares, arising on the occurrence of a Potential Adjustment Event;
- (ii) the occurrence of an FX Disruption Event;
- (iii) the occurrence of an Objection to Registration Event;

- (iv) the application is pending with the relevant Issuer of the Reference Assets for the registration of the transfers of the Reference Assets to or from the Hedging Entity;
- (v) an application is pending for the dematerialisation of the Reference Assets; and
- (vi) any law or regulation is imposed which affects the Hedging Entity's status as a holder of the Reference Assets.

21.2 Consequences of Payment Disruption Event

Upon the occurrence of a Payment Disruption Event:

- 21.2.1 the Exercise Date, the Settlement Date or any other date on which the Securities may be exercised or on which any amount shall be due and payable in respect of the relevant Securities shall, subject to Condition 21.3, be extended to a date falling 14 calendar days (or such other date as may be determined in its sole and absolute discretion by the Calculation Agent and notified to the Holders in accordance with Condition 22) after the date on which the Payment Disruption Event ceases to exist, if relevant, and on which the Hedging Entity is able to, or would be able to, sell or otherwise realise all of the Reference Assets held by the Hedging Entity to hedge the relevant Issuer's obligations in respect of the relevant Securities and notice thereof shall be given to the relevant Holders in accordance with Condition 22;
- 21.2.2 the relevant Issuer's obligation to pay the Settlement Amount or any such other amounts in respect of the relevant Securities, subject to Condition 21.3, shall be postponed until 14 calendar days (or such other date as may be determined in its sole and absolute discretion by the Calculation Agent and notified to the Holders in accordance with Condition 22) after the date on which the Payment Disruption Event ceases to exist, if relevant, or, if later, the date on which the Hedging Entity is able to, or would be able to, sell or otherwise realise all of the Reference Assets held by the Hedging Entity to hedge such Issuer's obligation in respect of the relevant Securities. Notwithstanding the foregoing, if the Hedging Entity is able to sell or otherwise realise a part but not all of the Reference Assets held by the Hedging Entity to hedge the relevant Issuer's obligation in respect of the relevant Securities, such Issuer may, in its sole and absolute discretion, satisfy in part its obligation to pay the amounts as may be due and payable under the relevant Securities by making a partial payment(s) based upon the relevant amount of the Reference Assets that the Hedging Entity has been able to sell or otherwise realise (the "**Partial Proceeds**") in respect of the relevant Securities (the "**Partial Payments**"). Any Partial Payments paid by the relevant Issuer to the Holders will be calculated by the Calculation Agent in its sole and absolute discretion and shall be paid to the Holders pro rata to the proportion of the aggregate outstanding principal amount of the Securities held by the relevant Holder. In the event that any Partial Payment is made by such Issuer, the Calculation Agent may, in its sole and absolute discretion, make any such corresponding adjustment to any variable relevant to the settlement or payment terms of the relevant Securities as it deems necessary and shall notify the relevant Holders thereof in accordance with Condition 22; and
- 21.2.3 for the avoidance of doubt and notwithstanding any provisions to the contrary, (i) any such payments made in accordance with this Condition shall be made after deduction of any Expenses incurred or to be incurred by the Calculation Agent or the relevant

Issuer in connection with or arising from the resolution of the relevant Payment Disruption Event(s) (including, without limitation, any additional custodial fees); and (ii) no accrued interest shall be paid by the relevant Issuer in respect of any delay which may occur in the payment of any amounts due and payable under the Securities as a result of the operation of this Condition 21.

21.3 Payment Event Cut-Off Date

If a Payment Disruption Event still exists on the Payment Event Cut-Off Date and there remain Reference Assets held by the Hedging Entity to hedge the relevant Issuer's obligations in respect of the Securities which have not been sold or otherwise realised before such Payment Event Cut-Off Date, then the Exercise Date, the Settlement Date or any other date on which any amount in relation to any of the Securities shall be due and payable for the relevant Securities shall fall on the Payment Event Cut-Off Date and the value of the remaining Reference Assets held by the Hedging Entity which are still subject to the Payment Disruption Event or have not been sold or realised by the Hedging Entity shall be deemed to be zero. Thereafter, such Issuer shall have no obligations whatsoever under the relevant Securities.

22. NOTICE OF MARKET DISRUPTION EVENT AND PAYMENT DISRUPTION EVENT

22.1 Market Disruption Event

The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders of the existence of a Market Disruption Event on any day that but for the occurrence or existence of a Market Disruption Event would have been a Valuation Date.

22.2 Payment Disruption Event

The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders of the existence of a Payment Disruption Event on any day that but for the occurrence or existence of a Payment Disruption Event would have been a Settlement Date.

23. ADJUSTMENTS TO INDEX FOR ALL SECURITIES ON A SINGLE INDEX AND SECURITIES ON A BASKET OF INDICES

23.1 Adjustments to Index

23.1.1 If, in respect of Securities on a single Index or Securities on a Basket of Indices, a relevant Index is (i) not calculated and announced by the Sponsor (as defined in the relevant Terms) but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then that Index will be deemed to be the Index so calculated and announced by that successor sponsor or that successor index, as the case may be.

23.1.2 If (i) on or prior to any Valuation Date in respect of Securities on a single Index or Securities on a Basket of Indices, a relevant Index sponsor makes a material change in the formula for or the method of calculating that Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation and other routine events) or (ii) on any Valuation Date in respect of Securities on a single Index or Securities on a Basket of Indices, the sponsor fails to calculate and announce

a relevant Index (including any successor index), then the Calculation Agent shall calculate the relevant Settlement Amount using, in lieu of a published level for that Index, the level for that Index as at that Valuation Date as determined by the Calculation Agent in its sole and absolute discretion in accordance with the formula for and method of calculating that Index last in effect prior to that change or failure, but using only those securities that comprised that Index immediately prior to that change or failure (other than those securities that have since ceased to be listed on any relevant Exchange).

23.2 Cessation of Index

23.2.1 If the Calculation Agent determines, in its sole and absolute discretion, that it is not reasonably practicable (taking into account the costs involved) to calculate or continue to calculate the Index on the basis of Condition 23.1.2 above, the Calculation Agent may re-base the Securities on a single index or Basket of Indices against another index determined by the Calculation Agent, in its sole and absolute discretion, to be a comparable index.

23.2.2 If the Calculation Agent determines in its sole and absolute discretion that there is not such a comparable index, the relevant Issuer may elect to terminate the Securities by giving notice to the Holders in accordance with Condition 14 of such situation and the fair market value, as determined by the Calculation Agent in its sole and absolute discretion, of such Securities and the fair market value so determined to be payable in respect of a Security shall be payable on the date specified in such notice.

24. ADJUSTMENTS AFFECTING SECURITIES ON A SINGLE SHARE AND SECURITIES ON A BASKET OF SHARES

24.1 Adjustments

24.1.1 "**Method of Adjustment**" means a method for determining the appropriate adjustment to make to the terms of Securities on a single Share or Securities on a Basket of Shares upon the occurrence of an event having, in the determination of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

24.1.2 If "**Options Exchange Adjustment**" is specified as the Method of Adjustment in the relevant Terms, then following each adjustment to the settlement terms of options on any relevant Shares traded on any Options Exchange, the Calculation Agent will make the corresponding adjustments, if any, to any one or more of:

- (a) in respect of Securities on a single Share, the Strike Price, the Multiplier and the number of Reference Assets;
- (b) in respect of Securities on a Basket of Shares, the Strike Price, the Multiplier and the number of Reference Assets and the number of such Shares comprised in the Basket;

and, in any case, any other variable relevant to the exercise, settlement or payment terms of the Securities, which adjustment will be effective as of the date determined by the Calculation Agent in its sole and absolute discretion to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the

relevant Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of the relevant variables referred to above or any other variable relevant to the exercise, settlement or payment terms of the Securities as the Calculation Agent determines in its sole and absolute discretion appropriate, with reference to the rules of and precedents (if any) set by the Options Exchange, to account for the diluting or concentrative effect of any event that, in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

24.1.3 If "**Calculation Agent Adjustment**" is specified as the Method of Adjustment in the relevant Terms (or if no Method of Adjustment is specified in the relevant Terms), then following the declaration by the issuer of the relevant Share of the terms of any Potential Adjustment Event, the Calculation Agent may (in its sole and absolute discretion) determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Shares and, if so, will:

- (a) make the corresponding adjustment(s), if any, to any one or more of:
 - (i) in respect of Securities on a single Share, the Strike Price, the Multiplier and the number of Reference Assets;
 - (ii) in respect of Securities on a Basket of Shares, the Strike Price, the Multiplier and the number of Reference Assets and the number of such Shares comprised in the Basket,

and, in any case, any other variable relevant to the exercise, settlement or payment terms of the Securities as the Calculation Agent determines in its sole and absolute discretion appropriate to account for that diluting or concentrative effect; and

- (b) determine the effective date(s) of such adjustment(s).

The determination of the Calculation Agent or the relevant Issuer (as the case may be) shall be binding on the Issuer, the Calculation Agent and the Holders.

24.1.4 "**Options Exchange**" means, in respect of Securities for which Options Exchange Adjustment is the applicable Method of Adjustment and/or the applicable consequence of one or more types of Merger Event under Condition 24.3 below, the exchange or quotation system specified as such in the relevant Terms or any successor to such exchange or quotation system or, if no such exchange or quotation system is specified, the exchange or exchanges on which options contracts or futures contracts on the relevant Shares are traded in the determination of the Calculation Agent.

24.1.5 "**Potential Adjustment Event**" means:

- (a) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of any such Shares to existing holders by way of bonus, capitalisation or similar issue (a "**Bonus Issue**" or "**Stock Split**");
- (b) a distribution or dividend to existing holders of the relevant Shares of (A) such Shares, or (B) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation equally or proportionately with such payments to holders of such Shares, or (C) any other type of securities,

rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent in its sole and absolute discretion (together with any Shares received under (a) above, the "**Further Shares**") (a "**Rights Issue**");

- (c) any payment or dividend (or equivalent) whether in cash or otherwise which is expressed by the issuer of Shares to be a capital distribution, extraordinary dividend, extraordinary distribution, special dividend, special distribution or any return of value to holders of the Shares that in the sole and absolute discretion of the Calculation Agent represents a return exceeding a normally distributed dividend or any analogous or similar term including without limitation a repurchase by the issuer of Shares of any of its issued share capital or class thereof (a "**Capital Distribution**");
- (d) a distribution to existing holders of Shares (a "**Spin-Off Event**") of equity securities of an issuer other than the issuer of the Shares (the "**Spin-Off Securities**"), or subdivision of the Shares (a "Subdivision") into two or more separately quoted classes of equity securities (such new class(es) of equity securities, the "**Reclassified Securities**");
- (e) a cancellation of the Shares as a result of a demerger (as determined by the Calculation Agent in its sole and absolute discretion) (a "**Demerger Event**");
- (f) any change in (i) the listing status of the Share or (ii) the Exchange (as determined by the Calculation Agent in its sole and absolute discretion) (a "**Listing Event**"); and
- (g) any other event (other than a Merger Event) that may have, in the sole and absolute opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

24.1.6

- (a) In the event of a Bonus Issue or Stock Split the Calculation Agent may adjust the Multiplier and the Strike Price by applying the following formulae:

$$\text{Adjusted Multiplier} = \text{Multiplier} \times \frac{l}{r}$$

$$\text{Adjusted Strike Price} = \text{Strike Price} \times r$$

Where

$$"r" = \frac{\text{Number of shares in issue immediately prior to the Bonus Issue or Stock Split}}{\text{Number of shares in issue immediately after the Bonus Issue or Stock Split}}$$

- (b) In the event of a Rights Issue the Calculation Agent may adjust the Multiplier and the Strike Price by applying the following formulae:

$$\text{Adjusted Multiplier} = \text{Multiplier} \times r$$

$$\text{Adjusted Strike Price} = \text{Strike Price} \times \frac{l}{r}$$

where:

$$"r" = \frac{\text{Closing Cum Rights Share Price}}{\text{Closing Cum Rights Share Price}(\text{Rights Share Price} \times \text{Rights Per Share})}$$

"**Closing Cum Rights Share Price**" means the closing price of one Share on the first dealing day on which the Shares are traded on the Exchange cum the relevant Rights Issue;

"**Rights Share Price**" means the price of the issued right to which a holder of the share is entitled pursuant to the Rights Issue as determined (in its sole and absolute discretion) by the Calculation Agent; and

"**Rights Per Share**" means the number of issued rights to which a holder of one Share is entitled pursuant to the Rights Issue.

- (c) In the event of a Capital Distribution the Calculation Agent may (in its sole and absolute discretion) (i) adjust the Multiplier and the Strike Price to compensate for the dilutive effect of the relevant distribution comprising the Capital Distribution or (ii) substitute the Share with a basket comprising the Share and the cash or other distribution to which a holder of a Share would be entitled to receive in such Capital Distribution by virtue of such holding.
- (d) In the event of a Spin-Off Event or Subdivision (i) the Calculation Agent may (in its sole and absolute discretion) substitute the Share with a basket representing Spin-Off Securities and/or Reclassified Securities corresponding to the amount of Spin-Off Securities and/or Reclassified Securities which each holder of a Share would receive following a Spin-Off Event or Subdivision or (ii) the relevant Issuer may (in its sole and absolute discretion) terminate its obligations under the Security and pay to the Holder an amount equal to the Intrinsic Value of such Security.

For the purposes of this Condition 24.1.6:

"**Intrinsic Value**" means (in the sole and absolute discretion of the Calculation Agent) (a) in respect of call Securities, the amount by which the price of the Reference Asset exceeds the Strike Price adjusted by the Multiplier, subject to a minimum of zero and (b) in respect of put Securities, the amount by which the Strike Price exceeds the price of the Reference Asset adjusted by the Multiplier, subject to a minimum of zero.

- (e) In the event of a Demerger Event (i) the Calculation Agent may (in its sole and absolute discretion) substitute the Share with a basket representing the shares of the successor companies ("**Successor Shares**") corresponding to the notional amount or number of Successor Shares which each holder of a Share would receive following a Demerger Event or (ii) the relevant Issuer may (in its sole and absolute discretion) terminate its obligations under the Security and pay to the Holder an amount equal to the Intrinsic Value.
- (f) In the event of a Listing Event, the relevant Issuer may (in its sole and absolute discretion) terminate its obligations under the Security and pay to the Holder an amount equal to the Intrinsic Value.

24.2 Merger Event

"**Merger Date**" means, in respect of a Merger Event and any relevant Shares, the date which is the earlier of:

- (a) a date specified by the Calculation Agent (at its sole and absolute discretion) which falls on or after the date on which such Merger Event occurred; and
- (b) the date upon which all holders of the relevant Shares (other than, in the case of a take over offer, Shares owned or controlled by the offeror) have agreed or become obliged to transfer their Shares.

"**Merger Event**" means in respect of any relevant Shares:

- (a) any offer by, invitation to make an offer by, or other arrangement with, a person (the "**Bidder**"):
 - (i) to reclassify or change all or substantially all such Shares that, if accepted, made or effected (and, in the case of an invitation made, accepted) by or with all or substantially all holders of such Shares, would result in a transfer of or an irrevocable commitment to transfer all or substantially all of such Shares outstanding or in a cancellation of all or substantially all such Shares outstanding on terms that new shares are issued to the Bidder or any entity controlled, directly or indirectly, by the Bidder;
 - (ii) to consolidate, amalgamate or merge the issuer of the Shares with or into another entity (other than a consolidation, amalgamation or merger in which such issuer is the continuing entity and which would not result in any such reclassification or change of all or substantially all of such Shares outstanding); or
 - (iii) to take over all or substantially all such Shares that, if accepted, made or effected (and, in the case of an invitation made, accepted) by all or substantially all holders of such Shares, would result in a transfer of or an irrevocable commitment to transfer all or substantially all such Shares (other than such Shares owned or controlled by the Bidder),

which, in any such case,

- (b) the Calculation Agent determines, in its sole and absolute direction, has been accepted or implemented such that:
 - (i) an amount of such Shares of the relevant issuer of the Shares sufficient to constitute control of the relevant issuer of the Shares, or of any shares issued in respect of such Shares of the relevant issuer of the Shares are controlled, directly or indirectly, by (or on behalf of), the Bidder; or
 - (ii) the issuer of the Shares consolidates, amalgamates or merges with or into another entity; or
 - (iii) an amount of such Shares of the relevant issuer of the Shares sufficient to constitute control of the relevant issuer of the Shares, are taken over, directly or indirectly, by or on behalf, of the Bidder,

in each case, if the Calculation Agent determines, in its sole and absolute discretion, that such event occurs on or before the final Valuation Date. For the purposes of this provision, references to Shares in the phrase "all or substantially all the Shares" and analogous expressions shall exclude (x) those Shares controlled directly or indirectly by or on behalf of the Bidder and (y) those Shares held by persons in respect of which it is unlawful, under the laws of any jurisdiction, to make any such offer, invitation to offer, arrangement or take over.

24.3 Consequences of Merger Events

24.3.1 In respect of each Merger Event, the following terms have the meanings given below:

"**Share-for-Share**" means, in respect of a Merger Event, that the consideration for the relevant Shares consists (or, at the option of the holder of such Shares, may consist) solely of New Shares:

- (a) "**Share-for-Other**" means, in respect of a Merger Event, that the consideration for the relevant Shares consists solely of Other Consideration;
- (b) "**Share-for-Combined**" means, in respect of a Merger Event, that the consideration for the relevant Shares consists of Combined Consideration;
- (c) "**New Shares**" means shares (whether of the offeror or a third party);
- (d) "**Other Consideration**" means cash and/or any securities (other than New Shares) or assets (whether of the offeror or a third party); and
- (e) "**Combined Consideration**" means New Shares in combination with Other Consideration.

24.3.2 In respect of each Share-for-Share Merger Event, if, under the relevant Terms, the consequence specified is:

- (a) "**Alternative Obligation**", then on or after the relevant Merger Date, (A) in the case of Securities on a single Share, the number of New Shares to which a holder of the number of Shares equal to the number of Shares represented by the relevant Security would be entitled upon consummation of the Merger Event will be deemed the number of Shares and, if necessary, the Calculation Agent will adjust any relevant terms accordingly and (B) in the case of Securities on a Basket of Shares, the Basket will be adjusted to include the number of New Shares to which a holder of the number of Shares equal to the number of the Shares comprised in the Basket immediately prior to the occurrence of the Merger Event would be entitled upon consummation of the Merger Event and the New Shares will be deemed "Shares" and, if necessary, the Calculation Agent will adjust any relevant terms accordingly;
- (b) "**Cancellation and Payment**", then in the case of Securities on a single Share or Securities on a Basket of Shares, the Securities will be cancelled as of the Merger Date and the Issuer will pay to the Holder the amount specified in Condition 7.3; or
- (c) "**Other Adjustment**", then the Calculation Agent shall make such other adjustment, in its sole and absolute discretion, as it considers appropriate.

24.3.3 In respect of each Share-for-Other Merger Event or Share-for-Combined Merger Event if, under the relevant Terms, the consequence specified is:

- (a) "**Alternative Obligation**", then on or after the relevant Merger Date, (A) in the case of Securities on a single Share, the amount of Other Consideration to which a holder of the number of Shares equal to the number of Shares represented by the relevant Security would be entitled upon consummation of the Merger Event will be deemed the Reference Asset and, if necessary, the Calculation Agent will adjust any relevant terms accordingly and (B) in the case of Securities on a Basket of Shares, the Basket will be adjusted to include the amount of Other Consideration to which a holder of the number of Shares equal to the number of the Shares comprised in the Basket immediately prior to the occurrence of the Merger Event would be entitled upon consummation of the Merger Event and the Other Consideration will be deemed "Shares" and, if necessary, the Calculation Agent will adjust any relevant terms accordingly;
- (b) "**Cancellation and Payment**", then in the case of Securities on a single Share or Securities on a Basket of Shares, the Securities will be cancelled as of the Merger Date and the relevant Issuer will pay to the Holder the amount specified in Condition 9.3; or
- (c) "**Other Adjustment**", then the Calculation Agent shall make such other adjustment, in its sole and absolute discretion, as it considers appropriate.

24.3.4 The Calculation Agent shall, upon making any of the adjustments set forth in this Condition 24 notify each Holder (in accordance with the provisions of Condition 14) of such adjustment as soon as reasonably practicable.

24.4 **Settlement following a Merger Event**

If New Shares or Other Consideration are required to be valued in relation to a Merger Event under the Securities, the New Shares or Other Consideration will be valued by the Calculation Agent on each Valuation Date, in a commercially reasonable manner.

24.5 **Election of Combined Consideration**

In respect of any Share-for-Combined Merger Event, to the extent that a holder of Shares represented by the relevant number of Securities could elect for the Combined Consideration then:

- 24.5.1 if a holder of Shares could elect to receive New Shares as part of the Combined Consideration, then the Combined Consideration shall be deemed to be New Shares to the maximum value permitted; and
- 24.5.2 if a holder of Shares could make any other election, the composition of the Combined Consideration shall be determined by the Calculation Agent in its sole and absolute discretion.

24.6 **Nationalisation or Insolvency**

24.6.1 The following terms have the meanings given below:

- (a) "**Nationalisation**" of Shares means that all the Shares or all the assets or substantially all the assets of an issuer of Shares are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity; and
 - (b) "**Insolvency**" means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting an issuer of Shares, (A) all the Shares of that issuer are required to be transferred to a trustee, liquidator or other similar official or (B) holders of the Shares of that issuer become legally prohibited from transferring them.
- 24.6.2 The Calculation Agent shall, upon becoming aware of the occurrence of a Nationalisation or Insolvency affecting Shares to which a Security relates (an "**Affected Security**"), notify the Holder as soon as reasonably practicable under the circumstances of such event.
- 24.6.3 In respect of Securities on a single Share, upon a Nationalisation or an Insolvency, the Affected Securities will be cancelled on a date as notified by the Calculation Agent to the Holder by notice to the Programme Agent and the relevant Issuer will pay to the Holder the amount specified in Condition 9.3.
- 24.6.4 In respect of Securities on a Basket of Shares, upon a Nationalisation or an Insolvency, the relevant Issuer may, in its sole and absolute discretion, either:
- (a) cancel the Affected Security on a date as notified by the Calculation Agent to the Holder by notice to the Programme Agent, in which event such Issuer shall pay to the Holder the amount specified in Condition 9.3; or
 - (b) elect not to cancel the Affected Security, in which event, on a day as notified by the Calculation Agent to the Holder by notice to the Programme Agent:
 - (i) such Issuer shall pay to the Holder the amount of the fair market value as determined by the Calculation Agent in its sole and absolute discretion of the Affected Security, insofar as such Affected Security relates to the Shares affected by the Nationalisation or Insolvency (the "**Affected Shares**") (but not further or otherwise), or an amount determined by the Calculation Agent in its sole and absolute discretion as specified in the relevant Terms, and such amount so determined to be payable in respect of such Affected Security shall be payable on the date specified in such notice; and

Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Fund or any Replacement Fund (as applicable) and, if so, will make the corresponding adjustment as it reasonably determines to be appropriate, if any, to any amount that is payable in respect of the Securities and/or any other adjustment and, in any case, any other variable relevant to the payment terms of the Securities as the Calculation Agent reasonably determines to be appropriate to account for that diluting or concentrative effect and will determine the effective date(s) of such adjustment(s).

Upon making any such adjustment(s) set out in this Condition 28, the Calculation Agent shall give notice as soon as reasonably practicable to the Holders of the relevant Securities, giving details of the Potential Adjustment Event concerning the Fund or Replacement Fund (as applicable), whether the Potential Adjustment Event has had a diluting or concentrative effect on the theoretical value of the Fund or Replacement Fund (as applicable) and what corresponding adjustments (if any) the Calculation Agent has made concerning any amount that is payable in respect of the Securities, any variable relevant to the payment terms of the Securities and/or any other relevant terms of the Securities.

Registrar e Agente del Programma:	Lloyds TSB Registrars.
Agente per il Calcolo:	Goldman Sachs International (" GSI ").
Metodo di emissione:	Gli Strumenti Finanziari saranno emessi in serie (ciascuna, una " Serie "). Ogni Serie può comprendere una o più tranche (ciascuna una " Tranche ") emesse nelle stesse o in diverse date di emissione. Ogni Tranche sarà emessa e sarà soggetta ai termini e alle condizioni (il " Regolamento ") stabiliti nel Regolamento e integrate dalle condizioni supplementari eventualmente stabilite nelle relative Condizioni Definitive.
Prezzo di emissione:	Gli Strumenti Finanziari possono essere emessi a un qualsiasi prezzo di emissione, che sarà specificato nel relativo Regolamento.
Regime di distribuzione:	Gli Emittenti intendono emettere gli Strumenti Finanziari ad una collegata di GSE (che si prevede sarà GSI). GSI agirà in qualità di operatore dedicato e market maker negli Strumenti Finanziari. Un mercato negli Strumenti Finanziari sarà prevedibilmente creato soltanto da GSI o da un'altra collegata degli Emittenti.
Status degli Strumenti Finanziari:	Gli Strumenti Finanziari costituiranno impegni non subordinati e non garantiti del relativo Emittente, avranno tutti pari grado e, fatta eccezione per taluni impegni cui la legge applicabile assegna priorità, saranno di pari grado rispetto a tutti gli altri impegni presenti e futuri in essere non garantiti e non subordinati del relativo Emittente.
Forma e Trasferimento di Strumenti Finanziari:	Gli Strumenti Finanziari saranno emessi e trasferiti esclusivamente in forma registrata e non certificata tramite il sistema di negoziazione di titoli dematerializzati gestito da CRESTCo Limited, noto come CREST, e/o da un altro sistema o da sistemi di liquidazione supplementari eventualmente specificati nel relativo Regolamento. Gli Strumenti Finanziari saranno costituiti da, e beneficeranno di, un Deed of Covenant sottoscritto da ciascuno degli Emittenti, copie del quale saranno disponibili in visione, durante il normale orario di lavoro, presso gli uffici dell'Agente del Programma a Londra. Nessun trasferimento di Strumenti Finanziari sarà valido a meno che e fintantoché non venga registrato nel Registro dei Portatori. Uno Strumento Finanziario può essere registrato soltanto a nome di, e trasferito unicamente a, un soggetto di cui sia fornito il nome (o soggetti, non superiori a quattro).
Esercizio degli Strumenti Finanziari:	Fatte salve le disposizioni più dettagliate delle Condizioni e del Regolamento, il Portatore di ogni Strumento Finanziario avrà diritto a ricevere un importo in contanti (l'" Importo di Liquidazione ") dall'Emittente o dal Garante/dai Garanti, a seconda del caso, calcolato in conformità alle relative Condizioni e

al relativo Regolamento. Gli Strumenti Finanziari saranno specificati nel Regolamento applicabile come di "Tipo americano", "Tipo europeo" o "Tipo bermudiano". Gli Strumenti Finanziari di Tipo americano saranno esercitabili in qualsiasi Giorno Lavorativo durante un determinato Periodo di esercizio, quelli di Tipo europeo saranno esercitabili in una determinata Data di Esercizio, mentre quelli di Tipo bermudiano saranno esercitabili in una qualsiasi di due o più Date di esercizio specificate. Gli Strumenti Finanziari possono inoltre essere definiti nel Regolamento applicabile come Strumenti Finanziari a esercizio multiplo, ossia Strumenti Finanziari che possono essere esercitati una volta in ciascuna Data di Esercizio specificata. Gli Strumenti Finanziari danno origine a opzioni esercitabili dal relativo Portatore. Nessun Portatore ha l'obbligo di esercitare i propri Strumenti Finanziari né, in assenza di tale esercizio e salvo quanto stabilito in seguito, il relativo Emittente o, a seconda del caso, il/i relativo/i Garante/Garanti hanno alcun obbligo di pagare un qualsiasi importo in ordine agli Strumenti Finanziari. In caso di esercizio di Strumenti Finanziari, il Portatore è tenuto a certificare che gli stessi non vengono esercitati da parte di o per conto di un soggetto statunitense o un soggetto che risieda negli Stati Uniti e che detti Strumenti Finanziari non sono posseduti a beneficio di un soggetto statunitense o da un soggetto residente negli Stati Uniti.

Gli Strumenti Finanziari possono essere esercitati tramite la consegna all'Agente del Programma di una Dichiarazione di Esercizio debitamente compilata da parte del Portatore o, qualora il relativo Emittente sia stato obbligato a effettuare il pagamento di un Importo di Liquidazione (a) in ordine a Strumenti Finanziari di Tipo europeo, in qualsiasi Data di Esercizio o (b) in ordine a Strumenti Finanziari di Tipo americano o bermudiano, in una qualsiasi Data di Esercizio finale, al Portatore di tale Strumento Finanziario nel caso in cui lo stesso sia stato esercitato dal relativo Portatore, detto Strumento Finanziario sarà automaticamente esercitato in detta Data di Esercizio o Data di Esercizio Finale, a seconda del caso. Nel relativo Regolamento l'Emittente interessato può specificare un numero massimo o minimo di Strumenti Finanziari esercitabili in qualsiasi data. Nel caso di esercizio di Strumenti Finanziari, vi sarà un periodo di sfasamento tra il momento in cui un Portatore fornisce le istruzioni per l'esercizio e il momento in cui viene determinato l'Importo di Liquidazione applicabile relativo a detto esercizio. Durante tali periodi il valore del Sottostante può variare in misura significativa; dette variazioni potrebbero diminuire l'Importo di Liquidazione relativamente agli Strumenti Finanziari esercitati e di conseguenza tale importo potrebbe essere pari a zero.

Garanzie:

Il pagamento puntuale di tutte le somme di volta in volta dovute da GSJ in ordine agli Strumenti Finanziari emessi dalla stessa sono incondizionatamente e irrevocabilmente garantiti da GSE in qualità di Garante in conformità a un

Atto di garanzia datato 11 luglio 2006. Inoltre, il pagamento puntuale di tutte le somme di volta in volta dovute da GSE in ordine agli Strumenti Finanziari emessi o garantiti dalla stessa sono incondizionatamente e irrevocabilmente garantiti da GSIG in conformità a un atto di garanzia datato 11 luglio 2006. Gli impegni di ogni Garante ai sensi della Garanzia rappresentano impegni diretti, non subordinati, non garantiti e irrevocabili del relativo Garante e hanno pari grado rispetto a tutti gli altri impegni diretti, non subordinati e non garantiti dello stesso.

Illegalità:

Qualora il relativo Emittente stabilisca che il suo esercizio di Strumenti Finanziari sia diventato del tutto o in parte illegittimo o impraticabile per qualsiasi motivo, tale Emittente ha facoltà di cancellare detti Strumenti Finanziari e, se consentito dalla legge applicabile, pagare al portatore degli stessi un importo pari al loro equo valore di mercato.

- Eventi di Turbativa:** Il Regolamento relativo a ciascuna Serie di Strumenti Finanziari dovrà specificare gli eventuali Eventi di Turbativa dei Pagamenti, della Liquidazione e del Mercato applicabili a detti Strumenti Finanziari. Qualora l'Agente per il Calcolo stabilisca a sua discrezione il verificarsi di un Evento di Turbativa dei Pagamenti, della Liquidazione o del Mercato, ciò potrebbe comportare il differimento per un determinato periodo della Data di Esercizio, della Data di Valutazione e/o della Data di Liquidazione. L'Agente per il Calcolo potrebbe inoltre avere diritto a valutare il relativo Sottostante basandosi sulla sua stima, effettuata in buona fede, del prezzo di detto Sottostante che avrebbe prevalso se non si fosse verificata la turbativa.
- Correzioni:** In conformità alle Condizioni, in seguito al verificarsi di taluni eventi specificati relativamente a un qualsiasi Sottostante al quale si riferisce una Serie di Strumenti Finanziari, l'Agente per il Calcolo può avere diritto ad apportare correzioni a detto Sottostante o a sostituirlo a sua discrezione.
- Regime Fiscale:** Salvo quanto diversamente stabilito nel relativo Regolamento, i Portatori sono tenuti al versamento di imposte, ivi inclusa la ritenuta d'acconto, dovute in relazione agli Strumenti Finanziari.
- Quotazione:** Se specificato nel relativo Regolamento, può essere presentata domanda di ammissione degli Strumenti Finanziari emessi secondo il Programma al listino ufficiale della Financial Services Authority e alla negoziazione sul mercato regolamentato della Borsa di Londra per Strumenti Finanziari quotati. Gli Strumenti Finanziari possono inoltre essere quotati su qualsiasi altra borsa o possono non essere quotati. Il Relativo Regolamento in ordine a ciascuna Serie di Strumenti Finanziari dovrà specificare l'eventuale borsa sulla quale gli stessi saranno quotati.
- Legge Applicabile:** Gli Strumenti Finanziari saranno creati ai sensi della Legge d'Inghilterra e disciplinati dalla stessa.
- Vincoli alla Vendita:** In alcune giurisdizioni, tra cui Stati Uniti e Jersey (vedere la sezione "**Vincoli alla Vendita**" sotto riportata), esistono vincoli sulla vendita di Strumenti Finanziari e sulla distribuzione del materiale di offerta. Ulteriori vincoli, ivi inclusi quelli sul trasferimento, possono essere applicabili in relazione a una particolare Tranche di Strumenti Finanziari e saranno riportati nel relativo Regolamento.
- Fattori di rischio:** Acquistando Strumenti Finanziari, ciascun Portatore dichiara e garantisce implicitamente agli Emittenti e al/ai relativo/i Garante/i, e suppone che la complessità e i rischi inerenti agli Strumenti Finanziari siano adeguati ai propri obiettivi. Un soggetto dovrebbe negoziare Strumenti Finanziari soltanto qualora comprenda la natura delle relative operazioni e la portata

della propria esposizione a una perdita potenziale. I potenziali acquirenti di Strumenti Finanziari dovrebbero avere esperienza in opzioni e in operazioni su opzioni, dovrebbero comprendere i rischi di operazioni che coinvolgono i relativi Strumenti Finanziari e dovrebbero prendere una decisione di investimento soltanto dopo un attento esame, insieme ai propri consulenti, dell'idoneità di detti Strumenti Finanziari alla luce della propria particolare situazione finanziaria, di tutte le informazioni stabilite nel presente documento, dei dati relativi ai relativi Strumenti Finanziari riportati nel Regolamento applicabile e del particolare Sottostante al quale il valore dei relativi Strumenti Finanziari può essere connesso. Essi dovrebbero consultare il proprio consulente legale, fiscale, contabile e altri consulenti indipendenti affinché questi possano assisterli nello stabilire l'idoneità di un loro investimento negli Strumenti Finanziari o nel caso essi avessero dubbi circa il contenuto del presente Prospetto di Base. Le operazioni in Strumenti Finanziari fuori borsa possono comportare rischi maggiori rispetto a operazioni in Strumenti Finanziari negoziati in borsa. Il mercato per gli Strumenti Finanziari potrebbe essere limitato e ciò potrebbe avere un impatto negativo sul loro valore e/o sulla capacità di un Portatore di alienare gli stessi. Né gli Emittenti né il Garante hanno direttamente o indirettamente rilasciato, e non rilasciano, a un qualsiasi potenziale acquirente di Strumenti Finanziari, alcuna garanzia relativamente ai meriti o alla performance degli Strumenti Finanziari. Gli Emittenti non hanno inoltre alcun obbligo né si impegnano in alcun modo a costituire un mercato negli o a riacquistare gli Strumenti Finanziari. Gli Strumenti Finanziari implicano un livello elevato di rischio che può includere i rischi di tassi di interesse, rischi societari, di mercato, di cambio, di valore temporale e/o rischi politici. I potenziali acquirenti di Strumenti Finanziari dovrebbero essere consapevoli del fatto che i loro Strumenti Finanziari potrebbero non avere alcun valore alla loro scadenza o al loro esercizio e pertanto dovrebbero essere preparati a sostenere una perdita totale del prezzo di acquisto dei loro Strumenti Finanziari. Tale rischio riflette la natura di uno Strumento Finanziario quale attività il cui valore può diminuire nel tempo e che può essere privo di valore al momento della scadenza. Supponendo che tutti gli altri fattori si mantengano costanti e che non vi sia alcuna forma di protezione del capitale nei termini del relativo Strumento Finanziario come stabilito nel rispettivo Regolamento, quanto più uno Strumento Finanziario è "out of the money" e quanto più esso è vicino alla scadenza, tanto maggiore sarà il rischio che gli acquirenti di detti Strumenti Finanziari possano perdere, integralmente o in parte, il proprio investimento. Per una descrizione più dettagliata dei rischi associati agli Strumenti Finanziari, si rimanda alla sezione "Fattori di rischio" che segue.

**Considerazioni
sulle leggi del**

Gli Strumenti Finanziari descritti nel presente Prospetto di Base non costituiscono un fondo comune di investimento ai fini della Legge sui

Jersey:

Fondi Comuni di Investimento (Jersey) del 1988 e successivi emendamenti, in quanto essi sono prodotti di investimento concepiti per investitori finanziariamente esperti, con una conoscenza specifica e un'esperienza nell'investimento, in grado di valutare completamente i rischi implicati nell'effettuare simili investimenti e che posseggono risorse finanziarie sufficienti a consentire loro di sopportare eventuali perdite che potrebbero subire in conseguenza di simili investimenti. La Commissione per i Servizi Finanziari del Jersey (Jersey Financial Services Commission) non ritiene che questi investimenti siano adeguati a qualsiasi altro tipo di investitori.

Un qualsiasi soggetto che intenda investire negli Strumenti Finanziari descritti nel presente Prospetto di Base dovrebbe consultare i propri consulenti indipendenti e assicurarsi di avere completamente compreso tutti i rischi associati a un simile investimento e di avere risorse finanziarie sufficienti a sopportare una qualsiasi perdita che potrebbe derivare dallo stesso.

Potenziali conflitti d'interesse:

Alcune collegate degli Emittenti e dei Garanti (ivi inclusa GSI) possono di volta in volta informare gli emittenti del Sottostante in merito a operazioni che le stesse dovranno stipulare o che effettueranno coinvolgendo uno o più Sottostanti per i conti di loro proprietà e per altri conti sotto la loro gestione. Tali operazioni possono avere un effetto positivo o negativo sul valore di detti Sottostanti e pertanto sul valore degli Strumenti Finanziari ai quali si riferiscono. Alcune collegate degli Emittenti e dei Garanti (ivi inclusa GSI) possono inoltre essere controparti in operazioni di copertura degli impegni del relativo Emittente e, laddove applicabile, degli impegni del Garante in ordine a qualsiasi Tranche di Strumenti Finanziari. Di conseguenza potrebbero insorgere determinati conflitti di interesse sia tra dette collegate che tra gli interessi delle stesse e quelli dei Portatori.
