Final Terms
dated 26 July 2012

with respect to the

Base Prospectus
dated 26 April 2012

relating to

3,000 Certificates of 2012/2013
relating to the performance of Shares

to be listed in the Republic of Italy

COMMERZBANK 

In addition to the information relevant to individual issues, these Final Terms repeat some of the information set out in the Base Prospectus dated 26 April 2012 regarding the Certificates where the Issuer deems such information necessary in order to satisfy the investor's need for information in relation to the respective issue of Certificates.

RISK FACTORS

The investment in the certificates relating to the performance of the Indices (each an "**Underlying**") (the "**Certificates**") is associated with certain risks. The information set forth hereinafter merely describes the major risks that are associated with an investment in the Certificates in the Issuer's opinion. In this regard, however, **the Issuer expressly points out that the description of the risks associated with an investment in the Certificates is not exhaustive.**

In addition, the order in which such risks are presented does not indicate the extent of their potential commercial effects in the event that they are realised, or the likelihood of their realisation. The realisation of one or more of said risks may adversely affect the assets, finances and profits of Commerzbank Aktiengesellschaft or the value of the Certificates themselves.

Moreover, additional risks that are not known at the date of preparation of the Base Prospectus dated 26 April 2012 and these Final Terms or are currently believed to be immaterial could likewise have an adverse effect on the value of the Certificates.

The occurrence of one or more of the risks disclosed in the Base Prospectus dated 26 April 2012, any supplement and/or these Final Terms or any additional risks may lead to a material and sustained loss and, depending on the structure of the Certificate, even result in the **total loss** of the investor's capital.

Investors should invest in the Certificates only if they are able to bear the risk of losing the capital invested, including any transaction costs incurred.

Potential investors in the Certificates must in each case determine the suitability of the relevant investment in light of their own personal and financial situation. In particular, potential investors should in each case:

- have sufficient knowledge and experience to make a meaningful evaluation of the Certificates, the merits and risks of investing in the Certificates and/or the information contained or incorporated by reference in the Base Prospectus dated 26 April 2012 or any applicable supplement and all the information contained in these Final Terms;
- have sufficient financial resources and liquidity to bear all of the risks associated with an investment in the Certificates;
- understand thoroughly the Terms and Conditions pertaining to the Certificates and be familiar with the behaviour of any relevant Underlying and the financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect the value of their investment and be able to bear the associated risks.

These risk warnings do not substitute advice by the investor's bank or by the investor's legal, business or tax advisers, which should in any event be obtained by the investor in order to be able to assess the consequences of an investment in the Certificates. Investment decisions should not be made solely on the basis of the risk warnings set out in the Base Prospectus dated 26 April 2012, any supplement and/or these Final Terms since such information cannot serve as a substitute for individual advice and information which is tailored to the requirements, objectives, experience, knowledge and circumstances of the investor concerned.

The Certificates are subject to - potentially major - price fluctuations and may involve the risk of a **complete or partial loss** of the invested capital (including any costs incurred in connection with the subscription of the Certificates). Since, in the case of Certificates, the Settlement Amount is linked to an underlying (e.g. a share, index, commodity (e.g. a precious metal), futures contract, bond,

exchange rate, an interest rate, a fund or any other underlying, a basket or an index that is composed of any of the aforementioned values, commodities, rates or other underlyings, (e.g. alternative risks, real estates, life insurances, inflation, volatility), Certificates are investments that might not be suitable for all investors.

The Certificates may have complex structures, which the investor might not fully understand. The investor might therefore underestimate the actual risk that is associated with an investment in the Certificates. Therefore, potential investors should study carefully the risks associated with an investment in the Certificates (with regard to the Issuer, the type of Certificates and/or the Underlyings, as applicable), as well as any other information contained in the Base Prospectus dated 26 April 2012, any supplements thereto as well as these Final Terms, and possibly consult their personal (including tax) advisors. Prior to subscribing the Certificates, potential investors should ensure that they fully understand the mechanics of the relevant Certificates and that they are able to assess and bear the risk of a **(total)** loss of their investment. Prospective investors in the Certificates should in each case consider carefully whether the Certificates are suitable for them in the light of their individual circumstances and financial position.

It is possible that the performance of the Certificates is adversely affected by several risk factors at the same time. The Issuer, however, is unable to make any reliable prediction on such combined effects.

Other general risks associated with the investment in the Certificates (such as factors influencing the price of the Certificates at the time of issue and in the secondary market, conflicts of interest, hedging risks, interest rate and inflationary risks, as well as currency risks) are set out in the detailed provisions of the Base Prospectus dated 26 April 2012.

Special risks relating to the Certificates

- **General**

Each Certificate entitles its holder to receive the Settlement Amount per Certificate on the Maturity Date which will be

- (i) if during the Monitoring Period the Reference Price B is always above 50% of the Strike Price: an amount equal to EUR 1,225; or
- (ii) in all other cases: an amount equal to EUR 1,000 multiplied by the minimum of (a) 122.50% or (b) a decimal number calculated by dividing (I) the Reference Price A on the Valuation Date by (II) the Strike Price,

all in accordance with the formula and definitions contained in the Terms and Conditions of the Certificates. In scenario (ii) described above, the Settlement Amount per Certificate will not exceed EUR 1,225 and, if the Share closes at zero on the Valuation Date, there will be no Settlement Amount payable at all. **In such case, the investor would lose the total amount of the invested capital (including transaction costs).**

- **Loss risks**

A change in the value of the Underlying may result in a significant reduction of the Settlement Amount of the Certificates below the initial purchase price and, therefore, in a significant loss for the Certificateholder in relation to the purchase price paid for the Certificates.

A potential profit from an investment in the Certificates can therefore only be made in the case that the Certificates are redeemed at a Settlement Amount per Certificate which is above the price paid for the purchase of the Certificates.

As the price of the Underlying is volatile, a profit from an investment in the Certificates cannot be guaranteed. The Investor should note that the Settlement Amount per Certificate does not exceed EUR 1,225. Therefore an investor will not participate in an increase of the value of the Underlying above 122.50% of the Strike Price.

In addition, the costs associated with the purchase or sale of the Certificates must be taken into account when considering the economic aspects of an investment.

Furthermore, investors bear the risk that the Issuer's financial situation may deteriorate - or that insolvency proceedings might be instituted with regard to its assets - and that the Issuer might therefore default on the payments due under the Certificates.

The maximum loss in relation to the Certificates consists in a total loss of the invested amount (including transaction costs).

- **No regular income**

The Certificates represent neither a claim to interest nor dividend payments and thus do **not** generate any regular income. This means that it may not be possible to compensate for potential losses associated with an investment in the Certificates through income generated in connection therewith.

- **Adjustments and Termination by the Issuer**

Subject to particular circumstances as described in greater detail in the Terms and Conditions of the Certificates, the Issuer may be entitled to perform certain adjustments. Such adjustments may have an adverse effect on the value of the Certificates. The Terms and Conditions of the Certificates will only be adjusted for distributions and other corporate actions relating to the Shares in certain limited circumstances.

In addition, the Issuer may be entitled to early terminate the Certificates in accordance with the Terms and Conditions. In that case, the Certificates will expire prematurely. If the Issuer gives notice of termination regarding the Certificates, all outstanding Certificates shall be redeemed at the Termination Amount. The Issuer shall determine the Termination Amount for the Certificates in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)) by taking into account applicable market conditions.

- **Redemption at Maturity, Sale of the Certificates**

Under certain limited circumstances as set forth in these Final Terms, the Certificates may be redeemed early, which may adversely affect the economics of the Certificates for the investor.

Subject to the Termination of the Certificates by the Issuer (§ 6 of the Terms and Conditions of the Certificates), the payment of the Settlement Amount to the Certificateholders is foreseen only on the Maturity Date stipulated in the Terms and Conditions.

Prior to the Maturity Date, the economic value represented by the Certificates may be realised only by way of a sale of the Certificates. A sale of the Certificates, however, is contingent upon the availability of market participants who are prepared to purchase the Certificates at a corresponding price. If no such market participants are available, it may not be possible to realise the value of the Certificates. In particular, investors cannot expect that there will be a liquid market for the Certificates under all circumstances and therefore, they also cannot expect that the assets invested in the Certificates may be realised at any time by way of a sale of the Certificates. For that reason, investors should be prepared to hold the Certificates until the Maturity Date.

- **Certificates are unsecured obligations (Status)**

The obligations under the Certificates constitute direct, unconditional and unsecured obligations of the Issuer and, unless otherwise provided by applicable law, rank at least *pari passu* with all other unsecured and unsubordinated obligations of the Issuer. They are neither secured by the Deposit Protection Fund of the Association of German Banks (*Einlagensicherungsfonds des Bundesverbands deutscher Banken e.V.*) nor by the German Deposit Guarantee and Investor Compensation Act (*Einlagensicherungs- und Anlegerentschädigungsgesetz*).

This means that the investor bears the risk that the Issuer's financial situation may worsen - or that insolvency proceedings might be instituted with regard to its assets - and that the Issuer therefore

might be unable to make any payments due under the Certificates. **Under these circumstances, a total loss of the investor's capital might be possible.**

Special risks relating to the Underlyings of the Certificates

The value of a Certificate's Underlying depends upon a number of factors that may be interconnected. These may include economic, financial and political events beyond the Issuer's control.

The past performance of an Underlying should not be regarded as an indicator of its future performance during the term of the Certificates.

Certificates relating to shares are associated with particular risks beyond the Issuer's control, such as the risk that the respective company will be rendered insolvent, the risk that the share price will fluctuate or risks that occur in relation to dividend payments by the company. The performance of the shares depends to a very significant extent on developments on the capital markets, which in turn depend on the general global economic situation and more specific economic and political conditions. Shares in companies with low to medium market capitalisation may be subject to even higher risks (e.g. relating to their volatility or insolvency) than is the case for shares in larger companies. Moreover, shares in companies with low capitalisation may be extremely illiquid as a result of low trading volumes.

Shares in companies which have their statutory seat or significant business operations in countries with limited certainty of law are subject to additional risks such as, for instance, government interventions or nationalisation which may lead to a total or partial loss of the invested capital or of access to the capital invested in that country. This may result in a total or partial loss in relation to the value of the share. The realisation of such risks may also result in a total or partial loss of the invested capital for holders of Certificates that are linked to such shares.

Holders of Certificates that are linked to shares, unlike investors which directly invest in the shares, do not receive dividends or other distributions payable to the holders of the underlying shares.

If the Underlying consists of securities in lieu of shares (e.g. American Depositary Receipts ("**ADRs**") or Global Depositary Receipts ("**GDRs**"), together "**Depositary Receipts**"), additional risks might occur. ADRs are securities issued in the United States of America that take the form of participation certificates in relation to a portfolio of shares held in the home country of the issuer of the underlying shares outside the United States. GDRs are also securities that take the form of participation certificates in relation to a portfolio of shares held in the home country of the issuer of the underlying shares. They normally differ from the participation certificates referred to as ADRs in that they are publicly offered and/or issued outside the United States of America. Each Depositary Receipt represents one or more shares or a fraction of a security in a foreign corporation. In the case of both types of Depositary Receipt, the legal owner of the underlying share is the depositary bank, which also acts as the issuing agent of the Depositary Receipts.

Depending on the jurisdiction in which the Depositary Receipts were issued and the laws by which the depositary contract is governed, it cannot be ruled out that the holder of the Depositary Receipts may not be recognised as the actual beneficial owner of the underlying shares in the relevant jurisdiction. Particularly in the case that the depositary bank becomes insolvent and/or debt enforcement proceedings are initiated with regard to it, the relevant underlying shares may be subjected to disposal restrictions and/or utilised commercially in the context of debt enforcement measure undertaken against the depositary bank. In that case, the relevant holder will forfeit the rights in the Underlying shares represented by the relevant Depositary Receipt. This means that the Depositary Receipt as underlying will be rendered worthless, so that the securities relating to that Depositary Receipt (except in the case of reverse structures) will also be rendered worthless. In such a scenario, the investor faces a risk of total loss subject to a possible unconditional minimum repayment amount or other (partial) capital protection.

It must also be taken into account that the depositary bank may stop offering Depositary Receipts at any time and that, in that case or if the depositary bank becomes insolvent, the Issuer will, subject to more detailed provisions set out in the Terms and Conditions of the Certificates, be entitled to adjust the Terms and Conditions and/or terminate the Certificates.

3. The Issuer reserves the right to issue from time to time without the consent of the Certificateholders additional tranches of Certificates with substantially identical terms, so that the same shall be consolidated to form a single series and increase the total volume of the Certificates. The term "Certificates" shall, in the event of such consolidation, also comprise such additionally issued Certificates.

If, according to the before-mentioned, the Valuation Date is postponed to the second Exchange Business Day prior to the Maturity Date, and if on such day the Reference Price A is not determined and published or if a Market Disruption Event with respect to the Share occurs on such day, then this day shall be deemed to be the Valuation Date and the Issuer shall estimate the Reference Price A in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)), and in consideration of the prevailing market conditions on such day and make notification thereof in accordance with § 11.

§ 3 MATURITY

1. Subject to the provisions contained in § 4, each Certificate will be redeemed on the Maturity Date by the payment of an amount in EUR (the "**Settlement Amount**").
2. The Settlement Amount of the Certificates shall be calculated in accordance with the following provisions:

5. For so long as the Certificates are admitted to listing on Borsa Italiana S.p.A. and to trading on the electronic Securitised Derivatives Market (SeDeX) of Borsa Italiana S.p.A., then at any time prior to 5:50 p.m. Milan time (the "**Renouncement Notice Cut-Off Time**") on the first Payment Business Day following the Valuation Date (the "**Renouncement Notice Cut-Off Date**"), any Certificateholder may renounce the redemption of the Certificates by payment of the Settlement Amount in accordance with § 3 (the "**Automatic Exercise**") by the delivery of a duly completed renouncement notice (the "**Renouncement Notice**") in the form set out in Annex 1 to these Terms and Conditions to the Certificates Account Holder, with a copy thereof to the Paying Agent. Once delivered, a Renouncement Notice shall be irrevocable and the relevant Certificateholder may not transfer the Certificates which are the subject of the Renouncement Notice. If a duly completed Renouncement Notice is validly delivered prior to the Renouncement Notice Cut-off Time on the Renouncement Notice Cut-off Date, any rights arising from the Certificates will terminate upon such delivery and the relevant Certificateholder will not be entitled to receive the Settlement Amount payable by the Issuer with respect to the Certificates and the Issuer shall have no further liability with respect to such Settlement Amount.

Any determination as to whether a Renouncement Notice is duly completed and in proper form shall be made by the Certificates Account Holder (in consultation with the Paying Agent and the Clearing System) and shall be conclusive and binding on the Issuer, the Paying Agent and the relevant Certificateholder.

Subject as follows, any Renouncement Notice so determined to be incomplete or not in proper form shall be null and void. If such Renouncement Notice is subsequently corrected to the satisfaction of the Paying Agent, it shall be deemed to be a new Renouncement Notice submitted at the time such correction was delivered to the Certificates Account Holder, with a copy thereof to the Paying Agent.

§ 5
PAYMENTS

1. All amounts payable pursuant to these Terms and Conditions shall be made to the Paying Agent, subject to the provision that the Paying Agent transfers such amounts via the Additional Paying Agent to the Clearing System on the dates stated in these Terms and Conditions so that they may be credited to the accounts of the relevant custodian banks and then forwarded on to the Certificateholders.
2. If any payment with respect to a Certificate is to be effected on a day other than a Payment Business Day, payment shall be effected on the next following Payment Business Day. In this case, the relevant Certificateholder shall neither be entitled to any payment claim nor to any interest claim or other compensation with respect to such delay.
3. All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives.

§ 6

ADJUSTMENTS; EXTRAORDINARY TERMINATION RIGHT OF THE ISSUER

1. If an Adjustment Event or an Extraordinary Event has a material effect on the price of the Share, the Issuer will make adjustments to the Terms and Conditions taking into consideration the provisions set forth hereinafter. If an Extraordinary Event has occurred, the Issuer may (instead of such an adjustment) optionally terminate the Certificates prematurely with respect to a Payment Business Day (the "**Extraordinary Termination Date**") with a prior notice of seven Payment Business Days in accordance with § 11. Any termination of the Certificates in part shall be excluded.

- (a) Adjustments to the Terms and Conditions shall correspond to the adjustments to option or futures contracts relating to the Share made by the Futures Exchange or that would have been made by the Futures Exchange if such option or futures contracts were traded on the Futures Exchange. In the event of any doubts regarding the application of the adjustment rules of the Futures Exchange, the Issuer shall decide in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)). The adjustments made by the Issuer may deviate from those made by the Futures Exchange in cases where the adjustments made by the Futures Exchange would only lead to a minor adjustment of the Terms and Conditions, as well as in cases when and where such deviation is necessary in the reasonable discretion of the Issuer (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)) to compensate for the economic effect of the relevant Adjustment Event or Extraordinary Event on the price of the Share.

As a result of such adjustments especially the Strike Price may be amended. The adjustments may also result in the Share being replaced by another share or other securities, a basket of securities and/or cash, and another stock exchange being determined as the Exchange. If the Futures Exchange makes an adjustment by replacing the Share by a basket of shares, the Issuer shall be entitled to determine only the share with the highest market capitalisation on the relevant Cut-off Date (as defined below) as the (new) Underlying, to sell the remaining shares in the basket on the first Exchange Business Day following the Cut-off Date (as defined below) at the first available price and to reinvest the proceeds immediately afterwards in the remaining Share.

Adjustments and determinations take effect as from the date (the "**Cut-off Date**") determined by the Issuer in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)), provided that (in case the Issuer follows the manner in which adjustments are or would be made by the Futures Exchange) the Issuer shall use the date at which such adjustments take effect or would take effect at the Futures Exchange if such option or futures contracts were traded at the Futures Exchange.

Adjustments and determinations as well as the effective date shall be notified by the Issuer in accordance with § 11.

Any adjustment in accordance with this § 6 paragraph 1 does not exclude a later termination in accordance with this paragraph on the basis of the same event.

- (b) If the Certificates are called for redemption due to the occurrence of an Extraordinary Event, they shall be redeemed at the termination amount per Certificate (the "**Extraordinary Termination Amount**") which shall be calculated by the Issuer in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)) by taking into account applicable market conditions.

The Issuer shall pay the Extraordinary Termination Amount to the Certificateholders not later than the fifth Payment Business Day following the Extraordinary Termination Date to the Clearing System for crediting the accounts of the depositors of the Certificates with the Clearing System. The rights in connection with the Certificates shall expire upon the payment of the Extraordinary Termination Amount to the Clearing System.

2. The Issuer may also terminate the Certificates according to paragraph 1 in the case of a takeover-bid, i.e. an offer to take over or to swap or any other offer or any other act of an

individual person or a legal entity that results in the individual person or legal entity buying, otherwise acquiring or obtaining a right to buy more than 10% of the outstanding shares of the Company as a consequence of a conversion or otherwise, all as determined by the Issuer based on notifications to the competent authorities or on other information determined as relevant by the Issuer.

§ 7 TAXES

All present and future taxes in connection with the Certificates shall be borne and paid by the Certificateholders. The Issuer is entitled to withhold from payments to be made under the Certificates any taxes payable by the Certificateholder in accordance with the previous sentence.

§ 8 STATUS

The obligations under the Certificates constitute direct, unconditional and unsecured obligations of the Issuer and rank at least *pari passu* with all other unsecured and unsubordinated obligations of the Issuer (save for such exceptions as may exist from time to time under applicable law).

§ 9 PAYING AGENT

1. Commerzbank Aktiengesellschaft, Kaiserstraße 16 (Kaiserplatz), 60311 Frankfurt am Main, Federal Republic of Germany, shall be the paying agent (the "**Paying Agent**") and BNP Paribas Securities Services, Via Ansperto 5, 20123 Milano, Republic of Italy, shall be the additional paying agent (the "**Additional Paying Agent**").
2. The Issuer shall be entitled at any time to appoint another bank of international standing as Paying Agent and/or Additional Paying Agent. Such appointment and the effective date shall be notified in accordance with § 11.
3. The Paying Agent and the Additional Paying Agent are hereby granted exemption from the restrictions of § 181 of the German Civil Code (*BGB*) and any similar restrictions of the applicable laws of any other country.

§ 10 SUBSTITUTION OF THE ISSUER

1. Any other company may assume at any time during the life of the Certificates, subject to paragraph 2, without the Certificateholders' consent all the obligations of the Issuer under these Terms and Conditions. Any such substitution and the effective date shall be notified by the Issuer in accordance with § 11.

Upon any such substitution, such substitute company (hereinafter called the "**New Issuer**") shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under these Terms and Conditions with the same effect as if the New Issuer had been named as the Issuer herein; the Issuer (and, in the case of a repeated application of this § 10, each previous New Issuer) shall be released from its obligations hereunder and from its liability as obligor under the Certificates.

In the event of such substitution, any reference in these Terms and Conditions to the Issuer shall from then on be deemed to refer to the New Issuer.

2. No such assumption shall be permitted unless
 - a) the New Issuer has agreed to assume all obligations of the Issuer under the Certificates pursuant to these Terms and Conditions;
 - b) the New Issuer has agreed to indemnify and hold harmless each Certificateholder against any tax, duty, assessment or governmental charge imposed on such Certificateholder in respect of such substitution;
 - c) the Issuer (in this capacity referred to as the "**Guarantor**") has unconditionally and irrevocably guaranteed to the Certificateholders compliance by the New Issuer with all obligations under the Certificates pursuant to these Terms and Conditions;
 - d) the New Issuer and the Guarantor have obtained all governmental authorisations, approvals, consents and permissions necessary in the jurisdictions in which the Guarantor and/or the New Issuer are domiciled or the country under the laws of which they are organised.
3. Upon any substitution of the Issuer for a New Issuer, this § 10 shall apply again.

§ 11 NOTICES

Notices relating to the Certificates shall be published on the Issuer's website www.pb.commerzbank.com or in the electronic version of the Federal Gazette (*Bundesanzeiger*) and possibly, without giving rise to any obligation for the Issuer, through a notice by Borsa Italiana S.p.A., and shall be deemed to be effective upon such publication unless such publication gives another effective date

Following the admission to listing of the Certificates, any change/amendment or material information in connection with the Certificates will be published by Borsa Italiana S.p.A. through a stock exchange notice in accordance with the relevant legal and regulatory provisions in force in the Republic of Italy.

§ 12 LIMITATION OF LIABILITY

The Issuer shall be held responsible for acting or failing to act in connection with the Certificates only if, and insofar as, it either breaches material obligations under or in connection with the Terms and Conditions negligently or wilfully or breaches other obligations with gross negligence or wilfully. The same applies to the Paying Agent and the Additional Paying Agent.

§ 13 FINAL CLAUSES

1. The Certificates and the rights and duties of the Certificateholders, the Issuer, the Paying Agent and the Guarantor (if any) shall in all respects be governed by the laws of the Federal Republic of Germany except for § 1 paragraph 1 and 2 of the Terms and Conditions which shall be governed by the laws of the Republic of Italy. The rights and duties of the Additional Paying Agent shall in all respects be governed by the laws of the Republic of Italy.
2. In the event of manifest typing or calculation errors or similar manifest errors in the Terms and Conditions, the Issuer shall be entitled to declare rescission (*Anfechtung*) to the Certificateholders. The declaration of rescission shall be made without undue delay upon becoming aware of any such ground for rescission (*Anfechtungsgrund*) and in accordance with § 11. Following such rescission by the Issuer, the Certificateholders may instruct the account holding bank to submit a duly completed redemption notice to the Paying Agent, either by filling in the relevant form available from the Paying Agent or by otherwise stating all information and

declarations required on the form (the "**Rescission Redemption Notice**"), and to request repayment of the Issue Price against transfer of the Certificates to the account of the Paying Agent with the Clearing System. The Issuer shall make available the Issue Price to the Paying Agent within ten calendar days following receipt of the Rescission Redemption Notice and of the Certificates by the Paying Agent, whichever receipt is later, whereupon the Paying Agent shall transfer the Issue Price to the account specified in the Rescission Redemption Notice. Upon payment of the Issue Price all rights under the Certificates delivered shall expire.

3. The Issuer may combine the declaration of rescission pursuant to paragraph 2 with an offer to continue the Certificates on the basis of corrected Terms and Conditions. Such an offer and the corrected provisions shall be notified to the Certificateholders together with the declaration of rescission in accordance with § 11. Any such offer shall be deemed to be accepted by a Certificateholder (and the rescission shall not take effect), unless the Certificateholder requests repayment of the Issue Price within four weeks following the date on which the offer has become effective in accordance with § 11 by delivery of a duly completed Rescission Redemption Notice via the account holding bank to the Paying Agent and by transfer of the Certificates to the account of the Paying Agent with the Clearing System pursuant to paragraph 2. The Issuer shall refer to this effect in the notification.
4. "**Issue Price**" within the meaning of paragraph 2 and 3 shall be deemed to be the higher of (i) the purchase price that was actually paid by the relevant Certificateholder (as declared and proved by evidence in the request for repayment of the relevant Certificateholder) and (ii) the weighted arithmetic mean (as determined by the Issuer in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)) of the traded prices of the Certificates on the Exchange Business Day preceding the declaration of rescission pursuant to paragraph 1. If a Market Disruption Event exists on the Exchange Business Day preceding the declaration of rescission pursuant to paragraph 1, the last Exchange Business Day preceding the declaration of rescission pursuant to paragraph 1 on which no Market Disruption Event existed shall be decisive for the ascertainment of price pursuant to the preceding sentence.
5. Contradictory or incomplete provisions in the Terms and Conditions may be corrected or amended, as the case may be, by the Issuer in its reasonable discretion (*billiges Ermessen*) (§ 315 German Civil Code (*BGB*)). The Issuer, however, shall only be entitled to make such corrections or amendments which are reasonably acceptable to the Certificateholders having regard to the interests of the Issuer and in particular which do not materially adversely affect the legal or financial situation of the Certificateholders. Notice of any such correction or amendment shall be given to the Certificateholders in accordance with § 11.
6. ~~If the Certificateholder was aware of typing or calculation errors or similar errors at the time of the acquisition of the Certificates, then, notwithstanding paragraphs 2 - 5, the Certificateholders can be bound by the Issuer to the corrected Terms and Conditions.~~
7. Should any provision of these Terms and Conditions be or become void in whole or in part, the other provisions shall remain in force. The void provision shall be replaced by a valid provision that reflects the economic intent of the void provision as closely as possible in legal terms. In those cases, however, the Issuer may also take the steps described in paragraphs 2 - 5 above.
8. Place of performance is Frankfurt am Main.
9. Place of jurisdiction for all disputes and other proceedings in connection with the Certificates for merchants, entities of public law, special funds under public law and entities without a place of general jurisdiction in the Federal Republic of Germany is Frankfurt am Main. In such a case, the place of jurisdiction in Frankfurt am Main shall be an exclusive place of jurisdiction.
10. The English version of these Terms and Conditions shall be binding. Any translation is for convenience only.
