ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

ADDITIONAL INFORMATION

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Final Terms and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Certificates and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Certificates.

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Certificateholder is (i) an individual not engaged in an entrepreneurial activity to which the Certificates are connected, (ii) a non commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Certificates are subject to a 12.5 per cent substitute tax (*imposta sostitutiva*).

Particular provisions apply to Certificates held or managed by a qualified intermediary; the recipient may opt for two different tax regime: (1) under the "**risparmio amministrato**" regime, Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Certificates ; (2) under the "**risparmio gestito**" regime any capital gains realised by the Italian resident individuals holding the Certificates not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Certificates, will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary.

Where an Italian resident Certificateholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Certificates are effectively connected, capital gains arising from the Certificates will not be subject to *imposta sostitutiva*, but must be included in the relevant Certificateholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Certificateholders are not subject to Italian taxation, provided that the Certificates (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside of Italy.

It is worth noting that, in accordance with a different interpretation of current tax law, there is a remote possibility that the Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of

30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent. The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Certificateholder and to an Italian resident Certificateholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

CONDITIONS: GENERAL CONDITIONS

The General Conditions which follow relate to the Securities and must be read in conjunction with, and are subject to, the Product Conditions and the Final Terms. The Final Terms, the Product Conditions and the General Conditions together constitute the Conditions of the Securities and will be printed on any Definitive Securities or attached to any Global Security representing the Securities. The Final Terms applicable to each Series may specify amendments to the General Conditions and/or the relevant Product Conditions as they apply to that Series.

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions or the applicable Final Terms and, if not so defined, shall be inapplicable. References in these General Conditions to interest and Coupons (and related expressions) shall be ignored in the case of Securities which do not bear interest. References in these General Conditions to the Conditions shall mean these General Conditions and, in relation to any Securities, the Product Conditions applicable to those Securities.

2. STATUS

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

The Issuer shall have the right to terminate the Securities if it shall have determined in its absolute discretion that its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power (“**Applicable Law**”). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4.

4. NOTICES

- (a) Notices to Holders shall be given by the delivery of the relevant notice to the Clearing Agent(s) with an instruction from the Issuer to the Clearing Agent(s) to communicate such notice to the Holders. The Issuer shall also ensure that notices are duly published, to the extent required, in a manner which complies (i) with the rules of any stock exchange or other relevant authority on which the Securities are for the time being listed or in the country in which such Securities have been admitted to trading and (ii) with any relevant legislation.

- (b) Any such notice issued pursuant to General Condition 4(a) by being delivered to the Clearing Agent(s) will be deemed to have been given on the date of the delivery of such notice to the Clearing Agent(s). Any such notice issued pursuant to General Condition 4(a) by being published will be deemed to have been given on the date of the first publication (for the avoidance of doubt, such notice having been published by any valid means) or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

5. HEDGING DISRUPTION

- (a) Notification. The Issuer shall as soon as reasonably practicable give instructions to the Calculation Agent to notify the Holders in accordance with General Condition 4(a): (i) if it determines that a Hedging Disruption Event has occurred; and (ii) of the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).
- (b) Hedging Disruption Event. A “**Hedging Disruption Event**” shall occur if the Issuer, acting in good faith and in a commercially reasonable manner, determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer or any Hedge Provider wholly or partially to (i) hold, acquire, establish, re-establish, substitute, maintain, unwind or dispose of a relevant hedging transaction (a “**Relevant Hedging Transaction**”) or asset it deems necessary, appropriate or desirable to hedge the Issuer’s obligations in respect of the Securities or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s). The reasons for such determination by the Issuer may include, but are not limited to, the following:
 - (i) the Issuer or any Hedge Provider will, whether directly or indirectly, incur a material increase (as compared with circumstances existing on the Issue Date) in the amount of tax, duty, expense (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position) or fee (other than brokerage commissions) provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer or the Hedge Provider shall not be considered for the purposes of this sub-paragraph (i); or
 - (ii) any material illiquidity in the market for, or any mandatory redemption in whole or in part of, the relevant instruments (the “**Disrupted Instrument**”) which from time to time are included in the reference asset to which the Securities relate; or
 - (iii) a change in any applicable law or regulation (including, without limitation, any tax law) or the promulgation of, or change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority); or
 - (iv) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or
 - (v) the general unavailability of: (A) market participants who will agree to enter into a Relevant Hedging Transaction; or (B) market participants who will so enter into a Relevant Hedging Transaction on commercially reasonable terms.

In the Conditions:

“Hedge Position” means any purchase, sale, entry into or maintenance of one or more (i) positions or contracts in reference assets to which the Securities relate, securities, options, futures, derivatives or foreign exchange, (ii) securities lending transactions or (iii) other instruments or arrangements (however described) by the Issuer in order to hedge the Issuer’s risk of issuing, and performing its obligations with respect to, the Securities; and

“Hedge Provider” includes but is not limited to the Issuer, any associate, subsidiary or affiliate thereof and/or The Royal Bank of Scotland plc and/or any other party(ies) and/or any special purpose vehicle(s) holding or entering into a Hedge Position in connection with the Issuer’s hedging arrangements in respect of the Securities.

- (c) Consequences. The Issuer, in the event of a Hedging Disruption Event, may determine to:
- (i) terminate the Securities. In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons having regard to prevailing market rates, credit spreads and market liquidity, howsoever expressed, on a relevant Interest Payment Date (if applicable), any such amount to be paid under this General Condition shall not be less than the present value of such minimum assured return of principal and/or interest or coupons, such present value being determined by the Calculation Agent. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4;
 - (ii) make an adjustment in good faith to the relevant reference asset by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may: (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or (B) notionally reinvest such proceeds in other reference asset(s) if so permitted under the Conditions (including the reference asset(s) to which the Securities relate);
 - (iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such adjustment will in no way affect the Issuer’s obligations to make payment to the Holders not less than the minimum assured return of principal and/or interest or coupons on the relevant Settlement Date or Maturity Date, or Interest Payment Date, as applicable.
- (d) The Issuer may also make adjustments to the Conditions if it determines that an event has occurred which, whilst not a Hedging Disruption Event or other disruption event as specified in Product Condition 4, is likely to have a material adverse effect on the Issuer’s Hedge Position. Where the Issuer makes adjustments to the Conditions pursuant to this General Condition 5(d), the Issuer shall notify the Holders thereof and shall offer to purchase from Holders for a period of not less than 10 days any

Securities held by them at their fair market value (as determined by the Calculation Agent acting in good faith and in a commercially reasonable manner and taking into account the proposed adjustment) less the cost to the Issuer of unwinding any related hedging arrangements.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer or any affiliate may purchase Securities at any price in the open market or by tender or private treaty. Any Securities so purchased may be held, surrendered for cancellation or reissued or resold, and Securities so reissued or resold shall for all purposes be deemed to form part of the original series of Securities.
- (b) Further Issues. The Issuer shall be at liberty from time to time without the consent of the Holders or any of them to create and issue further securities so as to be consolidated with and form a single series with the Securities.
- (c) Prescription. Any Security or Coupon which is capable of presentation and is not so presented by its due date for presentation shall be void, and its value reduced to zero, if not so presented within five years of such due date. For the avoidance of doubt, any Securities which are subject to provisions relating to their exercise shall be void, and their value shall be zero, if not exercised in accordance with their provisions.

7. DETERMINATIONS AND MODIFICATIONS

- (a) Determinations.
 - (i) In making any determinations and calculations under these Conditions, the Issuer and the Calculation Agent shall act at all times in good faith and in a commercially reasonable manner. All such determinations and calculations by the Issuer and the Calculation Agent shall, in the absence of manifest error, be final and binding.
 - (ii) Whilst it is intended that the Issuer and the Calculation Agent will employ the methodology described in the Conditions to make determinations in respect of the Securities, no assurance can be given that market, regulatory, judicial or fiscal circumstances or, without limitation, any other circumstances will not arise that would necessitate a modification or change in such methodology in order that the Securities replicate as closely as possible investments in the assets underlying the Securities and its components. The Issuer and the Calculation Agent may make any such modification or change to such methodology that it considers necessary to reflect such circumstances.
 - (iii) Calculations made by the Issuer or the Calculation Agent in respect of the Securities shall be made on the days specified herein; however, notwithstanding the foregoing or anything else contained in these Conditions, should the Issuer or the Calculation Agent determine that in order to give effect to the methodology described in these Conditions it is necessary to make calculations on a day or days other than that specified, then each of the Issuer and the Calculation Agent is permitted to make such calculations on such calendar day or days as it shall determine.
 - (iv) Due to timing considerations, process requirements and other matters that would, in the opinion of the Issuer or the Calculation Agent, be relevant in relation to the implementation of asset allocation models, the Issuer or the Calculation Agent may need to make appropriate adjustments to the

methodology set out in the terms and conditions as it considers necessary in order to reflect the timing and amounts that would be applicable were the Issuer or the Calculation Agent physically implementing the methodology set out in the Securities.

- (b) Modifications. The Issuer may, without the consent of the Holders or any of them, modify any provision of the Conditions which is: (i) of a formal, minor or technical nature; (ii) made to correct a manifest error; or (iii) in its absolute discretion, not materially prejudicial to the interests of the Holders. Notice of any such modification will be given to the Holders in accordance with General Condition 4 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

8. SUBSTITUTION

- (a) Substitution of Issuer. The Issuer may at any time without the consent of the Holders substitute for itself as issuer of the Securities with regard to any and all rights, obligations and liabilities under and in connection with the Securities:

- (A) The Royal Bank of Scotland plc, registered in Scotland under No. 90312, with its registered office at 36 St Andrew Square, Edinburgh EH2 2YB, (“**RBS plc**” or the “**Substitute**”) subject to the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4; or

- (B) any entity other than RBS plc (also, the “**Substitute**”), subject to:

either (x):

- (i) the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4; and

- (ii) the Issuer or RBS plc having issued a legal, valid and binding guarantee of the obligations and liabilities of the Substitute under the Securities for the benefit of each and any of the Holders;

or (y):

- (i) the Issuer having given at least three months’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4; and

- (ii) each Holder, from (and including) the date of such notice, to (and including) the date of such substitution, being entitled to terminate the Securities held by such Holder without any notice period in which event the Issuer will, if and to the extent permitted by Applicable Law, pay to such Holder with respect to each Security held by such Holder an amount calculated by the Issuer as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements. Where the Securities contain provisions which provide for a minimum assured return of principal or a minimum assured return of interest or other payments, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date (if applicable) any such amount to be paid shall not be less than the present value

of the minimum assured return of principal and/or interest or coupons having regard to prevailing market rates, credit spreads and market liquidity, such present value being determined by the Calculation Agent. Payment will be made to the Holder in such manner as shall be notified to the Holders in accordance with General Condition 4;

“Share Company” means the share company (if any) specified as such in the definition of the Basket or specified as such in the definition of the relevant Series in the applicable Final Terms, subject to Product Condition 4, and **“Share Companies”** shall be construed accordingly;

“Standard Currency” means, unless otherwise specified in the definition of the relevant Series in the applicable Final Terms, the lawful currency of Australia, Austria, Belgium,

Canada, Cyprus, Denmark, Finland, France, Germany, Greece, Hong Kong, Ireland, Italy, Japan, Luxembourg, Malta, the Netherlands, New Zealand, Norway, Portugal, Singapore, Slovenia, Spain, Sweden, Switzerland, Taiwan, the United Kingdom and the United States, or such other currency as determined by the Calculation Agent at its sole and absolute discretion from time to time;

“Trading Day” means any day that is (or, but for the occurrence of a Market Disruption Event, would have been) a trading day on each Exchange or Related Exchange other than a day on which trading on the Exchange or Related Exchange is scheduled to close prior to its regular weekday closing time;

“Underlying Currency” means the currency specified as such in the definition of the relevant Series in the applicable Final Terms;

“Valuation Date” means the date or dates specified as such in the definition of the relevant Series in the applicable Final Terms or, if any such day is not a Trading Day, the next following Trading Day, unless, in the determination of the Calculation Agent, a Market Disruption Event has occurred on that day in which case the Valuation Date shall be the first succeeding Trading Day on which the Calculation Agent determines that there is no Market Disruption Event, unless the Calculation Agent determines that there is a Market Disruption Event occurring on each of the Relevant Number of Trading Days immediately following the original date which (but for the Market Disruption Event) would have been a Valuation Date. In that case (i) the last day of the Relevant Number of Trading Days shall be deemed to be the Valuation Date (regardless of the Market Disruption Event); and (ii) the Calculation Agent shall determine the Final Reference Price having regard to the then prevailing market conditions, the last reported trading price of the relevant Share or Certificate as applicable, and such other factors as the Calculation Agent determines to be relevant; and

“Valuation Time” means at or around the time specified as such in the definition of the relevant Series in the applicable Final Terms or such other time as the Issuer may select in its absolute discretion and notify to Holders in accordance with General Condition 4.

Terms in capitals which are not defined in these Product Conditions shall have the meanings ascribed to them in the General Conditions.

2. FORM

- (a) Global Form. Except in the case of Securities issued in the form specified in Product Condition 2(b) or 2(c), the Securities will be issued in bearer form and are represented by a global security (the **“Global Security”**) which will be deposited with the Clearing Agent and will be transferable only in accordance with the applicable

law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular unit quantity of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the unit quantity of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such unit quantity of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) **Dematerialised Form.** Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.
- (c) **SIX SIS Ltd as Clearing Agent.** If SIX SIS Ltd is specified as the Clearing Agent, Securities will, as specified in the applicable Final Terms, be issued in the form of (i) dematerialised securities (the “**Dematerialised Securities**”) or (ii) a bearer permanent Global Security and, in either case, will be transformed into intermediated securities (the “**Intermediated Securities**”) in accordance with article 6 of the Swiss Federal Intermediated Securities Act (the “**FISA**”).

The Intermediated Securities will be created (i) by deposit of a Global Security with the Clearing Agent, acting as custodian as defined in article 4 FISA (the “**Custodian**”), or registration of Dematerialised Securities in the main register of the Clearing Agent, acting as Custodian, and (ii) the Clearing Agent, acting as Custodian, crediting the respective rights to securities accounts of one or more of its participants with the Clearing Agent in accordance with articles 4 and 6 FISA. For each issuance of Securities in the form of Dematerialised Securities, the Clearing Agent, acting as Custodian, will maintain the main register as defined in article 6 para. 2 FISA which

is available to the public under <https://www.sec.sisclear.com/sec/cm/index/custody-settlement/mainregister.htm>.

Title to the Intermediated Securities is construed and will pass in accordance with the legislation, in particular the FISA, rules and regulations applicable to and/or issued by the Clearing Agent, acting as Custodian, and any other custodian, if any, that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means any person recognised as a holder of the Intermediated Securities pursuant to the Rules.

The Holders shall at no time have the right to effect or demand (i) the retransformation of the Intermediated Securities into, and the delivery of, Dematerialised Securities in the case of Dematerialised Securities being the basis for the creation of Intermediated Securities, or (ii) the conversion of the Dematerialised Securities or the Global Security into definitive Securities.

3. RIGHTS AND PROCEDURES

- (a) Exercise. Provided no Early Termination Event has occurred and notwithstanding notice of an Issuer Call if “Issuer Call” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, the Securities will be deemed to be automatically exercised on the Exercise Date.
- (b) Early Termination Event. Upon the occurrence of an Early Termination Event, the Securities will terminate automatically and the Issuer will give notice to the Holders in accordance with General Condition 4. An Early Termination Event will override an Issuer Call and/or due Exercise if the Early Termination Event occurs prior to or on an Issuer Call Date or Valuation Date, as the case may be.
- (c) Issuer Call. If “Issuer Call” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, the Issuer may terminate, subject to a valid Exercise or the occurrence of an Early Termination Event, the Securities, in whole but not in part on any Business Day, by giving Holders at least the Issuer Call Notice Period notice of its intention to terminate the Securities, such notice to be given at any time from (and including) the Issuer Call Commencement Date. Any such notice shall be given in accordance with the provisions of General Condition 4, and shall specify the Issuer Call Date.
- (d) Cash Settlement. Each Security upon exercise, termination pursuant to an Issuer Call or following an Early Termination Event, subject to delivery by the Holder of a duly

completed Notice and to certification as to non-U.S. beneficial ownership, entitles its Holder to receive from the Issuer on the Settlement Date either:

- (i) The Cash Amount, following a valid Exercise; or
 - (ii) The Issuer Call Cash Amount, following an Issuer Call; or
 - (iii) The Early Termination Amount, following an Early Termination Event.
- (e) Interest Amount. If “Interest” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (f) Interest Accrual. If “Interest” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, each security shall cease to accrue interest from (and including) exercise. No interest shall accrue after the Exercise Date, the Issuer Call Date or the Early Termination Date in respect of which an Early Termination Event occurs, as the case may be, in the event that payment of any amount is postponed due to a Market Disruption Event.
- (g) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (h) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent nor any Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Amount, Issuer Call Cash Amount, Early Termination Amount or Interest Amount, if applicable.
- (i) Notice. All payments shall be subject to the delivery of a duly completed notice (a “**Notice**”) to a Clearing Agent with a copy to the Principal Agent. The form of the Notice may be obtained during normal business hours from the specified office of each Agent.

A Notice shall:

- (i) specify the number of Securities to which it relates;
- (ii) specify the number of the account with the Clearing Agent to be debited with the Securities to which it relates;

- (iii) irrevocably instruct and authorise the Clearing Agent to debit on or before the Settlement Date such account with such Securities;
- (iv) specify the number of the account with the Clearing Agent to be credited with any Cash Amount, Issuer Call Cash Amount or Early Termination Amount (if any) for such Securities;
- (v) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means:
 - (a) any person who is a U.S. person as defined in Regulation S under the Securities Act;
 - (b) any person or entity other than one of the following:
 - (1) a natural person who is not a resident of the United States;
 - (2) a partnership, corporation or other entity, other than an entity organised principally for passive investment, organised under the laws of a jurisdiction other than the United States and which has its principal place of business in a jurisdiction other than the United States;
 - (3) an estate or trust, the income of which is not subject to United States income tax regardless of source;
 - (4) an entity organised principally for passive investment such as a pool, investment company or other similar entity, provided that units of participation in the entity held by U.S. persons represent in the aggregate less than 10 per cent. of the beneficial interest in the entity, and that such entity was not formed principally for the purpose of facilitating investment by U.S. persons; or
 - (5) a pension plan for the employees, officers or principals of an entity organised and with its principal place of business outside the United States; and
- (vi) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (j) Verification. In respect of each Notice, the relevant Holder must provide evidence reasonably satisfactory to the Principal Agent of its holding of such Securities.

- (k) Settlement. The Issuer shall pay or cause to be paid the Cash Amount, the Issuer Call Cash Amount or the Early Termination Amount (if any) for each Security with respect to which a Notice has been delivered to the account specified in the relevant Notice for value on the Settlement Date.
- (l) Determinations. Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether a Notice has been properly completed and delivered shall be made by the Principal Agent and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent as provided in the Conditions shall be void.

If such Notice is subsequently corrected to the satisfaction of the Principal Agent, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent.

Any Security with respect to which a Notice has not been duly completed and delivered in the manner set out above by the time specified in Product Condition 3 shall become void.

The Principal Agent shall use its best efforts promptly to notify the relevant Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, neither the Issuer nor the Principal Agent shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (m) Delivery of a Notice. Delivery of a Notice by or on behalf of a Holder shall be irrevocable with respect to the Securities specified and no Notice may be withdrawn after receipt by a Clearing Agent as provided above. After the delivery of a Notice, the Securities which are the subject of such notice may not be transferred.
- (n) Exercise and Settlement Risk. Exercise and settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and neither the Issuer nor any Agent shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. Neither the Issuer nor the Agents shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

- (o) Method of Payment. Subject as provided below, where any amount paid in connection with the Securities is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where any amount paid in connection with the Securities is in euro, payment of such amount will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Payments will be made via the Clearing Agent(s) and will be made in accordance with the Rules (if applicable). All payments will be subject to applicable fiscal and legal requirements applicable thereto.
- (p) Presentation and Surrender. The Issuer shall record payment of any amount in connection with the Securities made to the relevant Agent and such record shall be prima facie evidence that the payment in question has been made. The Holder shall be the only person entitled to receive payments of any amount paid in connection with the Securities and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event”, in relation to a Basket Constituent, means:

- (i) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or

- (ii) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Potential Adjustment Events. Following a declaration by a relevant Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Share and, if so, will:

- (i) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
- (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (i) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders by way of bonus, capitalisation, recapitalisation or similar issue; (ii) a distribution or dividend to existing holders of the relevant Shares of (A) such Shares, or (B) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the relevant Share Company equally or proportionately with such payments to holders of such Shares, or (C) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (iii) an extraordinary dividend; (iv) a distribution of cash dividends on the relevant Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (v) a call by a relevant Share Company in respect of relevant Shares that are not fully

paid; (vi) a repurchase by a relevant Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or (vii) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

(c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to a relevant Share Company, the Issuer in its sole and absolute discretion may take the action described in (i), (ii) or (iii) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the relevant Shares traded on such Related Exchange; or
- (ii) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (iii) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the relevant Shares

traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“De-listing” in this paragraph (c) means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“Merger Event” means any (i) reclassification or change to the Shares that results in a transfer of or an irrevocable commitment to transfer all or a majority of the outstanding Shares; (ii) consolidation, amalgamation, merger or binding share exchange of a Share Company with or into another entity (other than a consolidation, amalgamation, merger or binding share exchange in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares); or (iii) take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares that results in a transfer of, or an

irrevocable commitment to transfer a majority of the voting power of the Share Company to the offeror, in each case if the Merger Date is on or before the Early Termination Date, Issuer Call Date or Valuation Date, as applicable.

“**Nationalisation**” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company (i) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (ii) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) Adjustments to the Basket. If a De-listing occurs with respect to a Basket Constituent or a Basket Constituent is for any reason cancelled, the Calculation Agent may determine in its sole discretion to either (A) replace the de-listed or cancelled Basket Constituent by a successor basket constituent which has in the determination of the Calculation Agent the same or a substantially similar structure and a substantially similar economic impact and is linked to the same commodity as such Basket Constituent or (B) remove the de-listed or cancelled Basket Constituent and allocate the Final Reference Price of such Basket Constituent as of the effective date of the de-listing or cancellation *pro rata* to the remaining Basket Constituents.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made pursuant to the foregoing paragraph.

“**De-listing**” in this paragraph (d) means a Basket Constituent for any reason ceases to be listed or is suspended from listing on the Exchange or any other exchanges on which the Basket Constituent is listed (and such cessation or suspension is continuing and such Basket Constituent is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

- (e) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such

determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute “significant new factors” and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.
