#### TAX AND SECONDARY MARKET INFORMATION

<b>Taxation Gross Up</b>	Applicable
<b>Tax</b>	An outline of the tax treatment is given in the Base Prospectus. The relevant tax laws and the regulations of the tax authorities are subject to change. The Issuer expressly excludes all liability in respect of any tax implications relating to investing in the Securities.
<b>U.S. Federal Tax Treatment of Non-U.S. Holders</b>	The Issuer has determined that Section 871(m) of the U.S. Internal Revenue Code of 1986, as amended, is not applicable to the Securities.
<b>Secondary Market</b>	<p><b>Indicative Prices:</b> Barclays will endeavour to provide daily indicative bid prices for the repurchase of Securities with a view to agreeing the repurchase of such Securities within a reasonable period thereafter; in all cases subject to (i) the existence of normal market and funding conditions as determined by Barclays in its sole discretion and (ii) applicable laws and regulations. For the avoidance of doubt this provision does not amount to a commitment to repurchase the Securities on any day at any price. Any indicative price provided: (a) may not necessarily reflect Barclays' internal books and records or its theoretical valuation models and may not reflect reserves and other adjustments made to model valuations in its internal books and records, (b) may not contain all factors that may affect Barclays' own valuation of the instrument or derivatives transaction described herein, (c) does not imply firm bids or offers, or actual traded levels (if any), (d) may vary significantly from valuation levels available from other sources, and (e) does not imply a theoretical liquidation value.</p> <p><b>Bid-Offer Spread:</b> Where Barclays does make a market in accordance with the above, it will endeavour to provide liquidity in the Securities within a 1.00% bid-offer spread under normal market conditions. For the avoidance of doubt this provision does not amount to a commitment to make a market on any day at any price.</p>
<b>Quoting Type</b>	Secondary market prices are quoted in percentage and 'dirty'; meaning accrued interest is included in the price.
<b>Third Party Fees</b>	<p>A fee of up to 2.000% of the Issue Price will be paid to Banca Generali S.p.A. (the "<b>Distributor</b>").</p> <p>The Issuer shall also pay to Banca Generali S.p.A. a fee of 0.50 per cent (0.50%) of the Calculation Amount for each Security purchased on the EuroTLX market during the Secondary Offer Period (as defined below) for the active marketing activity in relation to the Securities to be performed by Banca Generali S.p.A. during the Secondary Offer Period. Marketing fees can be revised down at the Issuer's discretion.</p>

#### IMPORTANT NOTE TO POTENTIAL INVESTORS

##### To investors in all jurisdictions:

Investors are bound by all applicable laws and regulations of the relevant jurisdiction(s) in which the Securities are to be offered, sold and distributed, including the selling restrictions set out in this Term Sheet, the Base Prospectus (as defined below) and the Final Terms. Investors in the Securities should seek specific advice before on-selling the Securities.

No action has been made or will be taken by the Issuer that would permit a public offering of the Securities or possession or distribution of any offering material in relation to the Securities in any jurisdiction (save for Italy) where action for that purpose is required. No purchase, offer, sale, re-sale or deliveries of the Securities and no making available or distribution of this Term Sheet, the Base Prospectus, the Final Terms and any other offering material, in any jurisdiction except in compliance with the applicable laws and regulations of such jurisdiction and in a manner that will not impose any obligation on the Issuer or Manager(s) (as the case may be) may be made.

This Term Sheet is a non-binding summary of the economic terms of the Securities and does not purport to be exhaustive. It is provided for information and discussion purposes only. It does not constitute or imply any offer, solicitation or commitment on the part of the Issuer.

Only the Final Terms which will be available no later than on the Issue Date together with (1) the EU Base Prospectus dated 11 April 2025 (the "**Current Base Prospectus**") which contains the most up-to-date issuer disclosure, risk factors and selling restrictions and (2) the EU Base Prospectus dated 12 April 2024 (as may be amended or supplemented up to, and including, the Trade Date (the "**Legacy Base Prospectus**", together with the Current Base Prospectus, the "**Base Prospectus**") which contains all further relevant terms and conditions shall form the entire and legally binding documentation for the Securities. Accordingly, the Final Terms should always be read together with the Base Prospectus. Any capitalised terms not defined in this Term Sheet will have the meaning as defined in the Final Terms and the Base Prospectus. Even though a translation into other languages might be available, it is only the Final Terms and Base Prospectus in English which are legally binding. Copies of these documents are available from the Issuer, the Manager(s) and the Issue and Paying Agent.

The Issuer makes no representations as to the suitability of this investment product for any particular investor nor as to the future performance of this investment product.

Prior to making any investment decision, investors should satisfy themselves that they fully understand the risks relating to this investment product and seek professional advice as they deem necessary. See the risk factors set out in the section headed "**Risk Factors**" of this Term Sheet, the Base Prospectus and the Final Terms.

Investors should note that Barclays publishes annual and quarterly financial statements and securities may be offered and/or issued at a time when such publication is imminent.

To United States investors:

The Securities have not been, and will not be, at any time, registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), or with any securities regulatory authority of any state or other jurisdiction of the United States, and the Securities may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act).

To investors in the European Economic Area:

This document is an advertisement.

No offer of Securities has been, or will be, made to the public in any Member State of the European Economic Area except that an offer of such Securities may be made to the public in that Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the EU Prospectus Regulation;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the EU Prospectus Regulation), subject to obtaining the prior consent of the relevant Manager or Managers nominated by the Issuer for any such offer;
- (c) at any time in any other circumstances falling within Article 1(4) of the EU Prospectus Regulation; or
- (d) other than pursuant to Article 1(4) of the EU Prospectus Regulation (a “**Public Offer**”), whereby following the date of publication of a prospectus in relation to such Securities which has been approved by the competent authority in the home Member State of the Issuer and (if the Issuer’s home Member State is different from the Member State in which the Securities are being offered to the public) notified to the competent authority in that Member State, provided that any such prospectus has subsequently been completed by the Final Terms contemplating such Public Offer, in accordance with the EU Prospectus Regulation, in the period beginning and ending on the dates specified in such prospectus or Final Terms, as applicable, and the Issuer has consented in writing to its use for the purpose of that Public Offer,

provided that no such offer of Securities referred to in (a) to (c) (inclusive) above shall require the Issuer or any Manager to publish a prospectus pursuant to Article 3 of the EU Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the EU Prospectus Regulation.

For the purposes of this provision, the expression an “**offer of Securities to the public**” in relation to any Securities in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities and the expression “**EU Prospectus Regulation**” means Regulation (EU) 2017/1129, as amended.

**THIS PRODUCT IS SUITABLE FOR RETAIL INVESTORS IN THE EUROPEAN ECONOMIC AREA.** For such purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the EU Prospectus Regulation.

To investors in the United Kingdom:

This document is not an advertisement.

No offer of Securities has been, or will be, made to the public in the United Kingdom except that an offer of such Securities may be made to the public in the United Kingdom:

- (a) at any time to any legal entity which is a qualified investor as defined in Article 2 of the UK Prospectus Regulation;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in Article 2 of the UK Prospectus Regulation) in the United Kingdom subject to obtaining the prior consent of the relevant Manager or Managers nominated by the Issuer for any such offer;
- (c) at any time in any other circumstances falling within section 86 of the Financial Services and Markets Act 2000 of the United Kingdom (as amended, the “**FSMA**”),

provided that no such offer of Securities referred to in (a) to (c) above shall require the Issuer or any Manager to publish a prospectus pursuant to section 85 of the FSMA or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation.

For the purposes of this provision, the expression an “**offer of Securities to the public**” in relation to any Securities means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities and the expression “**UK Prospectus Regulation**” means Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended, the “**EUWA**”) and regulations made thereunder.

**PROHIBITION OF SALES TO UK RETAIL INVESTORS** – The Securities are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the United Kingdom. For these purposes, a “**retail investor**” means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended, the “**EUWA**”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (as amended, the “**FSMA**”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the EUWA (as amended, the “**UK Prospectus Regulation**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (as amended, the “**UK PRIIPs Regulation**”) for offering or selling the Securities or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the Securities or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation.

To investors in Switzerland:

The Securities do not constitute an investment in a collective investment scheme in the meaning of the Swiss Federal Act on Collective Investment Schemes (“**CISA**”) and are neither subject to the CISA nor to the supervision of the Swiss Financial Market Supervisory Authority (“**FINMA**”).

This document is an advertisement and neither a prospectus pursuant to articles 40 et seqq. of the Swiss Federal Act on Financial Services of 15 June 2018, as amended (“**FinSA**”) nor a key information document (*Basisinformationsblatt*) relating to the Securities (a “**KID**”) pursuant to FinSA.

**PROHIBITION OF SALES TO SWISS RETAIL INVESTORS** – The Securities are not intended to be offered, sold or otherwise made available to and may not be offered, sold or otherwise made available to any retail investor in Switzerland. For these purposes a “**retail investor**” means a person who is not a professional or institutional client, as defined in article 4 para. 3, 4 and 5 and article 5 para. 1 and 2 of the Swiss Federal Act on Financial Services of 15 June 2018, as amended (“**FinSA**”). Consequently, no key information document required by FinSA for offering or selling the Securities or otherwise making them available to retail investors in Switzerland has been prepared and therefore, offering or selling the Securities or making them available to retail investors in Switzerland may be unlawful under FinSA.

The Securities are not intended to qualify as eligible debt securities for purposes of the minimum requirement for own funds and eligible liabilities ("MREL") as set out under the Bank Recovery and Resolution Directive (EU) 2014/59, as implemented in the UK (or local equivalent, for example TLAC).

## RISK FACTORS

**THESE RISK FACTORS HIGHLIGHT ONLY SOME OF THE RISKS OF THE SECURITIES (ALSO REFERRED TO HEREIN AS THE "PRODUCT") DESCRIBED IN THIS DOCUMENT AND MUST BE READ IN CONJUNCTION WITH THE RISK FACTOR SECTIONS IN THE BASE PROSPECTUS. INVESTORS MUST BE CAPABLE OF ASSESSING AND UNDERSTANDING THE RISKS OF INVESTING IN THE PRODUCT. WHERE A POTENTIAL INVESTOR DOES NOT UNDERSTAND OR WOULD LIKE FURTHER INFORMATION ON THE RISKS OF THE PRODUCT, THE POTENTIAL INVESTOR SHOULD SEEK PROFESSIONAL ADVICE BEFORE MAKING ANY INVESTMENT DECISION.**

<b>NO GOVERNMENT OR OTHER PROTECTION</b>	THIS PRODUCT IS NOT A DEPOSIT AND NOT PROTECTED BY THE FINANCIAL SERVICES COMPENSATION SCHEME or any other government or private protection scheme.
<b>BARCLAYS FINANCIAL STANDING</b>	INVESTORS ARE EXPOSED TO BARCLAYS' FINANCIAL STANDING. If Barclays becomes insolvent, Barclays may not be able to make any payments under the Product and investors may lose their capital invested in the Product. A decline in Barclays' financial standing is likely to reduce the market value of the Product and therefore the price an investor may receive for the Product if they sell it in the market.
<b>ISSUER CREDIT RISK</b>	INVESTORS WILL BE EXPOSED TO BARCLAYS' CREDIT RISK. If Barclays becomes insolvent it will not be able to make income or principal payments under the Product and in such event the Product may return zero. A decline in Barclays' credit quality is likely to reduce the market value of the Product and therefore the price an investor may receive for the Product if they sell it in the market.
<b>CREDIT RATINGS</b>	CREDIT RATINGS MAY BE LOWERED OR WITHDRAWN WITHOUT NOTICE. A rating is not a recommendation as to Barclays' financial standing or an evaluation of the risks of the Product.
<b>VOLATILITY</b>	THE PERFORMANCE OF THIS PRODUCT MAY CHANGE UNPREDICTABLY. This unpredictable change is known as 'volatility' and may be influenced by the performance of any Underlying Asset as well as external factors including financial, political and economic events and other market conditions.
<b>CAPITAL AT RISK AT MATURITY</b>	THE CAPITAL INVESTED IN THIS PRODUCT IS AT RISK. Investors may receive at maturity of the Product less than the capital invested in the Product.
<b>CAPITAL AT RISK ON EARLY REDEMPTION / CANCELLATION</b>	THE PRODUCT MAY BE REDEEMED OR CANCELLED BEFORE ITS SCHEDULED REDEMPTION/SETTLEMENT DATE. IF THE PRODUCT IS REDEEMED OR CANCELLED EARLY, INVESTORS MAY RECEIVE BACK LESS THAN THEIR ORIGINAL INVESTMENT IN THE PRODUCT, OR EVEN ZERO. The amount payable to an investor upon an early redemption or cancellation may factor in Barclays' costs of terminating hedging and funding arrangements associated with the Product.
<b>SELLING RISK</b>	AN INVESTOR MAY NOT BE ABLE TO FIND A BUYER FOR THE PRODUCT SHOULD THE INVESTOR WISH TO SELL THE PRODUCT. If a buyer can be found, the price offered by that buyer may be lower than the price that an investor paid for the Product or the amount an investor would otherwise receive at the maturity of the Product.
<b>BAIL-IN RISK</b>	<p>The EU Directive establishing a framework for the recovery and resolution of credit institutions and investment firms (the "BRRD") was published in the EU Official Journal on 12 June 2014. The BRRD gives certain powers under a 'bail-in tool' to national supervisory authorities with respect to certain institutions (which could include Barclays Bank PLC as the Issuer) in circumstances where a national supervisory authority has determined that such an institution is likely to fail. In the United Kingdom, the majority of the requirements of the BRRD have been implemented into national law in the Banking Act, including the introduction of the bail-in tool as of 1 January 2015. The Banking Act confers substantial powers on a number of UK authorities designed to enable them to take a range of actions in relation to UK banks and certain of their Affiliates in the event a bank in the same group is considered to be failing or likely to fail.</p> <p>This bail-in tool includes the ability to cancel all or part of the principal and/or interest of any unsecured liabilities or to convert certain debt claims into equity or other securities of the issuer or another person. These powers could be exercised in respect of the Securities.</p> <p>As a result, the exercise of any resolution power or any suggestion of any such exercise could materially adversely affect the value of the Securities and could lead to the investor losing some or all of the value of the investment in the Securities.</p>
<b>NO INVESTMENT IN OR RIGHTS TO ANY UNDERLYING ASSET</b>	AN INVESTMENT IN THE PRODUCT IS NOT THE SAME AS AN INVESTMENT IN ANY UNDERLYING ASSETS REFERENCED BY THE PRODUCT. An investor in the Product has no ownership of, or rights to, any Underlying Asset referenced by the Product. The market value of the Product may not reflect movements in the price of such Underlying Asset. Payments made under the Product may differ from payments made under any Underlying Asset.
<b>ADJUSTMENTS</b>	THE TERMS OF THE PRODUCT MAY BE ADJUSTED BY BARCLAYS UPON CERTAIN EVENTS TAKING PLACE WHICH IMPACT AN UNDERLYING ASSET.
<b>SMALL HOLDINGS</b>	SMALL HOLDINGS MAY NOT BE TRANSFERABLE. Where the Product terms specify a minimum tradable amount, investors will not be able to sell the Product unless they hold at least such minimum tradable amount.
<b>INTEREST RATE RISK</b>	INVESTORS IN THE PRODUCT WILL BE EXPOSED TO INTEREST RATE RISK. Changes in interest rates will affect the performance and value of the Product. Interest rates may change suddenly and unpredictably.
<b>PAYMENTS</b>	PAYMENTS FROM BARCLAYS MAY BE SUBJECT TO DEDUCTIONS FOR TAX, DUTY, WITHHOLDING OR OTHER PAYMENTS REQUIRED BY LAW.
<b>OVER-ISSUANCE</b>	THE ISSUER MAY ISSUE MORE SECURITIES THAN THOSE WHICH ARE TO BE INITIALLY SUBSCRIBED OR PURCHASED BY INVESTORS. The Issuer (or the Issuer's affiliates) may hold such Securities for the purpose of meeting any future investor interest or to satisfy market making requirements. Prospective investors in the Securities should not regard the issue size of any Series as indicative of the depth or liquidity of the market for such Series or of the demand for such Series.
<b>OTHER RISKS</b>	THIS DOCUMENT CANNOT DISCLOSE ALL POSSIBLE RISKS OF THE PRODUCT. Before investing, investors must be satisfied that they have sufficient information and understand the risks related to the Product so as to make an informed investment decision. If investors are uncertain as to whether they have sufficient information, they should seek independent professional advice before investing.

<b>FOREIGN EXCHANGE RISK</b>	INVESTORS ARE EXPOSED TO FOREIGN EXCHANGE RISK. Foreign exchange rates may change suddenly and unpredictably. Changes in the exchange rate between an investor's home currency and the Product currency or settlement currency may impact the performance of the Product and an investor's return.
<b>INFLATION RISK</b>	The 'real yield' of the Securities, which corresponds to their yield minus the inflation rate, could be negative if the current economic environment of high inflation continues throughout the lifetime of the Securities.
<b>DISRUPTED DAYS</b>	IF THE DETERMINATION AGENT DETERMINES THAT A DISRUPTED DAY HAS OCCURRED THIS MAY CHANGE THE SCHEDULED DATE OF THE VALUATION AND REDEMPTION OR SETTLEMENT OF THE PRODUCT. The events giving rise to Disrupted Days are described in the Base Prospectus.
<b>PERFORMANCE OF SHARES</b>	THE PERFORMANCE OF SHARES IS UNPREDICTABLE. It depends on financial, political, economic and other events as well as the share issuers' earnings, market position, risk situation, shareholder structure and distribution policy.
<b>SHARE ISSUER ACTION</b>	THE SHARE ISSUER IS NOT INVOLVED IN THE PRODUCT. The issuer of the shares may take actions that adversely affect the value and performance of the Product.
<b>AUTOCALL</b>	The terms of your Securities provide that they will be automatically redeemed prior to the scheduled redemption date or automatically cancelled prior to the scheduled settlement date if an automatic redemption event or automatic cancellation event occurs. An automatic redemption event or automatic cancellation event will occur if the level, price, value or performance of the Underlying Asset(s) breaches one or more specified thresholds on one or more specified dates. In the event that such an automatic redemption event or automatic cancellation event occurs, you will be paid an early cash redemption amount or early cancellation amount equal to the Calculation Amount. In such case, you may not be able to reinvest the proceeds from an investment at a comparable return and/or with a comparable interest rate for a similar level of risk. You should consider such reinvestment risk in light of other available investments before you purchase the Securities. In the event that an automatic redemption event or automatic cancellation event does not occur during the term of your Securities, you may lose some or all of your investment at maturity or expiry, depending on the performance of the Underlying Asset(s) and the specific terms and conditions of your Securities.
<b>MINIMUM SCHEDULED REDEMPTION / CANCELLATION</b>	<p><b>There are risks where your Securities have a minimum scheduled redemption amount or minimum scheduled cancellation amount feature</b></p> <p>If your Securities do not provide for a minimum scheduled redemption amount or minimum scheduled cancellation amount payable at maturity, you may lose some or all of your investment, depending on the performance of the Underlying Asset(s).</p> <p>If your Securities do provide for a minimum scheduled redemption amount or minimum scheduled cancellation amount payable at maturity, you must hold them until maturity or expiry; otherwise, you may receive less than your original invested amount if you sell your Securities prior to maturity or expiry (assuming that you are able to sell them). All payment and delivery obligations of the Issuer under the Securities are subject to the credit risk of the Issuer: if the Issuer fails or goes bankrupt or enters into a resolution regime, you will lose some or all of your investment.</p> <p><b>Additionally, it is possible that the minimum scheduled redemption amount or minimum scheduled cancellation amount may be less than the original invested amount</b></p> <p>If investors acquire the Securities (whether on issuance or in the secondary market) for an amount that is higher than the minimum scheduled redemption amount or minimum scheduled cancellation amount, they risk losing the difference between the price paid for the Securities and the minimum scheduled redemption amount at maturity or the minimum scheduled cancellation amount at expiry.</p>
<b>BARRIER</b>	<p><b>There are risks where your Securities have a "barrier" feature</b></p> <p>If the calculation of interest or the calculation of any redemption amount depends on the level, value or price of the Underlying Asset(s) reaching or crossing one or more 'barriers' during a specified period or specified dates during the term of the Securities, such interest or redemption amount may alter dramatically depending on whether any such barrier is reached or crossed (as applicable). This means you may receive less (or, in certain cases, more) if the level, value or price of the Underlying Asset(s) crosses or reaches (as applicable) a barrier, than if it comes close to the barrier but does not reach or cross it (as applicable), and in certain cases you might receive no interest payments and/or could lose some or all of your investment.</p>
<b>FINAL PERFORMANCE ONLY</b>	<p><b>There are risks where the redemption of your Securities depends only on the final performance</b></p> <p>If your Securities determine the redemption amount based on the performance of the Underlying Asset(s) as at the final valuation date only (rather than in respect of multiple periods throughout the term of the Securities) then you may not benefit from any movement in level, value or price of the Underlying Asset(s) during the term of the Securities that is not reflected in the final performance.</p>
